Identity Matters Donna LeCourt, 2012-02-01 Identity Matters explores the question that consistently plagues composition teachers why do their pedagogies so often fail Donna LeCourt suggests that the answer may lie with the very identities values and modes of expression higher education cultivates In a book that does precisely what it theorizes LeCourt analyzes student written literacy autobiographies to examine how students interact with and challenge cultural theories of identity This analysis demonstrates that writing instruction does indeed matter and has a significant influence on how students imagine their potential in both academic and cultural realms LeCourt paints not only a compelling and vexing picture of how students interact with academic discourse as both mind and body but also offers hope for a reconceived pedagogy of social material writing practice

Identity Matters Raimo Hakola, 2005-03-01 This book challenges current

scholarly consensus concerning John's references to the Jews in two ways First the author suggests that John's portrayal of the Jews cannot be understood as a response to the violent policy of John's opponents Second the author claims that John's portrayal of Jewishness is much more ambivalent than is often claimed today The first part of the book offers a detailed criticism on the so called two level reading strategy which claims that John's references to the Jews emerge from the conflict with rabbinic Judaism The second part examines in detail John's relationship to some basic markers of Jewishness The book contributes to the ongoing discussion of anti Judaism in John and efforts to understand John's historical setting **Identity Matters - Advancing Life Within** Stephen Phinney, 2016-02-08 Identity Matters Advancing Life Within Workbook Conference Guide is a 13 part series course designed for a combination of individual small group online conference study guide It is a study in the personal discovery of a believer's IDENTITY in the shared co death burial resurrection ascension of and in Christ Jesus the Exchanged Life This workbook contains 80 diagrams to help communicate the freeing Truths of who the believer is in Christ Newly revised and updated to enhance your study I believe you will be blessed by the Truths contained within this workbook Consider watching the videos and listening to the audio messages at IOMAmerica.net Dr Stephen R Phinney

Porter, 2021-10-25 In Johannine Social Identity Formation after the Fall of the Jerusalem Temple Christopher Porter reads the Fourth Gospel through the lens of social identity theory as means of reconciling the social dislocation and trauma of the destruction of the Jerusalem temple Analysing the Fourth Gospel in conversation with other temple removed texts of Qumran Philo and Josephus the gospel's intent to renegotiate cultic life without the temple can be seen Through this analysis it is argued that the Fourth Gospel primarily functions as an intra mural Jewish text attempting to negotiate the formation of a Jesus follower social identity in
