José Manuel Carbonell

Inolvidables Veladas:

Inolvidables veladas Marcelo Cohen,1996 Mientras pudo actuar en vivo la romantica arrogante disoluta y voluble Camelia Subirana fue el prototipo de la cantante de tangos y dejo su leyenda en el Barrio de Tango Pero mientras Camelia Subirana vegeta en una residencia geriatrica el poderoso consorcio Santhuria que la controla desde joven ofrece en el teatro Luna y Misterio un espectaculo en que actua un holograma de Camelia acompanada por musicos reales Santhuria considera que amistad coraje entereza y pasion los valores del tango pueden resolver un dilema de identidad y de paso desatar una beneficosa moda Entre tanto Golo el hijo de Camelia fracasado musico e indiferente a los valores del tango esta sometido a un curioso experimento por Georges LaMente un enigmatico maestro espiritual que trabaja para Santhuria The Contemporary Spanish-American Novel Will H. Corral,Juan E. De Castro,Nicholas Birns,2013-09-26 The Contemporary Spanish American Novel provides an accessible introduction to an important World literature While many of the authors covered Aira Bola o Castellanos Moya V squez are gaining an increasing readership in English and are frequently taught there is sparse criticism in English beyond book reviews This book provides the guidance necessary for a more sophisticated and contextualized understanding of these authors and their works Underestimated or unfamiliar Spanish American novels and novelists are introduced through conceptually rigorous essays Sections on each writer include the author s reception in their native country Spanish America and Spain biographical history a critical examination of their work including key themes and conceptual concerns translation history scholarly reception The Contemporary Spanish American Novel offers an authoritative guide to a rich and varied novelistic tradition It covers all demographic areas including United States Latino authors in exploring the diversity of this literature and its major themes such as exile migration and gender representation

The Polyphonic Machine Niall H.D. Geraghty,2019-01-29 Focusing on the work of the Argentine authors Cesar Aira Marcelo Cohen and Ricardo Piglia The Polyphonic Machine conducts a close analysis of the interrelations between capitalism and political violence in late twentieth century Argentina Taking a long historical view the book considers the most recent Argentine dictatorship of 1976 1983 together with its antecedents and its after effects exploring the transformations in power relations and conceptions of resistance which accompanied the political developments experienced throughout this period By tracing allusive fragments of Argentine political history and drawing on a range of literary and theoretical sources Geraghty proposes that Aira Cohen and Piglia propound a common analysis of Argentine politics during the twentieth century and construct a synergetic philosophical critique of capitalism and political violence The book thus constitutes a radical reappraisal of three of the most important authors in contemporary Argentine literature and contributes to the philosophical and historical understanding of the most recent Argentine military government and their systematic plan of state terrorism

Cult Movies 1 Vicente Muñoz Álvarez, 2013-09-15 Como el subtítulo indica estamos ante un catálogo de películas para llevarse al infierno cintas de malas hipnóticas desasosegantes films que sacuden al espectador por lo extraño o por lo insólito por lo novedoso e incluso por lo insospechado No se trata de un listado de los mejores títulos de la historia del cine muchas de las películas que figuran en Cult Movies 1 seguramente no destaquen por su calidad por su belleza y mucho menos por su desarrollo comercial hay sin embargo en todas ellas un poder de atracción incatalogable que a lo largo de los años las ha rodeado de admiradores fascinados de acólitos de fieles En último caso en todas ellas se refleja en mayor o menor grado el underground la contracultura la expresión estética al margen de las normas admitidas que tan querida le es al autor Cult Movies 1 es en gran medida la declaración de intenciones de un escritor inquieto que como los hacedores de estas películas consideran que siempre hay y siempre queda un resquicio por el que colarse y un camino que recorrer El autor no contemplaba una segunda parte que posteriormente vio la luz y que esta misma editorial también se ha encargado de reeditar Cult Movies 2 Películas para la penumbra De ahí el número 1 en el título de este libro
