The Old Testament according to the authorized version. With a brief commentary by various authors** Bible. English. O. T. Prophets. 1886. Authorized, 1886 The Journal of Sacred Literature B. Harris Cowper, 2022-02-17 Reprint of the original first published in 1867 **The Journal of Sacred Literature** John Kitto, 1867 **An Introduction to the Old Testament** John Goldingay, 2015-10-01 Enter the classroom of John Goldingay one of today's premier biblical interpreters and begin the adventure of exploring the Bible's First Testament More workbook than handbook this refreshing introduction to the Old Testament outfits you with basic knowledge points out the main approaches outlines the primary issues and then sets you loose to explore the terrain for yourself Disciple Remember Who You Are Study Manual Richard B. church down through the centuries the longer ending of Mark's Gospel 16:9-20 has been relegated by modern scholarship to the status of a later appendage. The arguments for such a view are chiefly based upon the witness of the two earliest complete manuscripts of Mark and upon matters of language and style. This work shows that these primary grounds of argumentation are inadequate. It is demonstrated that the church fathers knew the Markan ending from the very earliest days well over two centuries before the earliest extant manuscripts. The quantity of unique terms in the ending is also seen to fall within the parameters exhibited by undisputed Markan passages. Strong indications of Markan authorship are found in the presence of specific linguistic constructions, a range of literary devices and the continuation of various themes prominent within the body of the Gospel. Furthermore, the writings of Luke show that the Gospel of Mark known to this author contained the ending. Rather than being a later addition, the evidence is interpreted in terms of a textual omission occurring at a later stage in transmission, probably in Egypt during the second century. The Kregel Bible Handbook William F.

Kerr, 2000-09-01. An easy to use full color guide to each book of the Bible with author information, summary, outline, theme and main characters. Filled with color maps, charts and photographs. An exceptional value for general readers and Bible students.

Unholy Hands on the Bible Dean J. Burgon, 1990. What do you get when you buy this volume? You get all six of the Works of Dean John W. Burgon which in effect gives you an excellent introduction to Textual Criticism in The Traditional Text of the New Testament. In The Causes of the Corruption of the Traditional Text of the Gospels you will learn how the Gnostics, Manicheans, Ebionites, Arians and other heretics sought to halt the spread of Christianity by putting out corrupt manuscripts. Discover the motivation that caused the critics to elevate these adulterated manuscripts to a place of adoration. See for yourself the overwhelming evidence against the thousands of changes in the popular new versions that dilute the Scriptures. The Last Twelve Verses According to the Gospel of Mark shows that over 2,000 manuscripts and as many Greek lectionaries contain these verses without any brackets or doubting footnotes. Did you know that except for the NKJV, MKJV, LITV, the nine other major new versions have bracketed the last 12 verses of Mark or in a footnote indicated that they do not believe they are authentic? WHY? It's a mystery. There are only three Greek manuscripts that do not have these verses. And in 200 pages of proofs Burgon shows that those two are so edited at the place where these verses belong that anyone can see the scribes were looking at these verses in the older mss they were copying. As Dr. Gordon H. Clark wrote: "If a version brackets these verses then you know that they are not going by the evidence." The Revision Revised is a Critique of the English Revised Version of 1881 with additional applications to the Modern Translations. There is an excellent critique of the Westcott and Hort textual theories. Proof of the Genuineness of God Manifested in the Flesh contains an unanswered and unanswerable defense of 1 Timothy 3:16. The Woman Taken In Adultery gives a defense of the authenticity of John 7:53-8:11. Conflation and The Neutral Text by Edward Miller M.A. gives an additional critique of Dr. Hort's theories. Get this volume and arm yourself to fight for the God-breathed words that God has preserved for you that you might have life and faith. Every one of His words

Genebago,2023-07-07 The Day of the Lord texts of Malachi Mal 3 2 7 4 5 demonstrate that he seems to allude to Joel's Day of the Lord 2 11 13 31 MT 3 4 Malachi's Day of the Lord seems to have a strong inner biblical relationship with the Day of the Lord motif of Joel A significant interpretive loss is committed when allusion is recognized in the source text but ignored and not explored Thus the passages themselves call for an inner biblical allusion

study In addition the interpretive significance of Joel s Day of the Lord in Malachi has not been investigated comprehensively as the review of literature and intertextual and inner biblical studies on Malachi validated Thus these are the interrelated questions a What are the criteria to verify the inner biblical connection between Malachi and Joel on the Day of the Lord b How did Malachi use Joel s Day of the Lord motif c How did Malachi develop the Day of the Lord theme in his book There are three purposes of this study The first is to identify objective criteria to verify the inner biblical connection between Malachi and Joel on the Day of the Lord The second is to determine how Malachi used Joel s Day of the Lord motif The last is to ascertain how Malachi developed the Day of the Lord theme in his book The Causes of the Corruption of the Traditional Text of the Holy Gospel John William Burgon,2020-07-29 Reproduction of the original The Causes of the Corruption of the Traditional Text of the Holy Gospel by John William Burgon
