Flaws In The Glass A Self Portrait:

Flaws in the Glass Patrick White, 1981 A singularly penetrating act of self scrutiny a cold uncompromising stare into the mirror of an artist's life There are lyrical passages and there are wryly comic passages but the overriding impression it leaves is of a man driven by his creative daemon Back cover Patrick White's Fiction Carolyn Bliss, 1986-08-18 This study examines all eleven novels of Patrick White the great Australian writer and Nobel Prize winner It begins from the observation that major characters in his novels undergo a necessary redemptive or facilitating failure This failure paradoxically enables their success within the context of what White has called the overreaching grandeur which circumscribes human existence Evolution of this theme is traced through forty years of White's fiction from his first novel *Happy Valley* 1939 to his most recent work *The Twyborn Affair* 1979 Comprehensive in its scope this book is informed by a thorough knowledge of White's poetry plays short stories and autobiography as well as his novels It is also unique in stressing that White's world view derives from a distinctly Australian experience It thus links him to a country in which he is deeply rooted and to a heritage he continued to affirm *Otherness in the Novels of Patrick White* Alma Budurlean, 2009 The central argument of the thesis the representation and reception of otherness is followed throughout White's novels with the support of a complex critical instrumentarium made up of postcolonial theory reader response theory cultural critical frameworks alterity theory and narratology Otherness in its manifold representations is a main component of Patrick White's fiction It functions on several levels and this requires a deeper entanglement on the part of the reader The different levels previously referred to are embodied in the various Others who people White's novels ethnic Others as members of the Australian multicultural society and the Aborigines as colonial Others as well as gender Others who also play an important role in White's fictional world Reading Patrick White is an exercise in tolerance endurance and acceptance of alternatives But the efforts of the reader do not remain unrewarded In his endeavour to change what it meant to imagine Australia the writer broke down the barriers of what it meant to imagine otherness *Patrick White Centenary* Bill Ashcroft, Cynthia vanden Driesen, 2014-08-20 This volume marks the birth centenary of a giant amongst contemporary writers the Australian Nobel prize winning novelist Patrick White 1912-1990 It proffers an invaluable insight into the current state of White studies through commentaries drawn from an international galaxy of eminent critics as well as from newer talents The book proves that interest in White's work continues to grow and diversify Every essay offers a new insight some are re-evaluations by seasoned critics who revise earlier positions significantly others admit new light onto what has seemed like well trodden terrain or focus on works perhaps undervalued in the past his poetry an early short story or novel which are now subjected to fresh attention His posthumous work has also won attention from prominent critics New comparisons with other international writers have been drawn in terms of subject matter themes and philosophy The expansion of critical attention into fields like photography and film opens new possibilities for enhancing further appreciation of his work White's interest in public issues such as the

treatment of Australia's Indigenous peoples' human rights and Australian nationalism is refracted through the inclusion of relevant commentaries from notable contributors. For the first time in Australian literary history, Indigenous scholars have participated in a celebration of the work of a white Australian writer. All of this highlights a new direction in White studies: the appreciation of his stature as a public intellectual. The book demonstrates that White's legacy has limitless possibilities for further growth.

Francis Bacon Michael Peppiatt, 2019-03-13. This book, a biography on Francis Bacon, is inspired by the friendship the author had with Bacon and based on records of the conversations that took place since 1963. The book forms the first comprehensive account of the artist's life and his work.

Patrick White: Beyond the Grave Ian Henderson, Anouk Lang, 2015-08-15. Patrick White (1912–1990) won the Nobel Prize for Literature in 1973 and remains one of Australia's most celebrated writers. In 2006, White's literary executor Barbara Mobbs released a highly significant collection of hitherto unpublished papers, reviving mainstream and scholarly interest in his work. *Patrick White: Beyond the Grave* considers White's writing in light of the new findings acknowledging his homosexuality in relation to the development of his literary style, examining the way he engages his readers and contextualizing his life and oeuvre in relation to London and to London life. Thought provoking, this collection of original essays represents the work of an outstanding list of White scholars from around the globe and will no doubt inspire further work on White from a rising generation of scholars of twentieth-century literature beyond Australia.

