If Tears Could Build a Stairway

If tears could build a stairway,
and memories a lane
I would walk right up to Heaven
and bring you back again.
No farewell words were spoken,
No time to say "Goodbye"
You were gone before I knew it,
and only God knows why.
My heart still aches with sadness,
and secret tears still flow
What it meant to love you -
No one can ever know.
But now I know you want me
to mourn for you no more.
To remember all the happy times
life still has much to share
Soon you'll never be forgotten,
I promise to you this day
A farewell place within my heart
is where you'll always stay

If Tears Were Words:

If Feelings Were Words Jim Law, 2022-02-07 If Feelings Were Words is a collection of poems short stories thoughts feelings and experiences spanning three years of the author's life The collection spans several feelings and emotions from love loss fear anxiety and back to love *Tears Are Words from the Heart* Sidney St. James, 1900 TEARS ARE WORDS FROM THE HEART has a setting in Austin Texas in 1960 One would have to caution our lovers that romance can't be found in a store Whatever is in Capital Plaza isn't what they were looking for Passion is fueled by self love and would be dealt a mortal blow by selfishness Romance is when they get totally lost in a moment with each other a moment made sacred for just the two of them Their romantic bond is from one heart to another one mind to another and definitely one soul to another So when our characters feel romance for real they should treasure it always the right way as something special between just the two of them The true love our characters in this novel mutually felt is wealth money can't buy There's a primary reason why Eros that mischievous God was believed by Greek Mythology to be the brother of Chaos The ancient mythologists understood the power of all forms of love Erotic desire is fierce and wild When friendships like that of Grayson Schiff and Kaytlyn Robertson become both familial and wild we have a dangerous animal on the loose The object of their desire should not be with each other but it was Did Grayson want to be more than just friends Was he only infatuated by the beauty of Kaytlyn who was engaged to Landon Hartstein As friends they stand side by side not looking deeply into each other's eyes only outward to shared interests This boundary established between them was one they each wanted to cross but unknown circumstances prevented them from doing so Like many friends who are smitten they each mistake these signals and fall into erotic patterns that nearly end their friendship forever When Grayson focused his love craving at his new found friend he threatened the integrity of their friendship and entered into a dangerous liaison Grayson fell in love the night he first met Kaytlyn She was cold and wet her hair matted and had thoughts of ending it all Her plunge from the bridge almost happened but he saved her in the nick of time Their attraction to each other was palpable intense and circumscribed by their commitments to other people Hers with Landon Hartstein and his with Abigail McCarthy The absence of sex only made the heat stronger between the two Their romantic bond is from one heart to another one mind to another and one soul to another Finally when two people feel the romance is real they will treasure it always the right way as something special between only the two of them But the question to ask is Which two **Lost Within** Sylvia Garza, 2013-03-05 Lost Within invites us to pursue a relationship with the Lord This relationship is built through prayer fasting reading and spending time with Him The knowledge you obtain because of this relationship with the Lord can transform your life The Holy Spirit will teach you the authority that you can obtain and change your circumstances through the power of prayer See His plan unveiled among some of His people in exile Prepare as warriors of God's army and let your voice echo Lost Within will inspire and motivate you to seek and search His heart The heart of a champion is in those who trust the Lord Knowing God is worth seeking and in

seeking you will find a true friend **Current Literature** ,1918 *Commentary on the Gospel of Mark* W.N. Clarke,2024-02-05 Reprint of the original first published in 1881 **The Magazine of Poetry and Literary Review**

Charles Wells Moulton,1892 *An American Commentary on the New Testament* Alvah Hovey,1881 **If Only We Could See** Gary Commins,2015-10-12 This analytical polemical and personal book creates a lively interaction between mysticism and activism Looking beyond superficial links between spirituality and justice it creates an in depth engagement of mysticism as an inner revolution and activism as a mirroring socioeconomic transfiguration Based on the twin premises of the mystical tradition and Social Gospel liberation theology that those who experience God in prayer or engage in social action ought to be our primary theologians it examines what these two traditions say about theology to each other and to us The broad synthesis that results from this fascinating dialogue brings new insights into mysticism activism theology and ethics and casts a unique light on how we pray and live If Only We Could See brings together a wealth of spiritual material from the early Desert medieval mystics and modern spiritual writers alongside an equally rich resource of abolitionists anti apartheid activists civil rights leaders nonviolent change agents and peacemakers The results yield valuable insights for a theology that challenges every personal and political status quo **The Moonstone** Wilkie Collins,1868 **Searchlights from the Word** G. Campbell Morgan,2010-04-01 1188 sermon suggestions One from every chapter in the Bible Morgan s expositions sparkle as they enhance Bible texts from every chapter in the Bible Concise and delightfully free of redundancy these selections reveal the master expositor s keen analytical insight into God s Word To encourage preachers and Bible teachers to develop their own sermon and lesson themes creatively the author mentions that these are sermon suggestions not sermons or sermon outlines He intentionally left the notes untitled preferring to let the text of Scripture be their only caption These penetrating truths firmly anchored in Scripture are best described by G Campbell Morgan himself On every page of the God breathed Writings there are many thoughts which stretch out like long clear arms of light across the darkness discovering things which otherwise were hidden and often illuminating wider areas than those of the immediate context They are searchlights From the multitude of these I have selected one in each chapter of the Bible Perhaps the work will also serve to illustrate a method of showing how focal points of radiating light gather their radiance from the context **Trophy Wife** M. K.
