Placing Charlotte Smith Elizabeth A. Dolan,Jacqueline M. Labbe,2020-12-30 Placing Charlotte Smith offers new insights into how Romantic era author Charlotte Smith expressed a cosmopolitan vision of place in an era of intense nationalism The authors examine Smith s place as a writer in her time and the way she helped to make place a thing of social and literary importance Luther's Liturgical Music Robin A. Leaver,2017-01-01 Martin Luther s relationship to music has been largely downplayed yet music played a vital role in Luther s life and he in turn had a deep and lasting effect on Christian hymnody In Luther s Liturgical Music Robin Leaver comprehensively explores these connections Replete with tables figures and musical examples this volume is the most extensive study on Luther and music ever published Leaver s work makes a formidable contribution to Reformation studies but worship leaders musicians and others will also find it an invaluable very readable resource **Music and the Renaissance** Philippe Vendrix,2017-07-05 This volume unites a collection of articles which illustrate brilliantly the complexity of European cultural history in the Renaissance On the one hand scholars of this period were inspired by classical narratives on the sublime effects of music and on the other hand were affected by the profound religious upheavals which destroyed the unity of Western Christianity and in so doing opened up new avenues in the world of music These articles offer as broad a vision as possible of the ways of thinking about music which developed in the fifteenth and sixteenth centuries Martin Luther's Theology of Beauty Mark C. Mattes,2017-08-22 Many contemporary theologians seek to retrieve the concept of beauty as a way for people to encounter God This groundbreaking book argues that while Martin Luther s view of beauty has often been ignored or underappreciated it has much to contribute to that quest Mark Mattes one of today s leading Lutheran theologians analyzes Luther s theological aesthetics and discusses its implications for music art and the contemplative life Mattes shows that for Luther the cross is the lens through which the beauty of God is refracted into the world **Essays on the Nature and Principles of Taste** Archibald Alison,1853
