Islamic Values In The United States A Comparative Study:

Islamic Values in the United States Yvonne Yazbeck Haddad, Adair T. Lummis, 1987 The religion of Islam is now an American phenomenon Once thought to be primarily a way of life of the Arabs and a faith alien to the Judeo Christian heritage of this country it has grown to be one of the most prominent and rapidly growing religious movements in America This ethnography of immigrant Muslims considers five Northeastern communities in detail Including numerous interviews with members of these communities this investigation provides a highly personal look at what it means to be a believing practicing Muslim in America at a time when Islam is under the critical scrutiny of international news The authors describe the institutions and leadership of American Islam Muslim law and its applications in the American context examining the kinds of problems that beset Muslims trying to observe the elements of their faith in a potentially difficult environment Family life and the roles and relationships of men and women are thoroughly detailed as well Islam in America Jane I. Smith, 2010 A leading authority in the field introduces the basic tenets of the Muslim faith surveys the history of Islam in the U S and profiles the lifestyles religious practices and worldviews of American Muslims The book covers the role of women in American Islam raising and educating children appropriate dress and behavior concerns about prejudice and much more

Al-Mughtaribūn Kathleen M. Moore, 1995-08-10 Al Mughtaribun explores the influence of American law on Muslim life in the United States It examines pluralism and religious toleration in America viewed from the vantage point offered by the experiences of Muslims in the United States a significant and growing part of an increasingly pluralistic society By tracing the historical shift in the consciousness of American Muslims precipitated by their interactions with the legal institutions of the dominant culture Moore demonstrates the transformative impact of law on a minority community seeking religious toleration She treats issues of immigration and naturalization civil rights Black Muslims and the prisoners rights movement municipal zoning and hate crimes legislation *Islam in North America* Michael A. Köszegi, J. Gordon Melton, 2017-01-12 First published in 1992 this book focuses on the Muslim community and how it has developed in North America Divided into eight sections it traces the history of the Muslim community in North America from the nineteenth century to the end of the twentieth century and examines different aspects of the community such as Sectarian Movements Islam in the African American community and points of contact between Christian and Islamic communities The text includes a number of bibliographies to aid further study and closes with a helpful directory of Muslim organizations and centers in North America This book will be of particular interest to those studying Islam and Religion in North America Immigrant Identity and the Politics of Citizenship John J Bukowczyk, 2016-06-01 The next volume in the Common Threads book series Immigrant Identity and the Politics of Citizenship assembles fourteen articles from the Journal of American Ethnic History The chapters discuss the divisions and hierarchies confronted by immigrants to the United States and how these immigrants shape and are shaped by the social and cultural worlds they enter Drawing on scholarship of ethnic groups from around the globe the articles

illuminate the often fraught journey many migrants undertake from mistrusted Other to sometimes welcomed citizen

examination of the pressures faced by Muslims often considered political and social outsiders in western nations especially in the United States Identity is a complex concept especially when considering the role that group attachments play in affecting how one sees her his role in the political environment of their country of residence Perhaps the greatest tension in this regard is felt by those who are often considered outsiders in their home country despite significant ties to their nation Though citizens and second generation residents in many cases American Muslims face a combination of suspicion government scrutiny and social segregation in the United States despite significant education and economic assimilation in America The crux of the investigation advanced here centres on how group influence emotions and religious interpretation contribute to the political orientation and behaviour of a national sample of Muslims living in the American context A compelling explanation as to how members of an ostracized political group marshal the motivation to push through suspicion to become fully engaged political actors this book has wide relevance and will be of interest to scholars researching Muslims and political participation across the fields of political science history sociology and religion Shi'ism in America Liyakat Nathani Takim,2011-09 Provides an overview of America s Shi i community tracing its history describing its composition in the twenty first century and explaining how they have created an identity for themselves in the American context

Revealing the Sacred in Asian and Pacific America Jane Iwamura,Paul Spickard,2013-10-11 Asian and Pacific Islander Americans constitute the fastest growing racial group in the United States They are also one of the most religiously diverse Through them Asian traditions such as Hinduism Sikhism Confucianism and Buddhism have been introduced into every major city and across a wide swath of Middle America The contributors to this volume provide an essential interdisciplinary resource for the study of Asian and Pacific Islander American religion *A Muslim in Victorian America* Umar F. Abd-Allah,2006-09-21 Conflicts and controversies at home and abroad have led Americans to focus on Islam more than ever before In addition more and more of their neighbors colleagues and friends are Muslims While much has been written about contemporary American Islam and pioneering studies have appeared on Muslim slaves in the antebellum period comparatively little is known about Islam in Victorian America This biography of Alexander Russell Webb one of the earliest American Muslims to achieve public renown seeks to fill this gap Webb was a central figure of American Islam during the late nineteenth and early twentieth centuries A native of the Hudson Valley he was a journalist editor and civil servant Raised a Presbyterian Webb early on began to cultivate an interest in other religions and became particularly fascinated by Islam While serving as U S consul to the Philippines in 1887 he took a greater interest in the faith and embraced it in 1888 one of the first Americans known to have done so Within a few years he began corresponding with important Muslims in India Webb became an enthusiastic propagator of the faith founding the first Islamic institution in the United States the American Mission He wrote numerous books intended to introduce Islam to Americans started the first Islamic press in the United States published a journal entitled *The Moslem World* and served as the representative of Islam at the 1893 World s

Parliament of Religions in Chicago In 1901 he was appointed Honorary Turkish Consul General in New York and was invited to Turkey where he received two Ottoman medals of merits In this first ever biography of Webb Umar F Abd Allah examines Webb s life and uses it as a window through which to explore the early history of Islam in America Except for his adopted faith every aspect of Webb s life was as Abd Allah shows quintessentially characteristic of his place and time It was because he was so typically American that he was able to serve as Islam s ambassador to America and vice versa As America s Muslim community grows and becomes more visible Webb s life and the virtues he championed pluralism liberalism universal humanity and a sense of civic and political responsibility exemplify what it means to be an American Muslim *Winning the White House*, 2004 David M. Rankin, 2005-08-11 What does it take to win the White House This book helps students understand both the issues and how and why people vote for one candidate After discussing the dynamics of the primary campaigns the authors examine three broad sets of issues that play a key role in voting foreign policy domestic policies and the culture wars This sets the foundations for an examination of regional similarities and differences in voting patterns as the varying salience and valence of issues whether general or specific is explored across and within regions Special attention is paid to battleground states Drawing on concepts from political science this book advances students understanding both of the field and the phenomenon **When Islam and Democracy Meet: Muslims in Europe and in the United States** Jocelyne Cesari, 2004-12-09 Exploring the woefully neglected reality of Islam as a major cultural and religious facet of American and European politics and societies Cesari examines how Muslims in the West are challenging the notion of an inevitable clash or confrontation With nearly twelve million Muslims living in the larger countries of Western Europe and almost six million in America the challenges of integrating newcomers within different countries and the place of Islam in democratic and secular context in the post 9 11 context have become more pertinent Comparing the interaction of Muslims with their new countries this book addresses the implications of increased Islamic visibility violent clashes beneficial cooperation and questions within the Muslim community about their role and the role of Islam in democratic states Pursuing a holistic approach to Muslims as a new minority within western democracy Cesari provides important insights
