Walid M. Abdelnasser,2013-10-28 First published in 1994 This book is focussed is on the global vision of the various components of the Islamic movement in Egypt from 1967 to 1981 It is in fact a case study of the perception of foreign policy issues and the international system by the Islamic movement *The Middle East in International Relations* Fred

Halliday,2005-01-24 The international relations of the Middle East have long been dominated by uncertainty and conflict External intervention interstate war political upheaval and interethnic violence are compounded by the vagaries of oil prices and the claims of military nationalist and religious movements The purpose of this book is to set this region and its conflicts in context providing on the one hand a historical introduction to its character and problems and on the other a reasoned analysis of its politics In an engagement with both the study of the Middle East and the theoretical analysis of international relations the author who is one of the best known and most authoritative scholars writing on the region today offers a compelling and original interpretation Written in a clear accessible and interactive style the book is designed for students policymakers and the general reader **Shaping the Current Islamic Reformation** B.A. Roberson,2004-08-02 The essays that comprise this study eschew stereotypical representations of a politicized Islam in the Mediterranean Region The contributors consider the reality that lies behind current issues in the area and the role that an embedded Islam has played or may play in the region

Fundamentalism and Intellectuals in Egypt, 1973-1993 David Sagiv,2013-06-17 This study examines the attitude of Egyptian intellectuals towards Islamic fundamentalism in Egypt They believe that to establish an Islamic state would mean a return to the Middle Ages and that Western values do not necessarily contradict Islam How far can they influence Egypt s future **Political Science Abstracts** IFI/Plenum Data Company staff,2013-11-11 Political Science Abstracts is an annual supplement to the Political Science Government and Public Policy Series of The Universal Reference System which was first published in 1967 All back issues are still available [Foreign Policy of Islamist Political Parties](#),2018-05-15 7 Identity of the State National Interest and Foreign Policy Diplomatic Actions and Practices of Turkey s AKP since 2002Bibliography Index [The Muslim Brothers in Europe](#) Brigitte Maréchal,2008 Based on interviews and discourse of the Muslim Brotherhood members this book offers a comprehensive overview of the ways in which their historical heritage is appropriated and continued beyond the movement s internal tensions and pretension to represent the Islamic orthodoxy

The Symbolic Scenarios of Islamism Andrea Mura,2016-03-09 The Symbolic Scenarios of Islamism initiates a dialogue between the discourse of three of the most discussed figures in the history of the Sunni Islamic movement Hasan al Banna Sayyid Qutb and Osama bin Laden and contemporary debates across religion and political theory providing a

crucial foundation upon which to situate current developments in world politics Redressing the inefficiency of the terms in which the debate on Islam and Islamism is generally conducted the book examines the role played by tradition modernity and transmodernity as major symbolic scenarios of Islamist discourses highlighting the internal complexity and dynamism of Islamism By uncovering forms of knowledge that have hitherto gone unnoticed or have been marginalised by traditional and dominant approaches to politics accounting for central political ideas in non Western sources and in the Global South the book provides a unique contribution towards rethinking the nature of citizenship antagonism space and frontiers required today While offering valuable reading for scholars of Islamic studies religious studies and politics it provides a critical perspective for academics with an interest in discourse theory post colonial theory political philosophy and comparative political thought

The October 1973 War Asaf Siniver,2013-09-30 The October War of 1973 also known as the Yom Kippur War was a watershed moment in the history of the Arab Israeli conflict and the modern Middle East more broadly It marked the beginning of a US led peace process between Israel and her Arab neighbours it introduced oil diplomacy as a new means of leverage in international politics and it affected irreversibly the development of the European Community and the Palestinian struggle for independence Moreover the regional order which emerged at the end of the war remained largely unchallenged for nearly four decades until the recent wave of democratic revolutions in the Arab world The fortieth anniversary of the October War provides a timely opportunity to reassess the major themes that emerged during the war and in its aftermath and the contributors to this book provide the first comprehensive account of the domestic and international factors which informed the policies of Israel Egypt Syria and Jordan as well as external actors before during and after the war In addition to chapters on the superpowers the EU and the Palestinians the book also deals with the strategic themes of intelligence and political economy as well as the socio political legacy of the war on Israeli and Arab societies *Medieval and Modern Perspectives on Muslim-Jewish Relations* Ronald L. Nettler,2014-02-25 First Published in 1995 The life of Jews in medieval Baghdad or 18th century Tunis may now be considered to be important as Jewish life in 13th century Worms or 19th century Poland Islamic theological and exegetical writing on Judaism may now command as much interest as their counterparts in Christian literature while the rich Islamic Jewish cultural interchange over many centuries is clearly of great significance Studies in Muslim Jewish Relations will be a series of general volumes each including a wide range of subjects periodic edited volumes each focusing on a certain theme and a planned related monograph series which will publish authored volumes on more specialized aspects of the field This volume is a collection of twelve essays **Periodica Islamica** ,1994

