Kevin McCloud's Complete Book of Paint and Decorative Techniques Kevin McCloud, 1997 Through the use of more than 400 instructional and inspirational color photos and a unique 16 page color selector on graduated pages the author of *Decorative Style* and *Lighting Style* demystifies the art of using colors textures paints and surface finishes to create dramatic and distinctive effects in any home

Grand Designs Aneta Podkalicka, Esther Milne, Jenny Kennedy, 2018-11-28 This is the first academic book to examine the long running hit series *Grand Designs* which occupies a significant place in the popular imagination internationally The authors apply an empirically grounded critical perspective to the study of television to reveal how people use the program in their everyday lives The emphasis on everyday uses and meanings combines creatively with understanding the program theoretically textually and in terms of its production structures This position challenges framings of the popular lifestyle and factual television genre that has been dominated by a neoliberal or governmentality perspective for many years Presented by British designer and writer Kevin McCloud *Grand Designs* follows the progress of home owners as they embark on design renovation and building projects at almost always dizzying scales of endeavour Understanding the program as both a text to analyse and a site of material impact the book draws on interviews with production members home renovators building practitioners and audiences as well as references to associated media formats to provide contextual depth to the analysis The authors argue that as a cultural object the program is both shaped by and enacts social discourses of home making design value and taste Navigating public commercial and promotional logics *Grand Designs* sparks new forms of cultural production and consumer markets

J. Berti,2000 The eclectic look is home decor s hottest trend but flea market shopping has become a national obsession making it difficult to find real bargains BJ Berti reveals how easy it is to get the look for less by giving new life to inexpensive castoffs and finding unusual ways to make the most out of ordinary pieces A flea market veteran BJ is a pro at reimagining the wobbly end table as a vehicle for vibrant color and seeing beyond a coating of ugly paint or covering of faded fabric In *Flea Market Makeovers* she reveals secrets for spotting diamonds in the rough at local flea markets neighborhood garage sales and vintage furniture stores and shows how to gauge the potential of the curbside castoff Through twenty five projects and a special section of basic techniques BJ explains how a little loving care and a touch of elbow grease can transform the most forlorn looking pieces into charming additions for all rooms of the home Step by step instructions make it easy to follow her philosophy of restore revive and reuse Why overlook a piece just because it has loose joints or a shaky leg Minor fixes are easy to accomplish with a little craft know how and sometimes just a rigorous cleaning is all that s needed to unveil a prize find BJ carefully describes how to strip away layers of paint smooth nicks and dents and replace old stuffing and fabric She also illustrates how simple it is to revive a piece by adding a painted pattern some beveled mirror pieces or a carved wooden molding For example a simple folding card table looks entirely different after BJ replaces its dull floral tabletop with new painted canvas Finally BJ demonstrates how to successfully reuse pieces with unexpected

placement For example a bookcase with fresh detailing stands out as smart storage for a dining room and a panel from an old upright piano makes waves as a headboard over a bed With projects that range from a new lamp to brighten a corner of a living room to a mirrored panel for sectioning off a study *Flea Market Makeovers* balances the best of crafting with extremely chic results for every room of the home *Flea Market Makeovers* makes it easy to spot the hidden gems with the acumen of a pro
