Israels Wars

Howard A. Patten

Israel's Wars:

Israel's Wars Ahron Bregman, 2003-09-02 First published in 2002 Routledge is an imprint of Taylor Francis an informal company

Israel's Wars of Attrition Avi Kober, 2009-09-11 This book analyzes the way Israel has coped with nine wars of attrition from the 1950s to the recent Second Lebanon War 2006 questioning the belief that Western democracy cannot sustain prolonged wars of attrition Challenging Israel with attrition has been compatible with the Arab way of war which emphasizes staying power and with the belief that democracies cannot tolerate wars of attrition either economically or psychologically Israel for its part developed a self image of incapacity to sustain prolonged wars committing itself to a traditional offensive approach to blitzkrieg whenever possible The book offers an account of nine wars of attrition that Israel was involved in over almost 60 years from Palestinian infiltration and fedayeen activities against Israel in the early 1950s through to the Second Lebanon War in 2006 The author uses these cases to challenge the myth that Israel cannot afford to become involved in a draining war of attrition Focusing on central aspects typical of Western democracies engaged in wars of attrition operational effectiveness the societal staying power the economic burden of the war moral dilemmas and conflict management problems the book challenges the myth that Israel cannot afford to become involved in a draining war of attrition while at the same time highlighting the fact that in its wars of attrition Israel has not always succeeded in avoiding undesired escalation This book will be of much interest to students of strategic studies Israeli history Middle Eastern politics and security studies in general Avi Kober is a member of the Department of Political Studies at Bar Ilan University Israel and is a Senior Research associate with the BESA Center for Strategic Studies

Israel's Way of War Ehud Eilat, 2016-01-13 Israel has fought many wars since its founding in 1948 from conventional military conflicts with Arab forces to irregular clashes with guerrilla and terror groups A study of these confrontations reveals strategic and military patterns Written by a former member of the Israel Defense Forces this book compares the wars fought in Lebanon against the Palestine Liberation Organization 1982 and against Hezbollah 2006 and in the Gaza Strip 1956 1967 2008 2009 and 2014 The author draws similarities between Israel and Western nations mainly the United States and Britain in their waging of conventional and irregular warfare and offers a comparison of the Vietnam War to Israel's struggle with Hezbollah in the 1990s

Holy War in Ancient Israel Gerhard von Rad, 2000-04-17 Since the beginning holy war has been viewed as a sacred institution and a cultic act of religious community by the people of Israel Appearing here in English for the first time Gerhard von Rad has provided a definitive study of the theory of holy war and its development throughout biblical history Von Rad gives a definitive and articulate exposition of a typically disturbing theme within the Old Testament arguing that holy war is not only Yahweh acting alone but inspired Israelites who because they envisioned God fighting on their behalf felt obligated and inspired to fight even more fervently

Israel's Long War with Hezbollah Raphael D. Marcus, 2018-10-01 The ongoing conflict between Israel and the Lebanese militant group Hezbollah is now in its fourth decade and shows no signs of ending

Raphael D Marcus examines this conflict since the formation of Hezbollah during Israel's occupation of Lebanon in the early 1980s. He critically evaluates events including Israel's long counterinsurgency campaign throughout the 1990s, the Israeli withdrawal in 2000, the 2006 summer war, and concludes with an assessment of current tensions on the border between Israel and Lebanon related to the Syrian civil war. Israel's Long War with Hezbollah is both the first complete military history of this decade-long conflict and an analysis of military innovation and adaptation. The book is based on unique fieldwork in Israel and Lebanon, extensive research into Hebrew and Arabic primary sources, and dozens of interviews Marcus conducted with Israeli defense officials, high-ranking military officers of the Israel Defense Forces (IDF), United Nations personnel, a Hezbollah official, and Western diplomats. As an expert on organizational learning, Marcus analyzes ongoing processes of strategic and operational innovation and adaptation by both the IDF and Hezbollah throughout the long guerrilla conflict. His conclusions illuminate the dynamics of the ongoing conflict and illustrate the complexity of military adaptation under fire. With Hezbollah playing an ongoing role in the civil war in Syria and the simmering hostilities on the Israel-Lebanon border, students, scholars, diplomats, and military practitioners with an interest in Middle Eastern security issues, Israeli military history, and military innovation and adaptation can ill afford to neglect this book. **Ancient Israel** Roland De

