

A red binder with a white label that reads "INSIDER INFORMATION" is the central focus. The binder is open, revealing a stack of papers with a blue header. In the foreground, a silver binder ring and a metal clip are visible. A black and silver pen and a blue pen are resting on a yellow notepad. The background is blurred, showing a green plant and a desk.

## **Inside Information:**

**Inside Information** ,1987      **Inside Information** Eshkol Nevo,2023-06-27 From the internationally bestselling author of Three Floors Up a novel of psychological suspense exploring the vagaries of love and relationships through three interlocking stories A honeymoon in South America that should have been romantic becomes more nightmarish by the minute A senior doctor at a Tel Aviv hospital feels a powerful inexplicable urge to protect a young female resident who has recently joined the internal medicine department A married couple goes out for their regular Saturday morning walk in the orchards on the outskirts of town The man walks back into the orchard for a moment and disappears without a trace Eshkol Nevo s darkest most thrilling novel to date Inside Information weaves together three turbulent and unconventional love stories diving deep into the enigma that lies at the heart of all intimacy whether between a man and a woman a parent and a child or a person and what they ve lost      **An Introduction to the Law on Financial Investment** Iain G MacNeil,2012-01-20

Since the publication of the first edition of this book in 2005 the world of financial investment has experienced an unprecedented boom followed by a spectacular bust Significant changes have been proposed and in some cases implemented in areas such as the structure of regulation the organisation of markets supervision of market participants and the protection of consumers The second edition takes account of these developments integrating them into an analytical framework that enables the reader to develop a critical overview of the role of general legal rules and specialised systems of regulation in financial investment The framework focuses on the role of contract trusts and regulation as the primary legal influences for financial investment The first part explores the relationship between investment law and regulation The second part examines the nature of investments and investors both professional and private The third part discusses the central role of corporate finance and corporate governance in linking investors with enterprises that require external capital The fourth part examines the nature operation and regulation of markets and the participants that support the functioning of the markets The objective remains to provide a broadly based and critical account of the role of law in financial investment MacNeil s eloquent and informative distillation of the regulatory fundamentals of investment law gives his book much international relevance a timely contribution to help readers decipher the seemingly inextricable maze of financial regulation Practitioners and legal policy advisers will welcome it They should find enlightening the book s careful scrutiny of the trust and contractual foundations of investment law and practice Benjamin J Richardson Journal of International Banking Law and Regulation Vol 22 Issue 1 2007 a fascinating and informative book thoroughly recommended as a learned but at the same time very readable introduction to the law of financial investment Gerard McCormack Banking and Finance Law Review Volume 21 No 2 June 2006 very informative tool that introduces in a very friendly and accessible manner the nearly inextricable world of financial investment laws Fadi Moghaizel International Company and Commercial Law Review Vol 17 No 2 February 2006      **Investigation of Conglomerate Corporations** United States. Congress. House. Committee on the

Judiciary. Subcommittee No. 5,1970      **Corporate Liability for Insider Trading** Juliette Overland,2019-03-05 Corporate Liability for Insider Trading examines the reasons why there have been no successful criminal prosecutions or successful contested civil proceedings against corporations for insider trading and analyses the various rationales for prohibiting insider trading It reviews the insider trading regulatory regime and describes its key features using both national and international examples The book inspects a variety of criminal and civil models of corporate liability and considers the historical and theoretical basis on which corporations are subject to insider trading laws The specific elements of the insider trading offence and the manner in which they are attributed to corporations are analysed in detail Defences available to corporations such as Chinese Walls are explored and the obligations that are imposed on businesses as a result of insider trading regulation security trading policies and notifications continuous disclosure obligations and duties concerning conflicts of interest are detailed and examined The book concludes with reform proposals intended to remedy the many legal and commercial difficulties identified in order that a new regulatory regime might be adopted to better serve regulators businesses investors and the broader market This volume addresses these corporate law topics and will be of interest to researchers academics financial institution compliance officers investment bankers corporate and comparative lawyers and students and scholars in the fields of commercial law corporate law financial crime company law and white collar crime      **A Brief History of Price** J. Hartwick,1993-09-20 This book is an attempt to explain to the layperson what contemporary economics is about It starts on the assumption that most economics is just refined common sense and clearly explains the key ideas associated with each issue All the main topics of academic economics are considered the theory of individual choice the labour market the competition between firms international trade economic growth the stock market unemployment and money The general principles are sketched first without maths or diagrams and then discussed in the context of topical problems such as the collapse of communism in Eastern Europe the lack of development in the third world countries the contrast between market forces and the protection of the environment showing how economics is not necessarily a dry academic pursuit      **Regulatory Reform in China and the EU** Stefan E. Weishaar,Niels Philipsen,Wenming Xu,2017-08-25 With the Chinese government planning a comprehensive and detailed reform of regulatory law the European experience is likely to contribute significantly This timely book analyses comparative Chinese and EU regulatory reform from a Law and Economics perspective      **Speculation in Commodity Markets, Hearings Before the Subcommittee of ..., 80-2 ...** United States. Congress. Senate. Appropriations Committee,1948      **Insider Trading in Developing Jurisdictions** Wunmi Bewaji,2012 The book examines the regulation of insider dealing in the US the UK and Japan in order to consider whether these regimes can be successfully transplanted to developing countries The book uses Nigerian experiences to consider its implications for other developing nations arguing that regulatory regimes need to take into account the specific social political historical and economic factors of a particular locale rather than importing regulations
