Comparative Politics J. C. Johari, 1982 **Fifty Key Figures in Twentieth Century British Politics** Keith Laybourn, 2002-09-11 This guidebook provides a complete overview of the lives and influence of fifty major figures in modern British political history Reflecting the changes within British society and politics over the past century the entries chart the development of key contemporary issues such as women's rights immigration and the emergence of New Labour Figures covered include Winston Churchill Tony Blair Emmeline Pankhurst David Lloyd George Margaret Thatcher John Maynard Keynes Enoch Powell Barbara Castle With cross referenced entries and helpful suggestions for further reading this book is an essential guide for all those with an interest in understanding the dominating issues of modern British politics Gender: The Key Concepts Mary Evans, Carolyn Williams, 2013-02-11 This invaluable volume provides an overview of 37 terms theories and concepts frequently used in gender studies which those studying the subject can find difficult to grasp Each entry provides a critical definition of the concept examining the background to the idea its usage and the major figures associated with the term Taking a truly interdisciplinary and global view of gender studies concepts covered include Agency Diaspora Heteronormativity Subjectivity Performativity Class Feminist Politics Body Gender identity Reflexivity With cross referencing and further reading provided throughout the text Gender The Key Concepts unweaves the relationships between different aspects of the field defined as gender studies and is essential for all those studying gender in interdisciplinary contexts as undergraduates postgraduates and beyond Essential Concepts of Land Politics Saturnino M. Borrás Jr., Jennifer C. Franco, 2025-06-13 This book compiles discusses and explains the key concepts in land politics in an easy to navigate A Z format This book takes a broad view on land across the rural and urban corridor and advocates for a holistic view of the politics of land as an aggregation of land and global social life that is the politics of food climate labour citizenship and geopolitics The authors have curated a wide ranging list of 67 key terms most commonly used in the field with each entry mapping out an important concept or idea and illustrating how it relates more broadly across this growing discipline Across the entries the book showcases that land has been and remains central to productive and social reproductive activities of humanity for the incessant renewal of life and society A key assumption in this book is that the politics of land is made up of building blocks in the form of key concepts These key concepts evolve both in the sense that they are politically contested and in the changing broader context within which they are embedded The key concepts in this book are therefore not discussed in a random way but rather framed from Critical Agrarian Studies perspectives and scholar activist tradition which means taking the side of the exploited and oppressed With further reading recommendations included alongside the entries this innovative and accessible volume will be of great interest to students scholars policy practitioners and political activists **Main Concepts of Russian Politics** Oleg Kharkhordin, 2005-05-23 Main Concepts of Russian

Politics addresses key concepts of political life in Russia Specific attention is given to how Russian terms relate to their English language equivalents This book also discusses current problems within Russian politics with the help of conceptual apparatus taken from political theory classics Thus this book is a rapprochement of political theory and Russian studies It shows how familiar classics fare in an unfamiliar cultural context and how unfamiliar concerns of another culture can be made understandable with the help of these classic works Politics: Key Concepts in Philosophy Iain

MacKenzie,2009-05-24 The extent and nature of rights the sources of state power the promises and pitfalls of democracy how to achieve a just distribution of social goods the claims of culture and gender on our identity these are just some of the issues to have been addressed by political philosophers throughout history Politics Key Concepts in Philosophy offers a thorough and stimulating account of political philosophy The text is structured thematically in order to convey the vibrancy of debates within the discipline Through these debates the text addresses the ideas of major thinkers including Plato Hobbes Locke Rousseau Marx Foucault Rawls Kymlicka Okin and Butler and it begins and ends with discussions about the nature of political philosophy itself This is an invaluable aid to study one that goes beyond simple definitions and summaries readers new to this discipline will encounter a lively text full of clear signposts for the journey into political philosophy
