Consuming Tradition, Manufacturing Heritage Nezar Alsayyad,2013-12-16 From the Grand Tour to today's packages holidays the last two centuries have witnessed an exponential growth in travel and tourism and as the twenty first century unfolds people of every class and from every country will be wandering to every part of the planet Meanwhile tourist destinations throughout the world find themselves in ever more fierce competition those places marginalized in today's global industrial and information economy perceiving tourism as perhaps the only means of surviving But mass tourism has raised the local and international passions as people decry the irreversible destruction of traditional places and historic sites Against these trends and at a time when standardized products and services are marketed worldwide there is an increasing demand for built environments that promise unique cultural experiences This has led many nations and groups to engage in the parallel processes of facilitating the consumption of tradition and of manufacturing tradition The contributors to this volume drawn from a wide range of disciplines address these themes within the following sections Traditions and Tourism Rethinking the Other Imaging and Manufacturing Heritage Manufacturing and Consuming Global and Local Their studies dealing with very different times environments and geographic locales will shed new light on how tourist gaze transforms the reality of built spaces into cultural imagery

The Real South Scott Romine,2008-06-01 In this stimulating study Scott Romine explores the impact of globalization on contemporary southern culture and the South's persistence in an age of media and what he terms cultural reproduction Rather than being compromised Romine asserts southern cultures are both complicated and reconfigured as they increasingly detach from tradition in its conventional sense In considering Souths that might appear fake the Souths of the theme restaurant commercial television and popular regional magazines for example Romine contends that authenticity and reality emerge as central concepts that allow groups and individuals to imagine and navigate social worlds Romine addresses a major critical problem authenticity in a fundamentally new manner Less concerned with what actually constitutes an authentic or real South than in how these concepts are used today The Real South explores a wide range of southern narratives that describe and travel through virtual simulated and commodified Souths Where earlier critics have tended to assume a real or authentic South Romine questions such assumptions and whether the authentic South ever truly existed From Gone with the Wind Civil War reenactments and a tennis community outside Atlanta called Tara to the work of Josephine Humphreys the travel narrative of V S Naipaul and the historical fiction of Lewis Nordan Romine examines how narratives and spaces are used to fashion social solidarity and cultural continuity in a time of fragmentation and change Far from deteriorating or disappearing in a global economy Romine shows the South continues to be reproduced and used by diverse groups engaged in diverse cultural projects

perspectives This volume of *The New Encyclopedia of Southern Culture* offers an authoritative and readable reference to the culture of sports and recreation in the American South surveying the various activities in which southerners engage in their nonwork hours as well as attitudes surrounding those activities Seventy four thematic essays explore activities from the familiar porch sitting and fairs to the essential football and stock car racing to the unusual pool checkers and a sport called fireballing In seventy seven topical entries contributors profile major sites associated with recreational activities such as Dollywood drive ins and the Appalachian Trail and prominent sports figures including Althea Gibson Michael Jordan Mia Hamm and Hank Aaron Taken together the entries provide an engaging look at the ways southerners relax pass time celebrate let loose and have fun

Southern Heritage on Display Celeste Ray, 2003-01-22 How ritualized public ceremonies affirm or challenge cultural identities associated with the American South W J Cash s 1941 observation that there are many Souths and many cultural traditions among them is certainly validated by this book Although the Civil War and its lost cause tradition continues to serve as a cultural root paradigm in celebrations both uniting and dividing loyalties southerners also embrace a panoply of public rituals parades cook offs kinship homecomings church assemblies music spectacles and material culture exhibitions that affirm other identities From the Appalachian uplands to the Mississippi Delta from Kentucky bluegrass to Carolina piedmont southerners celebrate in festivals that showcase their diverse cultural backgrounds and their mythic beliefs about themselves The ten essays of this cohesive interdisciplinary collection present event centered research from various fields of study anthropology geography history and literature to establish a rich complex picture of the stereotypically Solid South Topics include the Mardi Gras Indian song cycle as a means of expressing African American identity in New Orleans powwow performances and Native American traditions in southeast North Carolina religious healings in southern Appalachian communities Mexican Independence Day festivals in central Florida and in eastern Tennessee bonding ceremonies of melungeons who share Indian Scots Irish Mediterranean and African ancestry Seen together these public heritage displays reveal a rich creole of cultures that have always been a part of southern life and that continue to affirm a flourishing regionalism This book will be valuable to students and scholars of cultural anthropology American studies and southern history academic and public libraries and general readers interested in the American South It contributes a vibrant colorful layer of understanding to the continuously emerging picture of complexity in this region historically depicted by simple stereotypes

Realizing Our Place Catherine Egley Waggoner, Laura Egley Taylor, 2018-07-12 What does it mean to be from somewhere Does place seep into one s very being like roots making their way through rich soil shaping a sense of self In particular what does it mean to be from a place with a storied past one mythologized as the very best and worst of our nation Such questions inspired Catherine Egley Waggoner and Laura Egley Taylor sisters and Delta expatriates themselves to embark on a trail of conversations through the Mississippi Delta Meeting in evocative settings from kitchens and beauty parlors to screened in porches with fifty one women black Chinese Lebanese

and white elderly and young rich and poor bisexual and straight the authors trace the extent to which the historical dimensions of southern womanhood like submissiveness purity piety and domesticity are visible in contemporary Delta women s everyday enactments Waggoner and Taylor argue that these women do not simply embrace or reject such dimensions but instead creatively tweak stereotypes in such a way that skillfully legitimizes their authenticity Blending academic analysis with colorful excerpts of Delta women s words and including over one hundred striking photographs Waggoner and Taylor provide an insightful peek into the lives of real southern women living in a deeply mythologized land

Culture and Customs of the United States Benjamin F. Shearer,2007-12-30 American life and culture is truly unique in that it was born from many other cultures around the world When immigrants migrated to the Land of Opportunity they brought with them pieces of their own heritage foods religions holidays festivals music and art just to name a few Through time these customs have developed into what we now know as American life Explore how even within the US various cultures and customs differ from New England to the Midwest to the Pacific Discover how many religions are practiced all over the country and how each sect differs in its celebration Learn how gender plays an important role in American society and how things have changed and progressed in the past century Readers will learn about American holidays religious federal and even those fabricated by Hallmark and television Sports leisure activities and fashion also play a major role in American culture as discussed in this all encompassing work Discover how American cuisine has evolved from other cultures such as Italian Greek Mexican Chinese Indian and West Africa and how each region has its own indigenous dishes including New England clam chowder Southern jambalaya and Mid western lutefisk Contemporary and classic literature is also discussed along with the evolution of poetry Readers will learn about the development of mass media as well as the growth of cinema and films from the first silent film to today s popular blockbuster trilogy Pirates of the Caribbean Music and dance are also discussed in detail covering the New York Philharmonic to Woodstock Contemporary art and architecture is discussed as well as types of housing across all the regions of the U S This unique two volume addition to the Culture and Customs of the World series gives high school students both national and international the chance to examine the United States from the outside in The mosaic of American culture comes to life in this expansive yet detailed study of what makes the United States a complex blend of customs and traditions Each volume in this comprehensive two volume study offers chapters that detail how American life was born and how it has grown covering the history of customs as well as how traditions are now celebrated in New England the South the Midwest the Pacific Northwest and the Southwest as well as Alaska and Hawaii Narrative chapters include the following [Film-induced Tourism](#) Sue Beeton,2005-01-01 Film induced tourism has the potential to revitalise flagging regional rural communities and increase tourism to urban centres however it carries with it unique problems This book explores the downside of the phenomenon *A Tennessee Folklore Sampler* Ted Olson,Anthony P.
