Giant Hours With Poet Preachers:

Giant Hours with Poet Preachers William L. Stidger, 2019-12-13 In *Giant Hours with Poet Preachers* William L. Stidger intricately weaves together autobiographical reflections and critical insights into the lives of renowned religious poets. Stidger's literary style is marked by a rich contemplative tone that invites readers into deep spiritual discussions while maintaining an accessible and engaging narrative. The book situates itself within the literary context of early 20th century American literature, a period characterized by a burgeoning interest in spirituality and the role of poetry in expressing existential musings. Through a blend of personal anecdotes and well-researched evaluations, Stidger elevates the voices of these poet preachers, illuminating their significant contributions to both literature and theology. William L. Stidger, an influential figure in the realms of philosophy and literature, served as a pastor and educator; experiences that profoundly shaped his understanding of the interplay between faith and the written word. His reverence for both poetry and preaching is reflected in his passionate exploration of how these two realms can converge to touch the human spirit. Stidger's background in ministry gives him a unique lens through which he experiences and analyzes the works of poets who grappled with divine themes. For readers seeking a deeper understanding of the relationship between literature and spirituality, *Giant Hours with Poet Preachers* is an essential read. Stidger's deft handling of both thematic depth and poetic analysis provides a compelling narrative that encourages introspection and enriches one's appreciation for the artistry found in religious poetry. This book will resonate with scholars, aspiring poets, and anyone with a thirst for spiritual enlightenment. [Giant Hours with Poet Preachers](#)

William L. Stidger, 2023-07-08 Reproduction of the original **Selected Poems of Francis Thompson** Francis Thompson, 2019-11-29 In *Selected Poems of Francis Thompson*, the reader is invited to explore a rich tapestry of themes ranging from the ethereal to the profoundly human. Thompson's literary style is characterized by its intricate imagery, masterful use of meter, and a deep philosophical undercurrent that often reflects his struggles with faith and existence. This collection not only showcases his adeptness at weaving the personal with the universal but also situates him within the Victorian poetic renaissance, where emotional sincerity competes with formal complexity. Through keen observations, Thompson's work resonates with the soul's yearning for connection amidst the chaos of modern life. Francis Thompson, born in 1859 in England, was a poet whose life was marked by personal hardship, including a tumultuous battle with addiction and homelessness. These experiences profoundly influenced his writing, imbuing his poetry with a visceral authenticity and emotional depth. Notably, his most famous poem, *The Hound of Heaven*, captures the relentless pursuit of divine love, reflecting Thompson's struggle between despair and redemption. Educated in medicine, his shift to poetry reveals his innate sensitivity to the human condition, a quality that permeates his work. *Selected Poems of Francis Thompson* is an essential read for anyone seeking to understand the complexity of human emotions and the search for the divine. This collection will resonate with both admirers of Victorian poetry and newcomers alike, offering profound insights into the struggles of the human spirit.
