Desires of the Heart Richard Harmon, 2008-07 *Desires of the Heart* is about the completeness that God has brought to each of us through the death and resurrection of Jesus Christ At the same time it discusses some of the issues that cause Christians to be defeated in their everyday lives It is predominately based on a simple truth God's own Word has already established His promises about each of us and if we will allow the truth of these promises to enter into the inner man it changes the desires of our hearts and the direction of our lives Likewise the promises also have the capability of overpowering a sinful nature and making us exactly into the people that are pleasing to God God will never change His mind about these promises and they are available for everyone who chooses to believe Him because of the sacrifice of Jesus Christ The author had a somewhat religious upbringing and came to know salvation as a teenager But preoccupation with the concerns of life caused him to have a mediocre understanding of what salvation really meant Being weighed down with getting an education and working for a living it would be years before he realized this lifestyle was not God's way for him Through several events it became apparent God wanted to carry these cares and have a closer relationship with him It was during this time through the Holy Spirit he was led to quit his job write a book called *Desires of the Heart* and have it published by Tree of Life There was no such publishing company but 3 years later when the book was finished God showed him Xulon Press The Greek word xulon means tree as it refers to Tree of Life in the Bible
