Literacy Strategies for Gifted and Accelerated Readers Vicki Caruana, 2019-11-28 Gifted and accelerated readers are often not a part of reading instruction in a traditional or inclusive classroom. Their needs go unattended in favor of those who struggle with basic reading and foundational skills. All children should have the opportunity to grow in their knowledge and skills in literacy. This book provides teachers who have one or more gifted accelerated or those who are keenly interested students in their class ways in which they can differentiate reading instruction that is equitable. *Literacy Strategies for Gifted and Accelerated Readers* provides educators with practical research based strategies and advice to address the unique needs of gifted readers. Attention to required specially designed instruction that aligns to both the content standards and the NAGC PreK 12 Gifted Programming Standards ensures that gifted readers make progress through literacy instruction. This book provides insight and expertise to general education teachers, teachers of the gifted, special education teachers, homeschool educators, professional developers, and higher education faculty. *Gifted and Talented: Grade Pre-K Reading, Writing and Math (Flash Kids Gifted and Talented)* Flash Kids Editors, 2007-06-25 The Gifted Talented Reading Writing and Math series specifically promotes the development of analytic thinking, language arts, and math skills. The books include activities to spark children's imaginations, sharpen their thinking skills, and foster a love of learning. The books include exercises to develop skill such as interpreting multiple meanings, brainstorming for story writing, solving visual puzzles using context clues, and much more. These workbooks support national standards, encourage higher level thinking skills, and challenge gifted students.
