religious women The death of her father while she was still a baby has caused her to seek out the extreme in men and that is what she finds in Father Cyprian a priest whom Felicitas visits during summers in upstate New York The charismatic Cyprian fosters the young girl's gifts and intelligence but no lover of worldly things he demands a severe loyalty

When Felicitas comes of age and begins her studies at Columbia everything seems poised to change At the university she falls under the spell of another domineering man a professor surrounded by young activist acolytes and this time the stakes couldn't be higher

The Company of Women is a story of dangerous attachments and challenged faith and of finding an endurable future

The World in the Curl Peter J. Westwick, Peter Neushul, 2013-07-23 Draws on decades of experience and the popular team taught courses at the University of California at Santa Barbara to trace the cultural political economic and environmental aspects of surfing while evaluating the diverse range of influences that have rendered the sport a billion dollar worldwide industry

Golden State, Golden Youth Kirse Granat May, 2010-03-15 Seen as a land of sunshine and opportunity the Golden State was a mecca for the post World War II generation and dreams of the California good life came to dominate the imagination of many Americans in the 1950s and 1960s Nowhere was this more evident than in the explosion of California youth images in popular culture Disneyland television shows such as The Mickey Mouse Club Gidget and other beach movies the music of the Beach Boys all these broadcast nationwide a lifestyle of carefree wholesome fun supposedly enjoyed by white middle class suburban young people in California Tracing the rise of the California teen as a national icon Kirse May shows how idealized images of a suburban youth culture soothed the nation's postwar nerves while denying racial and urban realities Unsettling challenges to this mass mediated picture began to arise in the mid 1960s however with the Free Speech Movement's campus revolt in Berkeley and race riots in Watts In his 1966 campaign for the governorship of California Ronald Reagan transformed the backlash against the dangerous youths who fueled these actions into political triumph As May notes Reagan's victory presaged a rising conservatism across the nation

Kathy Acker and Transnationalism Polina Mackay, Kathryn Nicol, 2009-03-26 Since Kathy Acker's death in 1997 the body of critical work on her fiction has continued to grow and even to flourish The continuing critical attention that her work has received is testament both to the complexity and intellectual scope of her many artistic and critical projects and to the continuing relevance of her concerns and ambitions in the recent and contemporary world a world that her fictions prefigure and interrogate in ways that we perhaps could not have recognized during her lifetime This collection of essays provides readers with access to a range of critical and theoretical essays that present a detailed analysis of transnationalism in Kathy Acker's fiction A wider aim of this book is to locate Acker's work in the context of current debates on transnationalism postnationalism and global identity Kathy Acker and Transnationalism therefore constitutes a timely reappraisal of an important American writer and a contribution to the growing field of studies in transnationalism
