Evidence of Things Not Seen Lindsey Lane, 2025-06-25 When high school junior Tommy

Smythe goes missing everyone has a theory about what happened to him He was an odd kid often deeply involved in particle physics so maybe he just got distracted and wandered off He was last seen at a pullout off the highway so maybe someone snatched him Tommy believes that everything is possible and that until something can be proven false it may be true So as long as Tommy s whereabouts are undetermined he could literally be anywhere Told in a series of first person narratives from people who knew Tommy Evidence of Things Not Seen by award winning author Lindsey Lane explores themes of loneliness connectedness and the role we play in creating our own realities *If I Built a Town* Chris Van Dusen,2025-09-30 It has been 20 years since the classic If I Built a Car was published and now here s a companion read aloud that s even more joyful and inventive My town will be swanky My town will be swell My town will be prized as the best place to dwell says Jack to the mayor one day as he describes his plans for improving their community And what a town he has dreamed up The zoo is packed with fantastic Jurassic and mythical creatures the mail is delivered by super fast hover vans the health clinic travels right to your door and a parade passes through each and every week And don t forget the robots All of Jack s plans include the most exciting and useful serving machines But most of all wait till you see the beach Jack s over the top creativity and infectious enthusiasm will inspire budding young inventors It s a storytime romp that you ll want to return to again and again

Horseless Age ,1909 A Contemporary Autobiography of a Science Educator Scott D. Robinson,2008-01-01 A

Contemporary Autobiography of a Science Educator reminds readers that they teach who they are and understanding who they are is fundamental for meaningful communication and effective classroom instruction The book is for science educators teacher educators and others who wish to examine their own personal and professional identities in the social and cultural contexts in which their lives are embedded Just as teaching can be viewed as relationship with others this contemporary autobiography is situated on the significance of relationship with self As a contemporary autobiography the narrative reveals the author s subjective truths while digging deeply into psychosocial motives of power and intimacy The author reflects on his personal choices and career decisions that led him into and out of high school science teaching The book contains stories and reflections from summer work camp experiences undergraduate college days teacher preparation episodes and high school science teaching Story themes are diversity and leadership group identity and motivation urban teaching and teacher preparation and high school science teaching These themes evolve out of nuclear episodes of the author s storied life that brings present day understanding and meaning from past actions and interactions This kind of critical introspection may hold special relevance for teachers teacher educators and others who wish to make their own identities salient and relevant to their own needs and interests as well as the needs and interests of students teacher candidates and clients whom they serve
