Israel The Way It Was:

Israel's Way of War Ehud Eilam, 2016-01-13 Israel has fought many wars since its founding in 1948 from conventional military conflicts with Arab forces to irregular clashes with guerrilla and terror groups A study of these confrontations reveals strategic and military patterns Written by a former member of the Israel Defense Forces this book compares the wars fought in Lebanon against the Palestine Liberation Organization 1982 and against Hezbollah 2006 and in the Gaza Strip 1956 1967 2008 2009 and 2014 The author draws similarities between Israel and Western nations mainly the United States and Britain in their waging of conventional and irregular warfare and offers a comparison of the Vietnam War to Israel's struggle with Hezbollah in the 1990s **Reading Ruth: Birth, Redemption, and the Way of Israel** Leon Kass, Hannah

Mandelbaum, 2021-04-06 Through a close reading of the Book of Ruth Leon Kass and Hannah Mandelbaum transform how we see the story and how we see ourselves A marvelous gem of a book Russ Roberts A thoughtful and thought provoking book Booklist Through close reading and responsive commentary Reading Ruth Birth Redemption and the Way of Israel vivifies this much loved biblical text enabling readers to imagine how a widowed woman from an alien nation becomes the ancestress of the greatest Israelite king As the authors granddaughter and grandfather also show the Book of Ruth is about much more than the Cinderella like rise of a woman from misery to glory Ruth's story sheds light on certain enduring questions of human life and on the Hebrew Bible's answers to those questions the meaning of national membership and identity the nature and limits of female friendship marital love and familial obligations the importance of attachment to the land and especially the redemptive powers for human life of childbirth loving kindness and loyal devotion [The Mythic Past: Biblical Archaeology And The Myth Of Israel](#) Thomas L Thompson, 2008-08-05 The Jewish people's historical claims to a small area of land bordering the eastern Mediterranean are not only the foundation for the modern state of Israel they are also at the very heart of Judeo Christian belief Yet in *The Mythic Past* Thomas Thompson argues that such claims are grounded in literary myth not history Among the author's startling conclusions are these There never was a united monarch of Israel in biblical times We can no longer talk about a time of the Patriarchs The entire notion of Israel and its history is a literary fiction *The Mythic Past* provides refreshing new ways to read the Old Testament as the great literature it was meant to be At the same time its controversial conclusions about Jewish history are sure to prove incendiary in a worldwide debate about one of the world's seminal texts and one of its most bitterly contested regions **The 'Way of the LORD' in the**

Book of Isaiah Bo H. Lim, 2010-05-13 What is the way of the LORD in the book of Isaiah Many scholars have adopted Walter Zimmerli's proposal that the way in Second Isaiah is a literal and physical highway extending from Babylon to Jerusalem only to be reinterpreted as a spiritual metaphorical and pious way of living in Third Isaiah This book will properly define each mention of the way in Isaiah as well as provide a coherent interpretation of this theme's theological significance within the book The way of the LORD is initially conceived of in the 1st half of the book as a highway leading to Zion common to both

the dispersed Israelites as well as the nations In Isaiah Chs 34 35 provide a paradigm of what this way will entail and its theological significance

State and Religion in Israel Gideon Sapir, Daniel Statman, 2019-01-10 State and Religion in Israel begins with a philosophical analysis of the two main questions regarding the role of religion in liberal states should such states institute a Wall of Separation between state and religion Should they offer religious practices and religious communities special protection Gideon Sapir and Daniel Statman argue that liberalism is not committed to Separation but is committed to granting religion a unique protection albeit a narrower one than often assumed They then use Israel as a case study for their conclusions Although Israel is defined as a Jewish state its Jewish identity need not be interpreted religiously requiring that it subjects itself to the dictates of Jewish law Halakha The authors test this view by critically examining important topics relevant to state and religion in Israel marriage and divorce the drafting of yeshiva students into the army the character of the Sabbath and more