The Yom Kippur War Asaf Siniver,2013-10-01 The Yom Kippur War was a watershed moment in the history of the Arab Israeli conflict and the modern Middle East more broadly It marked the beginning of a US led peace process between Israel and her Arab neighbours it introduced oil diplomacy as a new means of leverage in international politics and it affected irreversibly the development of the European Community and the Palestinian struggle for

independence Moreover the regional order which emerged at the end of the war remained largely unchallenged for nearly four decades until the recent wave of democratic revolutions in the Arab world The fortieth anniversary of the Yom Kippur War provides a timely opportunity to reassess the major themes that emerged during the war and in its aftermath and the contributors to this book provide the first comprehensive account of the domestic and international factors which informed the policies of Israel Egypt Syria and Jordan as well as external actors before during and after the war In addition to chapters on the superpowers the EU and the Palestinians the book also deals with the strategic themes of intelligence and political of the war on Israeli and Arab societies Cultures of Insecurity Jutta Weldes,1999 Genocide in Rwanda instability in the Middle East anarchy on the Internet insecurities abound But do they occur naturally or are they as this pathbreaking volume suggests cultural and social productions Bringing together scholars from political science and anthropology this collection of essays redirects long standing views on culture as both a source of insecurity and an object of analysis The authors present studies whose topics range from traditional security concerns such as the Cuban missile crisis the Korean War and the Middle East to less conventional issues including the Internet and national security multiculturalism and regional economy in New Mexico **Globalisation and the Third World** Ray Kiely, Phil Marfleet, 2004-08-02 This book examines the changing position of the Developing World within the world system It focuses on particular issues which cut across communities nations regions and in consequence the world These include migration health and disease the media transnational corporations religion and political and economic institutions The contributors draw on a wealth of illustrations and global examples to examine topics such as HIV AIDS transmission the mediatized Gulf War consumption patterns the Third World in the First Orientalism and Islam environmental and urban movements liberation theology in Latin America and the impact of the media This book provides a critical introduction to the Third World around the unifying theme of globalisation

Foreign and Security Policy in the European Union Kjell A Eliassen, 1998-08-19 This book provides a comprehensive overview of why European integration in foreign and security policy has proved so difficult The obstacles to developing the common policy in this second pillar of the European Union go to the heart of debates around the sovereignty of the nation state A leading group of international contributors explain how these problems arise and consider the future prospects of developing a more regional based solution Broadly organized around the three areas of policy actors and issues the first section traces the reluctant growth of EU integration in foreign and security policy as it developed from the mid 1980s In the second section the national policies and interests that typically obstruct a common policy are explored through four key member states The third section considers ways of addressing problems like the EU's expansion to include Central and Eastern Europe the impact of an independent European security identity on the transatlantic relationship as well as the potential risks to European security from the Mediterranean rim **Encyclopedia of the Palestinians** Philip Mattar, 2005 Presents the history of modern Palestine and biographies of important Palestinians **Historical Dictionary of Egypt**

Arthur Goldschmidt, Jr., 2013-10-10 Egypt was the first non Western country to undergo an industrial revolution It was a major commercial center during the 19th and early 20th centuries It was one of the first countries to have albeit briefly a constitutional government Its struggle for independence was among the earliest in the non Western world Its capital Cairo has served as a headquarters and a meeting place for nationalist leaders Its schools and universities attracted students from many other African and Asian countries For the Arab world its educational and legal institutions set the pattern that most other Arabic speaking countries have followed Its books magazines and newspapers circulate widely Its radio and television broadcasting became the model for other Arab states The leadership of Jamal Abd al Nasir and Anwar al Sadat profoundly influenced other Arab and Third World leaders And the demonstrations in Cairo s Tahrir Square became the iconic movement for the so called Arab Spring in the rest of the Middle East This fourth edition of Historical Dictionary of Egypt covers its history from its emergence as an independent actor during the reign of Ali Bey 1760 1772 up to and including the first two years of the Arab Spring February 2013 This is done through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 700 cross referenced entries on of persons events institutions political groups economic and social conditions policies relationships with other countries ideas religions ideologies and commodities relevant to the modern history of Egypt This book is an excellent access point for students researchers and anyone wanting to know more about Egypt **The Hidden Hand** Daniel Pipes, 1998 A noted Middle East specialist looks at conspiracy theories and the way they control life and politics in the region *Index to Book Reviews in Religion* , 1998
