All the Commandments of God—Volume Ii Dr. Esther V. Shekher, 2018-12-11 A CHECKLIST OF NEW TESTAMENT COMMANDMENTS As a long time television producer and host I am required to consider hundreds of books each year for my daily Homekeepers program No one has ever made the profound impact on my own life like Dr Esther V Shekher and her books ALL THE COMMANDMENTS OF GOD Volumes 1 and 2 The first time I looked

through them I realized that she has highlighted an important truth sorely needed in the church today Volume 2 dissects the writings of the Apostle Paul spotlighting the blessings of obedience along with the consequences of disobedience These books uniquely formatted are a refreshing rain in a desert of writings about earthly prosperity and self fulfillment They offer a valuable Biblical resource whether used for personal benefit a group setting or pulpit series Arthelene Rippy CHRISTIAN TELEVISION NETWORK The Holy Bible emphasizes that blessings of God will overtake us only when we obey God s commandments There is nothing more important than obeying the commandments of God and thereby receiving all the blessings of God Some of the important topics covered in this divinely inspired book are How not to live in the futility of your mind Salvation the gift of God and not of your works Take your stand against the devil s schemes Supernatural occurrences during the rapture and second coming of Christ be rapture ready You are complete in Christ Walk worthy of your calling Jesus accepts you just as you are This practical book will definitely be a blessing to all those who read it especially to those who long for a much deeper walk with the Lord

A. Clarke Thornley Smith,1881 *Kasia's Story* Ken Parejko,2023-11-25 After the death of her husband Katarzyna Weiglowska Kasia begins to find her own way in the world She and Melchior a bookish couple more interested in big ideas than new furniture had taken their first steps toward answering the question of whether the God in the Church was the same God they found in their hearts No longer in need of their big house in Krakow Kasia accepts an offer from Mosche Fiszel an old friend and customer of her husband s to move among his Jewish neighbors in Kazimierz The adventure of living as a Christian in a Jewish community and exploring Mosche s brand of spirituality helps to fill an emptiness in her heart On a trip to Silesia to visit Melchior s dying brother she and her son Andrzej cross paths with religious reformers Kasia joins a community who question their faith by attending salons held by free thinkers from Krakow s University She is shaken deeply when she learns that some of the reformers she has met have been executed for their beliefs But her letters to them asking deep questions about her faith have been intercepted by the Church She is tried for suspicion of heresy While in prison and after much soul searching she recants her apostasy and is released with the warning that the next time it will not go so easily for her Almost a decade later as the Polish legislature debates the question of what to do with the Jews who are competing with Christian merchants and it is said proselytizing their religion Kasia becomes the first woman invited to address the Polish Sejm When she throws Christ s words at them reminding them that the true Christian loves his or her neighbor she becomes persona non grata to the conservatives is re-arrested tried again and sentenced to burn as an unrepentant heretic Meanwhile in parallel chapters Poland s new queen Bona Sforza struggles to adapt to the Polish climate and culture Her relationship as a child with Leonardo daVinci come to Milan to paint his Last Supper remains a touchstone of her life Married to the much older King Zygmunt Bona struggles to protect herself her inheritance and her children by building her own power base at Wawel Castle

At her husband's request she begins a correspondence with the Ottoman Sultan Suleiman's wife Roxelana a Polish woman captured in a slave raid To strengthen her political base against her husband's she establishes a surreptitious line of communication with Istanbul a dangerous and potentially treasonous act Kasia's and the Queen's stories intersect when Kasia's fate falls into the Queen's hands After a miscarriage throws her into her own religious doubts will she follow her conscience and have Kasia released or will she give in to political expediency and hand the old woman over to the Church

Returning to the Valley of the Vanantaka River

Eeva Margareta Nevanlinna,2025-04-07 A love story a song a testimony of a woman's journey from childhood to adulthood from the riverbanks of her earliest memories back to the hill and the lowlands where she first grew up in the north Returning to the Valley of the Vanantaka River is an autobiographical account about the challenges and victories she encounters on her way to personal freedom The book will both move and amuse it will make you laugh and it will make you cry Gentle humor softens the author's at times relentless questioning about the nature of reality and the worth and value of human beings in an ever changing world
