Joseph Ciferno Jr, 2010-06-05 This book is taking a different approach as compared to other ghost hunting books on Gettysburg. Granted there are some really great books already on the subject. **Gettysburg Heroes** Glenn W.

LaFantasie, 2008-02-05 The Civil War generation saw its world in ways startlingly different from our own. In these essays Glenn W. LaFantasie examines the lives and experiences of several key personalities who gained fame during the war and after. The battle of Gettysburg is the thread that ties these Civil War lives together. Gettysburg was a personal turning point though each person was affected differently. Largely biographical in its approach, the book captures the human drama of the war and shows how this group of individuals, including Abraham Lincoln, James Longstreet, Joshua Lawrence Chamberlain, William C. Oates, and others, endured or succumbed to the war and willingly or unwillingly influenced its outcome. At the same time, it shows how the war shaped the lives of these individuals, putting them through ordeals they never dreamed they would face or survive.
