Ghosts along the Mississippi River Alan Brown, 2011-09-01 Some of the nation s most compelling ghost stories owe their origin to *The Father of Waters* *Ghosts along the Mississippi River* is the first book length collection of ghost tales from the small towns and bustling cities that have grown up along its banks The states represented in this book include Arkansas Illinois Iowa Louisiana Minnesota Mississippi Missouri Tennessee and Wisconsin Unlike most collections of true ghost stories *Ghosts along the Mississippi River* draws from the folk traditions of the northern and the southern United States These tales are populated with Federal and Confederate soldiers Native Americans wealthy entrepreneurs actors college students hotel owners preachers slaves and planters According to some paranormal investigators the large number of ghost stories from the Mississippi s river towns and from watery sites all over the world are proof that large bodies of water are conductors of psychic energy Granted no concrete proof exists that there is a definite connection between the river and any actual ghosts or spiritual phenomena What is indisputable though is the fact that the ghost stories included in *Ghosts along the Mississippi River* are an invaluable record of the values dreams fears and lives of the people who have called the river home *Elvis by the Presleys* Priscilla Beaulieu Presley, Lisa Marie Presley, 2005 Family photos reminiscences and still life photography of Elvis s possessions ***Elvis by the Presleys*** Priscilla Presley, Lisa Marie Presley, 2020-02-18 An intimate account of legendary entertainer Elvis Presley featuring stunning photography and exclusive stories from Priscilla Presley Lisa Marie Presley and more Behind the King of Rock and Roll was a husband father son cousin friend and spiritual seeker In *Elvis by the Presleys* those who knew him best come together to memorialize our greatest star featuring hours of exclusive family interviews Elvis quotes and private family photographs and images of personal memorabilia from the archives of Graceland Elvis Presley Enterprises *Elvis by the Presleys* reveals life at Graceland like never before Graceland is seen as a teeming family retreat where the kitchen was the center of operations where tag football games were played in the yard where folks

drove golf carts up and down the hills and where Elvis spent many of his happiest times We witness the arc of his love affair with Priscilla Elvis as a father to his adored Lisa Marie his obsessions and passions and the strength of his musical legacy which continues unabated to this day There are Christmas cards here too contracts and invoices selections from Lisa Marie s childhood scrapbook and even a picture of the champagne bottle signed from Elvis and Priscilla s wedding Elvis by the Presleys is the tumultuous story of the life of a lovely yet complex man a portrait of the career of a brilliantly accomplished yet often frustrated artist an insider s tale of enduring love related with warmth and unguarded candor and a story told the way only a family can tell it *Elvis Culture* Erika Doss,1999 Doss fine arts and American studies U of Colorado Boulder examines the image of Elvis from a number of perspectives including as a religious icon honored in household shrines as a sexual fantasy for women and men as an inspiration for impersonators as a not altogether positive emblem of whiteness for many blacks and as a commodity to be protected by Elvis Presley Enterprises Bandw illustrations Annotation copyrighted by Book News Inc Portland OR *The Keepers* Jeffrey B. The Rights War in Literature and Culture Jennifer Rickel, 2025-07-31 Rights War tracks how the human rights framework is weaponized against the oppressed and it makes the case for the central place of literature in understanding this seizure of narrative control While literary humanitarianism depoliticizes suffering and positions the reader as a savior to traumatized Others Rights War shows how contemporary fiction by women of color and queer writers across the African diaspora engage innovative narrative paradigms to address structural inequities It analyzes strategies set out in this literature for disarming savior victimism which it identifies as a pernicious cultural phenomenon in which the powerful proclaim themselves saviors to and victims of those they marginalize As the disassociation of national rights from international human rights and the disconnection of civil and political rights from social and economic rights provoke a contest of victimhood this book offers a renewed argument for the indivisibility of rights and the social justice function of literature
