Register of Copyrights and Trade Marks ,1914 Innocent Marie Corelli,2015-12-01 The author who wrote under the name Marie Corelli had a lot to say about the concept of illegitimacy and out of wedlock births as she herself is believed to have been born under these circumstances She addresses these sensitive subjects head on in *Innocent* a parable like novel about a young woman whose purity and inherent goodness shine through despite the social stigma surrounding her **The Canada Gazette** Canada,1914 **Marie Corelli: Modernism, Morality, and Metaphysics** Carol Margaret

Davison,Elaine M. Hartnell,2020-09-10 This collection reappraises and retheorizes Marie Corelli s diverse fictional writings and locates them in their contemporary literary and social context Marie Corelli 1855 1924 was a fabulously popular novelist in the late nineteenth and early twentieth centuries Yet in her day critics railed against her taste for sentimentality melodrama supernatural worlds and overt didacticism Many critics are still ambivalent about her writing However in their reappraisal the contributors to this volume largely circumvent the earlier critics and engage afresh with Corelli s writing strategies genre choices representations of social issues and ideas about science metaphysics and morality Moving beyond the now outdated project of recovery the volume also discusses Corelli s literary market place analysing both her publishing

successes and her decline in popularity An important theme throughout is Corelli's troubled relationship with an emerging literary Modernism and an ever widening gulf between high and popular culture The contributors interrogate the critical templates assumptions and biases of a literary establishment past and present centred on Modernist tropes and structures As a result the Corelli they unearth is not a defective Modernist but an innovative and original writer who eschewed the dictates of a movement with which she had no empathy This book was originally published as a special issue of *Women's Writing*

Maier, 2019-04-30 With the purpose of introducing Marie Corelli to a new generation of readers and of reconsidering her works for generations familiar with them *Reinventing Marie Corelli for the Twenty First Century* demonstrates how provocative the author was as a public figure and how controversial and paradoxical were the views about womanhood and the supernatural pitched in her novels This collection of original essays focuses on three major battles that engaged Corelli her personal and public contentions her mercurial constructions of gender and resistance to the New Woman modality and her untenable reconciliation of science with the supernatural Corelli was often fighting several fronts at the same time she rarely was not at war with someone including herself
