Key Cases Comments And Questions On Substantive Criminal Law

John N. Ferdico

Key Cases Comments And Questions On Substantive Criminal Law:

Key Cases, Comments, and Questions on Substantive Criminal Law Henry F. Fradella, Professor and Chair of Criminal Justice Henry F. Fradella, 1999-07 Written by Henry F. Fradella California State University Long Beach this book examines cases with comments analyses and discussion questions to help students grasp challenging material and test their knowledge *Instructor's Edition for Criminal Law* Samaha, 2001-06 **Criminal Law** John Malcolm Scheb, John M. Scheb, 1999 Uniquely brief and affordable this paperback split from Scheb Scheb's CRIMINAL LAW AND PROCEDURE is intended to meet the needs of professors and students looking for approachable and comprehensive coverage of criminal law Utilizing extensive case material this book presents all of the necessary course coverage in a manageable fashion and integrates the material in a logical manner The Schebs bring a combined experience that is both practical as well as academic Criminal Law Thomas J. Gardner, Terry M. Anderson, 2000 This highly accessible text provides a comprehensive introduction to all aspects of criminal law Gardner and Anderson illuminate what is prescribed criminal behavior by discussing and citing criminal law without employing extensive cases Using a strong pedagogical framework this book aids the student in comprehending complex topics in a methodical manner *Criminal Law and Procedure* John Malcolm Scheb, John M. Scheb, 2001-07 The Scheb and Scheb author team bring a combined experience that is both practical and academic This unique and successful text differs from most texts offered in the applied legal area in that it is the only one appropriate for a combined course in law and procedure The text covers all of the necessary content in a manageable fashion and integrates the material logically Utilizing extensive case material this book covers the historical background and has been thoroughly updated to include the latest Supreme Court decisions and other developments in criminal justice today The author team also publish splits of this text CRIMINAL LAW and CRIMINAL PROCEDURE 2000 as well as some legal texts with the 1 law publisher WestGroup **The American System of Criminal Justice** George F. Cole, Christopher E. Smith, 2004 This classic best seller commonly referred to as The Eagle encourages students to become better citizens to determine what Justice means in our society and what role individuals play This text examines criminal justice as an interdisciplinary endeavor sharing elements from criminology sociology law history psychology and political science It challenges students to balance the mechanics and system of criminal justice with the human side of the story Cole and Smith present an exciting and relevant introduction to the field of criminal justice The text combines solid research and intellectual rigor in an approachable manner with detailed attention to current and compelling events to help students appreciate the many aspects of the discipline and how they can participate in the system as citizens of the United States *Criminal Procedure for the Criminal Justice Professional* John N. Ferdico, 2005 **Criminal Procedure** Joel Samaha, 2002 Joel Samaha is the best selling author of three major textbooks in Introduction to Criminal Justice Criminal Law and Criminal Procedure His success stems from his ability to present legal issues in a lucid and methodical manner This text's success can

be attributed to the author's ability to help the student grasp the complexities of the criminal justice system and the laws by presenting all sides of an issue equally Samaha wants the students to understand why procedures are as they are instead of simply memorizing them This is a comprehensive and legally oriented text focusing on the law as it is written not solely from a layperson's point of view

Journal of Contemporary Criminal Justice, 2003 **Key Cases and Comments on Criminal Procedure**, 1995

Criminal Law David Brody, James Acker, 2010 The highly anticipated Second Edition of Criminal Law introduces students to the underlying principles legal doctrine and rules regarding crimes defenses and punishment in substantive criminal law Innovative in its case study approach this thoroughly updated revision will help students develop analytical skills while learning the content and context of substantive criminal law Now with a more student friendly format this text guides students through theory and practice using a blend of old and new materials to foster understanding of what the law is how it evolved the principles on which it is based and how it applies to various circumstances

Criminal Law David C. Brody, James R. Acker, 2009-08-10 The highly anticipated Second Edition of Criminal Law introduces students to the underlying principles legal doctrine and rules regarding crimes defenses and punishment in substantive criminal law Innovative in its case study approach this thoroughly updated revision will help students develop analytical skills while learning the content and context of substantive criminal law Now with a more student friendly format this text guides students through theory and practice using a blend of old and new materials to foster understanding of what the law is how it evolved the principles on which it is based and how it applies to various circumstances

