

3. How can I use InQuizitive to learn more effectively?

Find the Question Confidence slider (to the right if you're on a computer, or at the bottom on a smartphone). Try sliding the ball to adjust your confidence level. You determine how many points you can gain or lose on each question by adjusting this slider.

Game-like elements aren't meant just to make InQuizitive more fun. Studies show that pausing to **reflect on your own learning** leads to greater success in a course because you gain more awareness of which concepts or topics you understand and which you may need to study more.

Match the number of points you can lose or earn to the confidence level.

Drag each item on the left to its matching item on the right.

G. Wells: Collected Novels, Short Stories, Essays & Articles H. G. Wells, 2023-12-06 H G Wells

Collected Novels Short Stories Essays Articles presents a comprehensive anthology showcasing the remarkable breadth of Wells's imaginative vision which not only defined the science fiction genre but also critiqued contemporary society. Spanning diverse themes from dystopian futures in *The Time Machine* to sociopolitical commentaries in *The War of the Worlds*, Wells employs a vivid narrative style that combines speculative storytelling with philosophical undertones. This collection is a testament to Wells's keen insights into the anxieties of the modern age evident in his richly developed characters and pioneering scenarios revealing both the promise and peril of progress in the early 20th century. H G Wells often hailed as the father of science fiction was born in 1866 in Kent England. His experiences as a schoolmaster and journalist coupled with his passion for social reform propelled him to explore the intersection of technology and human experience. Wells's background in both science and literature enables him to weave intricate tales that challenge the status quo while drawing upon scientific advancements and their ethical implications reflecting the concerns of his era. This exceptional anthology is a must read for anyone interested in the roots of speculative fiction and social commentary. Wells's works remain as relevant today as they were over a century ago urging readers to ponder the implications of their own realities. Dive into this collection to discover the profound insights of one of literature's most influential minds **The posthumous papers of the Pickwick club.**