Israel in Egypt George Frideric Handel, 1871 *The Unwritten Diary of Israel Unger* Carolyn Gammon, Israel Unger, 2014-07-22 At the beginning of the Nazi period 25 000 Jewish people lived in Tarnow Poland By the end of the Second World War nine remained Like Anne Frank Israel Unger and his family hid for two years in an attic crawl space Against all odds they emerged alive Now after decades of silence here is Israel s unwritten diary Nine people lived behind that false wall above the Dagnan factory in Tarnow Their stove was the chimney that went up through the attic their windows were cracks in the wall Survival depended on the food the adults leaving the hideout at night were able to forage Even at the end of the war however Jewish people emerging from hiding were still not safe After the infamous postwar Kielce pogrom Israel s parents sent him and his brother as orphans to France in a program called Rescue Children a Europe wide attempt to find Jewish children orphaned by the Holocaust When the family was finally reunited they lived a precarious existence between France as people sans pays and England until the immigration papers for Canada came through in 1951 In Montreal in the world described so well by Mordecai Richler Israel s father a co owner of a factory in Poland was reduced to sweeping factory floors At the local yeshiva Jewish high school Israel discovered chemistry and a few short years later he left poverty behind He had a stellar academic career married and raised a family in Fredericton New Brunswick The Unwritten Diary of Israel Unger is as much a Holocaust story as it is a story of a young immigrant making every possible use of the opportunities Canada had to offer

Israel Ze'ev Shemer, 2010 Israel and the Palestinian nightmare is not only a reliable reference book it is a captivating description and review of the Arab Israeli conflict It offers an honest account of where Israel went wrong covers facts relating to the origins of the nation of Israel and the profound effect that history has had upon contemporary events The Arab Israeli conflict is not a conflict over land nor is it rooted in ancient claims of two peoples to the same small piece of real estate in the Middle East but rather it is a battle between Judaism and Islam A battle the Christian world has been touched by but so far timidly involved with If we understand how the conflict developed we ll be better prepared to deal with events to come The claim that a group of people foreign to the land

wanted to impose their sovereignty through expropriation on another group of people that inhabited that land is nothing but a modern day invention of those who seek to destroy the young Jewish state Millions of young adults are exposed to the heckling of modern day anti Semites in almost every college campus and in many intellectual circles and the obvious bias and Israel loathing is echoed by most of the international media outlets rarely encountering opposition Winston Churchill once said the truth is incontrovertible malice may attack it ignorance may deride it but in the end there it is Plenty of historical and archeological evidence proves Israel s historic roots and disproves every Arab claim to the land and still most public and academic outlets claim that Israel s situation is a simple case of occupation of a foreign land Ironically they are right There is an unfair and unnecessary occupation of land but not by the Jews that returned to their homeland but on the part of the Arab multitude who assumed a fake identity with the sole purpose of destroying the Jewish dream of the rebirth of Israel Israel and the Palestinian nightmare answers some of the toughest questions regarding Israel and the Palestinian people It takes the reader through an historical timeline that puts many issues into proper perspective The author has tough words for both Israelis and the Arab world and the book contains inspiring articles and commentaries by Middle East experts such as Yoram Ettinger Phyllis Chesler Paul Eidelberg as well as thought provoking observations written by Larry Miller David Wilder and Shifra Hoffman among others This book will clarify many of the misconceptions that exist regarding this conflict and it is essential reading for both Jew and gentile alike In a time of universal deceit telling the truth becomes a revolutionary act George Orwell

The Land of Israel in the Book of Ezekiel Wojciech Pikor, 2018-05-31 Pikor analyzes the land of Israel in the book of Ezekiel showing how its preoccupation with the Babylonian exile and the loss of the Promised Land that this entails is directly linked to the danger this poses to Israel s covenant with God Pikor examines the motif of land in its literary and historical contexts and in relation to the oracles of salvation in chapters 34-39 as well as the vision of the new Israel and the return of Yahweh s Glory to the temple Pikor begins by examining the motif of land in its literary and historical contexts The main body of the book then addresses specific sections of Ezekiel Chapter two analyzes the oracles of punishment addressed to Israel in which the land undergoes a process of anthropomorphization Chapter three situates the punishment experienced by Ezekiel and his listeners in a broader historical context suggested by the prophet in Ezekiel 20 Chapter four analyzes the oracles of salvation in Ezekiel 34-39 in which the restoration of the land of Israel remains intertwined with the promise of the new covenant Finally chapter five addresses the closing vision of the new Israel Ezekiel 40-48 which is characterized by the territorial dimension of the future restoration This feature is shown via analysis of the rhetoric of the land the crucial element of which is the return of Yahweh s Glory to the temple God s presence adds sacral value to the land in which his covenant with his people is to be realized The covenant will be finalized through Israel s repopulation of the renewed land

The God of Israel and the Nations Norbert Lohfink, Erich Zenger, 2000 Their investigations show that the biblical testimony supports the church s affirmation God s covenant with Israel stands forever