Criminal Law Henry F. Fradella, Professor in and Associate Director of the School of Criminology and Criminal Justice Henry F Fradella, 2022-06-24 Criminal Law offers a unique hybrid approach to learning criminal law Most textbooks oversimplify the law by presenting the black letter law for major and defenses but they rarely present any corresponding exploration of the gray areas that exist beyond the basic rules of law Conversely casebooks present numerous edited judicial opinions often with context Criminal Law takes the best from each of these approaches by merging textual pedagogy and case analyses into a coherent framework that includes legal history social context and public policy Taking a historical approach legal expert Henry F Fradella presents the law as it evolved from English common law and compares it with the modern statutory approach to crimes set forth in the American Law Institute's highly influential Model Penal Code After providing such comparative pedagogy for each crime or defense Criminal Law presents 12 edited cases that allow the reader to contrast how the black letter law plays out in the real world After each case a series of questions challenge students to engage in critical thinking about the case and its implications as precedent Finally chapters contain a number of additional pedagogical features that focus on public policy concerns and statutory interpretation skills using penal laws from a variety of U S states

Improperly Obtained Evidence in Anglo-American and Continental Law Dimitrios Giannouloupoulos, 2019-02-21 This is the first book to offer an extensive cosmopolitan cross cultural insight into the perennial

controversy over the use of improperly obtained evidence in criminal trials It challenges the conventional view that exclusionary rules are idiosyncratic of Anglo American law and highlights the constitutionalisation and internationalisation of criminal evidence and procedure as a cause of rapprochement or divergence beyond the Anglo American and Continental law divide Analysis focuses on confessional evidence and evidence obtained by search and seizure telephone interceptions and other means of electronic surveillance The laws of England and Wales France Greece and the United States are systematically compared and contrasted throughout this study but where appropriate analysis extends to other Anglo American and Continental legal systems The book reviews exclusionary rules vis vis the operation of judicial discretion and explores the normative justifications that underpin them It attempts to reinvigorate the idea of excluding evidence to protect constitutional or human rights the rights thesis arguing that there is significant scope for Anglo American and Continental legal systems to place a renewed emphasis on it particularly in relation to confessional evidence obtained in violation of custodial interrogation rights we can locate an emerging rapprochement and unique potential for European Court of Human Rights jurisprudence to build consensus in this respect In marked contrast remaining divergence with regard to evidence obtained by privacy violations means there is little momentum to adopt a reinvigorated rights thesis more widely Longlisted for the Inner Temple Book Prize 2022

A Theory of Constitutional Rights Robert Alexy, 2010 In any country where there is a Bill of Rights constitutional rights reasoning is an important part of the legal process As more and more countries adopt Human Rights legislation and accede to international human rights agreements and as the European Union introduces its own Bill of Rights judges struggle to implement these rights consistently and sometimes the reasoning behind them is lost Examining the practice in other jurisdictions can be a valuable guide Robert Alexy s classic work reconstructs the reasoning behind the jurisprudence of the German Basic Law and in doing so provides a theory of general application to all jurisdictions where judges wrestle with rights adjudication In considering the features of constitutional rights reasoning the author moves from the doctrine of proportionality procedural rights and the structure and scope of constitutional rights to general rights of liberty and equality and the problem of horizontal effect A postscript written for the English edition considers critiques of the Theory since it first appeared in 1985 focusing in particular on the discretion left to legislatures and in an extended introduction the translator argues that the theory may be used to clarify the nature of legal reasoning in the context of rights under the British Constitution

Modern Criminal Law Wayne R. LaFave, 2001 Psychiatry and the Criminal Law Sheldon Glueck, 1928

Principles of Criminal Law Wayne R. LaFave, 1978 AQA Law A2 Student Unit Guide: Unit 3 New Edition: Criminal Law (Offences Against the Person) and Contract Law ePub Ian Yule, Peter Darwent, 2013-01-25 Written by senior examiners Ian Yule and Peter Darwent this AQA A2 Law Student Unit Guide is the essential study companion for Unit 4 Criminal Law Offences Against the Person and Contract Law This full colour book includes all you need to know to prepare for your unit exam clear guidance on the content of the unit with topic summaries knowledge check questions and a quick