Vaux, 1997-03-25. Considered by many to be a modern classic, *Ancient Israel* offers a fascinating full-scale reconstruction of the social and religious life of Israel in Old Testament times. Drawing principally on the text of the Old Testament itself, as well as from archaeological evidence and information gathered from the historical study of Israel's neighbors, de Vaux first provides an extensive introduction to the nomadic nature of life in ancient Israel and then traces in detail the developments of Israel's most important institutions: family, civil, military, and religious, and their influence on the nation's life and history.

Dynamics of the Arab-Israel Conflict Michael Brecher, 2017-01-20. This book comprises findings from the author's wide-ranging research since 1948 on the unresolved Arab-Israeli protracted conflict. Brecher reflects back on his detailed analysis of the UN Commission created in November 1947 and his near seven decades of research and publications on this complex protracted conflict continued since the first of nine Arab-Israeli wars. The book includes an analysis of the crucial early phase of the unresolved struggle for control of Jerusalem in 1948-49 and beyond, based on extensive interviews with Israel's leaders and prominent Egyptian senior officials, journalists, and academics. It addresses the many diverse attempts at conflict resolution, including a peace plan to resolve the Arab-Israeli conflict of the author's own design. It concludes with historical reflections about Israel's behavior domestically and externally in 1948-1949 and 2008 and beyond. No other book on this protracted conflict contains so many important interviews with the first two generations of Israeli leaders and Egyptian officials and academics, and no other author can speak from such a deep and prolonged engagement. Playing Hard at Life Etty Cohen, 2013-05-13. *Playing Hard at Life* brings contemporary relational thinking to bear on the psychodynamic treatment of a notably difficult group of young patients. Working with New York City teenagers who have

survived the wars of inner city life and Israeli teenage soldiers who have survived the wars of the Middle East author Etty Cohen documents the extraordinary challenges of forming a treatment alliance with these shattered youngsters of engaging them psychodynamically and of working toward a viable termination The result is not only a poignant record of courage and commitment on the part of patient and therapist alike but also a valuable extension of modern trauma theory to adolescence as a developmental stage with its own challenges and requirements The heart and strength of Cohen s book is her vivid documentation of hands on encounters with her adolescent patients seen both individually and in group Cohen makes plain that with young people so horrendously traumatized treatment assures a necessarily improvisational character And yet she argues even in the type of pragmatic encounters dictated by massive and repeated trauma contemporary relational theory provides a compass with which to navigate through the rocky shoals of the clinical work Again and again the reader is shocked by just how much happened to these adolescents astonished at how resilient they proved to be and finally moved by how much Cohen was able to accomplish with them Her relational approaches to these treatments teamed with her realization that work with multiply traumatized adolescents cannot be structured in the manner of conventional therapy makes this book an invaluable timely and deeply sobering contribution to the literature Undeclared Wars with Israel

Jeffrey Herf,2016-05-03 Undeclared Wars with Israel examines a spectrum of antagonism by the East German government and West German radical leftist organizations ranging from hostile propaganda and diplomacy to military support for Israel s Arab armed adversaries from 1967 to the end of the Cold War in 1989 This period encompasses the Six Day War 1967 the Yom Kippur War 1973 Israel s invasion of Lebanon in 1982 and an ongoing campaign of terrorism waged by the Palestine Liberation Organization against Israeli civilians This book provides new insights into the West German radicals who collaborated in actions with Palestinian terrorist groups and confirms that East Germany along with others in the Soviet Bloc had a much greater impact on the conflict in the Middle East than has been generally known A historian who has written extensively on Nazi Germany and the Holocaust Jeffrey Herf now offers a new chapter in this long sad history **Routine**

