If Ye Shall Ask

John Tillotson

If Ye Shall Ask:

If Ye Shall Ask...[First Edition] Oswald Chambers,2018-09-03 Originally published as If Ye Shall Ask this small book on prayer comprises lectures Chambers gave at the Bible Training College in London where he focused on all aspects of prayer from prayer s simplicity to intercessory prayer for others He believed that prayer changes the one praying as much as prayer moves the hand of God The foreword introduces readers to a simple man of keen insight who regardless of who he was with or what they were doing without warning would say Off with your hats it is good to pray everywhere followed by a brief prayer Chambers was a spiritual realist who believed prayer enabled God to perform His order through those who pray even though he didn t consider prayer a natural function of the worldly minded However he knew prayer was a way of getting to know God that would develop the life of God in those who prayed This powerful book on prayer filled with wisdom and keen perception is one to savor slowly and return to time and time again Written by a devout man of God who shows us what we are missing when we don t have the life of God in us There aren t enough stars to value its worth whether five ten fifty or a hundred Cited from review by Gail Welborn Seattle Christian Book Review Examiner *The Gospel According to S. John* Solomon Caesar Malan,1862 **The Works of the Most Reverend Dr. John Tillotson ...** John Tillotson,1717 **The Works of John Tillotson...** John Tillotson,1757 What Jesus Says: Being an Arrangement of the Words of our Savior Frank Russell,2024-01-31 Reprint of the original first published in 1875 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost **Prayer** Gerald McDaniel,2019-03-20 We are now living in a world that is turning more attention to physical motions and physical procedures in what they think is necessary for prayer rather than on God who listens to their prayers The world has turned the procedure of prayer into a ritual most likely because of not getting answers to their prayers By some religions there are prayer rugs prayer cloths burning candles chanting and special postures and positions in prayer There are special motions with their hands and special beads and all of which are totally unbiblical The world has fallen in love with their rituals before during and after prayer more than in God who listens to their prayers They are more concerned with their rituals than receiving answers to their prayers and getting help from God when they pray **Works** John Tillotson,1722 Discovering Christ Richard N. Skousen,2022-04-18 No one is more important to us than our Savior Jesus Christ He is the only means of our salvation He is our everlasting example How can we follow Him and grow to become more like Him It s impossible to become like someone whom we don t truly understand When pondering about our Savior are we able to answer these vital questions Who is He What is He like What are His fundamental attributes What does He believe and what did He teach How did He handle the adversity trials rejection and temptations that He faced in His life How can this knowledge help us in our own trials and temptations We can turn to three sacred sources to discover who our Savior is the scriptures the teachings of the prophets and the commandments He

has given us As we study His attributes from these sources our understanding will expand and our lives will improve significantly Each chapter in this book focuses on one of our Savior s attributes concluding with powerful suggestions demonstrating how we can obtain these same qualities As we apply His attributes in our lives we will become more like Him As we become more like Him we will come to know Him better and we will be filled with power from heaven Discovering Christ can lead each of us to a richer life a life filled with light peace and joy *The Dial* Moncure Daniel Conway,1860

The Englishman's Greek Concordance of the New Testament George V. Wigram,1996-01-01 This is the Greek concordance for non specialists Every Greek word in the New Testament is listed in Greek alphabetical order along with a brief rendering in English of every verse in which that word appears One major improvement each Greek word is defined so you can compare its various English translations Entries are coded to Strong s Concordance for additional assistance *The Englishman's Greek Concordance of the New Testament; being an attempt at a verbal connexion between the Greek and the English texts, etc. [By George V. Wigram, assisted by William Burgh.] L.P. ,1839* *The Englishman's Greek Concordance of the New Testament* George V. Wigram,1868 *Religion Vs Christianity* Steven Channing,2008-04 It has been said that an 8 year old should be able to understand all but about 80 of the terms within the Holy Bible So why then is it so difficult for an adult With so many bible versions out there is there a right or a wrong one Who is Jesus and what did he have to say about such issues Who is the Holy Spirit which is spoken of by Christians And as of touching upon Christians who are they What do they believe in Where are they right Where are they wrong Are there doctrines which won t hold up Inside of this book are the foundational building blocks to finding out the truth in these questions and many more Are we all under the same God but just serving him in different ways or for that matter who or what is this God Every religion has its own version Even the Atheists could learn something from this book This book should help to expose hypocrisy for what it truly is If you have ever had any questions about how to deal with those who would try to impress their religion upon you then read this book It will start to expose the hidden truths in Religion versus Christianity The things which the people of this world do not want you to know This book is not propaganda but rather a search for the truth behind religious belief systems Years of research are at your fingertips you now have a guide to get you started What you don t know can hurt you but what you think that you know may be worse yet The Reality of Prayer Edward M. Bounds,2016-11-22 Too often we think of prayer in only the human dimension as a means of edification or spiritual empowerment but prayer in fact is a mostly spiritual thing where it impacts many different aspects of life and spirit Bounds expounds on this brilliantly and uses both Christ and the Holy Spirit as examples of and the expositors of our prayers to the Father *Awake My Heart* J. Sidlow Baxter,2017-01-10 Awake to worship with the morn And consecrate thy day new born Again at eve in prayer be found As shadows curtain earth around The purpose of *Awake My Heart* is to aid in constant and practical communication with God and to present Christians with solid thought provoking devotional material Word Studies in the New Testament: The writings of John Marvin Richardson