Homintern Gregory Woods, 2017-01-01. A landmark account of gay and lesbian creative networks and the seismic changes they brought to twentieth-century culture. In a hugely ambitious study which crosses continents, languages, and almost a century, Gregory Woods identifies the ways in which homosexuality has helped shape Western culture. Extending from the trials of Oscar Wilde to the gay liberation era, this book examines a period in which increased visibility made acceptance of homosexuality one of the measures of modernity. Woods shines a revealing light on the diverse informal networks of gay people in the arts and other creative fields. Uneasily called the Homintern, an echo of Lenin's Comintern by those suspicious of an international homosexual conspiracy, such networks connected gay writers, actors, artists, musicians, dancers, filmmakers, politicians, and spies. While providing some defense against dominant heterosexual exclusion, the grouping brought solidarity, celebrated talent, and in doing so invigorated the majority culture. Woods introduces an enormous cast of gifted and extraordinary characters, most of them operating with surprising openness, but also explores such issues as artistic influence, the coping strategies of minorities, the hypocrisies of conservatism, and the effects of positive and negative discrimination. Traveling from Harlem in the 1910s to 1920s Paris, 1930s Berlin, 1950s New York, and beyond, this sharply observed, warm, spirited book presents a surpassing portrait of twentieth-century gay culture and the men and women who both redefined themselves and changed history.

REAL Volume 9 (1993) Herbert Grabes, Winfried Fluck, Jürgen Schlaeger, 1993. **The Cambridge Companion to the Australian Novel** Nicholas Birns, Louis Klee, 2023-03-02. This book provides a clear, lively, and accessible guide to the complex histories and vital present of the Australian novel. Routledge

Revivals: Pandora and Occam (1992) Horst Ruthrof, 2017-03-16 First published in 1992 this book evokes Pandora and Occam as metaphoric corner posts in an argument about language as discourse and in doing so brings analytic philosophy to bear on issues of Continental philosophy with attention to linguistic semiological and semiotic concerns Instead of regarding meanings as guaranteed by definitions the author argues that linguistic expressions are schemata directing us more or less loosely toward the activation of nonlinguistic sign systems Ruthrof draws up a heuristic hierarchy of discourses with literary expression at the top descending through communication reduced reference and speech acts to formal logic and digital communication at the bottom The book offers multiple perspectives from which to review traditional theories of meaning working from a wide variety of theorists including Peirce Frege Husserl Derrida Lyotard Davidson and Searle In Ruthrof's analysis Pandora and Occam illustrate the opposition between the suppressed rich materiality of culturally saturated discourse and the stark ideality of formal sign systems This book will be of interest to those studying linguistics literature and philosophy

Daisy in Exile Daisy White, 2003 Fontainebleau outside Paris is almost as far from country Australia spiritually and geographically as a schoolgirl can get But that is where Margaret Isabel White known as Daisy found herself for the final years of her education This intensely personal account of her teenage life has been thoughtfully annotated by editor Riviere

New York Magazine, 1982-02-22 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

Francis Bacon Mark Stevens, Annalyn Swan, 2021-03-23 THE TIMES BEST ART BOOK OF THE YEAR FINALIST FOR THE PLUTARCH AWARD AND THE APOLLO AWARD There are not many biographical masterpieces but Mark Stevens and Annalyn Swan have produced one wrote the novelist John Banville of Francis Bacon Revelations By the Pulitzer prize winning authors of *de Kooning* *An American Master* this acclaimed biography contains a wealth of never before known details about one of the iconic artists of the 20th century a singularly private darkly funny eruptive man and his extraordinary art whose iconoclastic charm keeps the pages turning The Washington Post Francis Bacon created an indelible image of mankind in modern times and played an outsized role in both twentieth century art and life from his public emergence with his legendary Triptych 1944 its images so unrelievedly awful that people fled the gallery to his death in Madrid in 1992 Bacon was a witty free spirit and unabashed homosexual at a time when many others remained closeted and his exploits were as unforgettable as his images He moved among the worlds of London's Soho and East End the literary salons of London and Paris and the homosexual life of Tangier Through hundreds of interviews and extensive new research the authors probe Bacon's childhood in Ireland he earned his father's lasting disdain because his asthma prevented him from hunting his increasingly open homosexuality his early design career never before explored in detail the formation of his

vision his early failure as an artist his uneasy relationship with American abstract art and his improbable late emergence onto the international stage as one of the great visionaries of the twentieth century In all Francis Bacon Revelations gives us a more complete and nuanced and more international portrait than ever before of this singularly private darkly funny eruptive man and his equally eruptive extraordinary art Bacon was not just an influential artist he helped remake the twentieth century figure