Emergency Julia Chaitin,Sharon Steinberg,Elad Avlagon,Shoshana Steinberg,2022-03-22 This book explores the meaning of life for Israelis from communities bordering the Gaza Strip whose lives are bound to the intractable conflict between Israel and the Hamas regime Based on a psychosocial qualitative study of narrative interviews photographs YouTube videos and Facebook posts created by residents the book presents the life stories of ordinary people their perspectives of patriotism and Zionism and their perceptions of the Gazan Palestinians Routine Emergency captures these perspectives through analyses of residents interviews and photographs the social media materials and poems fashioned from interviewees words The results challenge simplistic notions of what it means to live in this warzone offering a multi layered analysis of life in this region which alternates between being Heaven and Hell Written in a reader friendly format Routine Emergency offers new theoretical insights into societal beliefs connected to living in an intractable warzone on the personal family community and

national levels **Syria and Israel : From War to Peacemaking** Moshe Ma'oz, 1995-10-26 This is the first book to deal with the most crucial case of war and peace in the Middle East Moshe Ma'oz examines the history of relations between Israel and Syria throughout the Middle Eastern conflict Drawing upon a variety of original sources the author discusses still little known episodes in relations between the countries such as Syrian peace offers to Israel in the early 1950s and the mid 1970s American and Soviet involvement the role of Iraq Jordan Lebanon and the PLO Israel's contribution to the aggravation of the conflict with Syria and the new Syrian diplomatic strategy since 1988 and the peacemaking process after the Madrid conference from late 1991 The book demonstrates the crucial importance of Syrian Israeli relations for the strategic posture of both countries for the fate of the Palestinian problem and for the prospects of an overall Middle East Settlement Israel and the Cold War Howard A. Patten, 2013-02-12 In the wake of its creation in 1948 the state of Israel was confronted with the challenge of establishing foreign relations with key players in the region in the face of opposition from most of the Arab states Howard Patten explores the genesis and development of Israel's foreign relations with Iran Turkey and Ethiopia known as the Policy of the Periphery Highlighting the pragmatism and Realpolitik at the heart of this policy Israel and the Cold War analyses the national interests and mutual concerns which shaped relations and strategy at the United Nations during the critical moments of the establishment of the State of Israel and the following forty years before the ramifications of the Iranian Revolution became apparent During this period Israel made efforts to create pragmatic alliances behind closed doors at the UN even as ambivalence and hostility reigned in the public sphere Patten thus examines the implications that the Cold War system of ideological combat had on these attempts to maintain implicit yet cordial understandings as world events such as the Suez Crisis of 1956 successive crises over Cyprus and the Ethiopian and Iranian Revolutions tested the Policy of the Periphery Israel and the Cold War traces the development of Israel's relations with these three states from their initial beginnings to consolidation then rejection and subsequent efforts to realign Patten highlights the extensive diplomatic and military reverberations that occurred throughout the region and the way in which these were played out at the UN Based primarily on UN documents this book is a vital primary resource for those researching the period in question and the formulation of foreign policy in the Middle East *Israel at War* Joel C. Rosenberg, 2012-10-12 Is the crisis in the Middle East hurtling toward the point of no return Israel's prime minister Benjamin Netanyahu tells the UN that Iran could have nukes by spring Iran's president Mahmoud Ahmadinejad has called for the end of the United States and Israel Chaos is erupting throughout the region Rumors abound of an impending Israeli first strike against Iran's nuclear program Is war imminent New York Times best selling author Joel C Rosenberg looks at the events developing in the Middle East and asks the tough questions Could Israel launch a preemptive strike at any moment How might an Israel Iran war set the Middle East on fire What should we be watching for Israel at War will help you understand what is happening right now behind the scenes in this volatile region and how this high stakes showdown could affect the future of the Middle East and the world

