If You Must Speculate Learn The Rules:

If You Must Speculate, Learn the Rules Franklin J. Williams, 2005-12-01 Haphazard dabbling in stocks by amateur traders undoubtedly is dangerous The odds are all in favor of losing money The risks can be greatly reduced if the trader only would make some attempt to learn the rules of the game Driving an automobile is dangerous and few people attempt it without first learning something of the mechanism of the car But any death dealing machine can be made safe through knowledge of its working parts and possibilities from the Foreword There are common sense rules for even the most daring investment speculation even in a precarious economic environment as in the wake of the dramatic stock market crash of 1929 This guide to smart speculating offers sound advice on determining whether you re really cut out for speculation what warning signs in your financial situation should steer you toward safer investing the best way to use margin trading how to find reliable information on stocks why you should shun all tips why you should be a bad loser and much more Not just a historical guide to one of the most unstable periods in American economic history this is a useful primer for today s investor too If You Must Speculate, Learn the Rules Frank Joseph Williams, 1934 *Investment Psychology Explained* Martin J. Pring, 1995-11-03 Expert advice in a back to basics handbook on how to beat the market the classic way In *Investment Psychology Explained* Martin J Pring one of the most respected independent investment advisors in the world argues that in the revisionist 90s there are no quick magical paths to market success Rather he emphasizes the timeless values of hard work patience and self discipline and much more Drawing on the wisdom of creative investors such as Jesse Livermore Humphrey Neill and Barnard Baruch as well as his own experience Pring shows how to Overcome emotional and psychological impediments that distort decision making Map out an independent investment plan and stick to it Know when to buck herd opinion and go contrarian Dispense with the myths and delusions that drag down other investors Resist the fads and so called experts whose siren call to success can lead to disaster Exploit fast breaking news events that rock the market Deal skillfully with brokers and money managers Learn and understand the rules that separate the truly great investors and traders from the rest Reading *Investment Psychology Explained* will give you a renewed appreciation of the classic trading principles that through bull and bear markets have worked time and again You ll see with the help of numerous illustrative examples what goes into making an effective investor and how you can work toward achieving that successful profile *The Trump Factor* Brad Thomas, 2016-10-04 Never before has America or the world seen an individual so creative so focused and so determined The Trump Factor is a must read for any American interested in what Donald Trump has truly accomplished over 5 decades The sheer magnitude of the portfolio is compelling Trump is constantly faced with the complexities of multiple mixed use skyscrapers in gateway cities with enormous barriers to entry Completing just one of these projects would give a developer great pride yet this is an entire portfolio of them Donald J Trump has a powerful combination of architectural vision financial genius and unparalleled persuasiveness among innumerable other tools to create a masterpiece