The Hanging Garden Patrick White, 2013-05-28 Indisputably one of the century's greatest writers Annie Proulx The Hanging Garden is a novel for our time a story about parentless children mistreated by a world that by its lights intends no harm but nonetheless does enduring damage The New York Times Book Review cover review 05 26 13 From the Nobel Prize winning author of The Eye of the Storm comes a vivid visceral tale of childhood friendship and sexual awakening from beyond the echoes of World War II Sydney Australia 1942 Two children on the cusp of adolescence have been spirited away from the war in Europe and given shelter in a house on Neutral Bay taken in by the charity of an old widow who wants little to do with them The boy Gilbert has escaped the Blitz The girl Eirene lost her father in a Greek prison Left to their own devices the children forge a friendship of startling honesty forming a bond of uncommon complexity that they sense will shape their destinies for years to come Patrick White's posthumously discovered novel The Hanging Garden which represents the first part of what was intended to be his final masterpiece is a breathtaking and important literary event Seamlessly shifting among points of view and written in dazzling prose Patrick White's mastery of style and highly inventive storytelling will transport you as the work of few writers can

Displaced Persons: Conditions of Exile in European Culture Sharon Ouditt, 2017-03-02 This lively and intellectually vigorous conspectus of studies approaches the subject of exile from a variety of disciplinary perspectives The contributions to this volume give due attention to the twentieth century migratory phenomena theorised by Edward Said Julia Kristeva and Salman Rushdie They also show that the discourse and experience of exile is not the stuff of modernity alone The volume illustrates that the waning of the Middle Ages Reformation and Restoration politics and the importation of Egyptian mummies into a nineteenth century England hungry for imperial exotica reveal displacement dislocation otherness and the uncanniness of observing strangers on display to have long been part of European cultural currency The essays range across a variety of disciplines literary studies modern languages history of science philosophy and museum studies

The Protean Forms of Life Writing Angelo Righetti, 2008

Dissociation and Wholeness in Patrick White's Fiction Laurence Steven, 1989-08-23 Most studies of Patrick White's fiction are devoted to elucidating archetypal patterns symbolic configurations and thematic preoccupations and generally to praising the way White's fictional elements combine to form a religio mystical worldview Few have questioned this critical approach to White fewer still have questioned White's vision itself Yet according to the author questioning is in order for Patrick White is a man divided One part of him strives for permanence for the ideal in a world he knows is contingent and temporal a world that will undermine his striving This leads him as a novelist to devalue human life and to impose arbitrary

symbolic resolutions on his novels This has been the focus of most critics But there is another side a part of White that strains away from the dualism of idealism versus despair and towards a vital wholeness that can be found not in a world beyond the one we live in but in human relationships It is this side of Patrick White argues Laurence Steven that is the source of his genuine power as a novelist An important challenge for the critic is to develop an ability to see within the restrictive compass White s symbolic designs impose on the novels the new shoots as D H Lawrence would have it which indicate new life new creativity and which point towards a wholeness which human beings can embrace as their own

Introduction Australian Voices Ray Willbanks, 2014-05-02 Contemporary Australian fiction is attracting a world audience particularly in the United States where a growing readership eagerly awaits new works In *Australian Voices* Ray Willbanks goes beyond the books to their authors using sixteen interviews to reveal the state of fiction writing in Australia what nags from the past what engages the imagination for the future Willbanks engages the writers in lively discussions of their own work as well as topics of collective interest such as the past including convict times the nature of the land the treatment of Aborigines national identity and national flaws Australian British antipathy sexuality and feminism drama and film writing publishing and criticism in Australia and the continuous and pervasive influence of the United States on Australia The interviews in *Australian Voices* are gossipy often funny and always informative as Willbanks builds a structured conversation that reveals biography personality and significant insight into the works of each writer They will be important for both scholars and the reading public *Westerly*, 1997 [Encyclopedia of Life Writing](#) Margaretta Jolly, 2013-12-04 First published in 2001 This is the first substantial reference work in English on the various forms that constitute life writing As this term suggests the *Encyclopedia* explores not only autobiography and biography proper but also letters diaries memoirs family histories case histories and other ways in which individual lives have been recorded and structured It includes entries on genres and subgenres national and regional traditions from around the world and important autobiographical writers as well as articles on related areas such as oral history anthropology testimonies and the representation of life stories in non verbal art forms