Israel's Strategic Agenda Efraim Inbar, 2013-09-13 Divided into two clear parts the first part of this book examines political and economic factors in the global strategic environment including the approach of US and EU foreign policies towards Israel global trends in the field of defence industries and the energy sector and their implications for the Middle East and Israel The second part focuses on Israel's strategic agenda as reflected in its military force design and doctrine the dilemmas the country has faced in the course of fighting its wars of attrition the relations between military and civil sectors in Israel the struggle against Israel on the part of non governmental organizations Israel's main security challenges and national grand strategy This book was previously published as a special issue of Israel Affairs

Works of Israel Zangwill:
The war of the world Israel Zangwill, 1921 Israel's National Security Efraim Inbar, 2007-12-21 This book brings together a collection of essays that covers the main national security issues Israel has faced since 1973 **Israel's Military**

Doctrine Ehud Eilat, 2018-05-29 Israel's military doctrine was aimed at defeating powerful Arab militaries mostly those of Egypt Syria and Jordan In the years 1948 1982 Israel and Arab states had a series of wars i.e. high intensity wars Israel since 1948 also dealt with guerrilla and terror attacks Since 1982 and mostly in the last 15 years Israel faced hybrid forces Hamas and Hezbollah Those groups are a mix between a conventional military and a guerrilla group Israel fought against Hezbollah in Lebanon in 2006 and against Hamas in the Gaza Strip mostly in two wars in 2008 2009 and in 2014 This book begins with explaining Israel's national security policy Then it focuses on how the IDF Israel defense forces had to adjust its doctrine and build up to confront hybrid forces by examining Israel's air and the ground corps and major issues such as offense and defense infrastructure and manpower The IDF can inflict heavy casualties and damages to a hybrid foe Yet destroying the latter is a tall order because Hezbollah and Hamas are too elusive they hide inside populated areas etc However compared with past wars against Arab states there is much less danger to Israel let alone to its survival since even a coalition between Hezbollah Hamas and other groups can't defeat the IDF Furthermore since fighting a hybrid force is less demanding than running a high intensity war against an Arab state then Israel does not rely that much on the United States in receiving weapon systems ammunition and spare parts **Israel and the Palestinian Refugee Issue** Jacob Tov, 2014-03-05

Examining the development of Israel's policy toward the Palestinian refugee issue this book spans the period following the first Arab Israeli War until the mid 1950s when the basic principles of Israel's policy were finalized Israel and the Palestinian Refugee Issue outlines and analyzes the various aspects that together created the mosaic of the refugee problem with which Israel has since had to contend These aspects include issues of repatriation resettlement compensation blocked bank accounts internal refugees and family reunification Drawing on extensive archival research this book uses documents from Israeli government meetings from the Foreign Affairs and Defense Committee and files from the office of the Prime Minister's advisor on Arab affairs to address the many diverse aspects of this topic and will be essential reading for academics and researchers with an interest in Israel the Middle East and political science more broadly The Rise of Israel Jonathan

Adelman,2008-03-25 This book provides a general history of the rise of Israel since the early Zionist efforts at state building In particular it seeks to show how unlikely Israel s creation was and that it should best be understood as a series of revolutions **Israel in Search of War** Motti Golani,1998-01-01 This volume examines the events of the Sinai Campaign of 1955 56 The Suez Crisis and the Sinai Campaign were the final stage in a process rather than an autonomous episode

Thank you very much for reading **Israels Wars**. As you may know, people have search numerous times for their favorite readings like this Israels Wars, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they cope with some malicious virus inside their laptop.

Israel's Wars Introduction

In the digital age, access to information has become easier than ever before. The ability to download Israel's Wars has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Israel's Wars has opened up a world of possibilities. Downloading Israel's Wars provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Israel's Wars has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Israel's Wars. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Israel's Wars. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Israel's Wars, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Israel's Wars

has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Israel's Wars Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Israel's Wars is one of the best book in our library for free trial. We provide copy of Israel's Wars in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Israel's Wars. Where to download Israel's Wars online for free? Are you looking for Israel's Wars PDF? This is definitely going to save you time and cash in something you should think about.
