Insanity and the Criminal Law William Alanson White, 1923 **Insanity as a Defense in Criminal Law** Henry Weihofen, 1933 **The Insanity Defense** Abraham S. Goldstein, 1967-01-28 The insanity defense has become the most passionately debated issue in criminal law a debate marked by slogans and stereotypes Mr Goldstein offers a reasoned study of that debate and the current rules behind the law as well as a careful examination of what might be expected from any new rules now proposed **The Matrix of Insanity in Modern Criminal Law** Gabriel Hallevy, 2015-06-30 This book challenges the assumptions of modern criminal law that insanity is a natural legally and medically defined phenomenon covering a range of medical disorders By doing so it paves the way for a new perspective on insanity and can serve as the basis for a new approach to insanity in modern criminal law The book covers the following aspects the structure of the principle of fault in modern criminal law the development of the insanity defense in criminal law tangential in personam defenses in criminal law and their implications for insanity and the legal mechanism of reproduction of fault The focus is on the Anglo American and European Continental legal systems Given the attention consistently drawn by international and domestic events in this context the book will be of interest to a broad and growing international audience **Insanity and the Criminal** John Cuthbert Goodwin, 1924 This book resumes the discussion of crime though on a different plan at the point where my book *Sidelights on criminal matters* ended Author's preface *Insanity and the Criminal Law* Dorothy Louise Campbell Culver Tompkins, 1960 **The Insanity Defense** Mark D.
