 To See History Doxologically J. Alexander Sider,2011-04-12 In the minds of many Christians today the church is not
holy it is difficult Yet J Alexander Sider argues that it is precisely when the church acknowledges its many faults and frailties
when it patiently confronts its own capacity to betray the gospel that its true holiness is made manifest In To See History
Doxologically Sider probingly examines John Howard Yoder s eschatology and ecclesiology in conversation with Oliver O
Donovan Ernst Troeltsch Miroslav Volf and others Sider shows how Yoder s thought redefines the church s holiness not as
something earned or possessed by its own virtue but as the ceaseless and ever new gift of God throughout all time **The**

Potter's Hands: A 366-Day Journey to Knowing God Jason Lawson,2021-11-16 The day Jason Lawson's stress reached a tipping point he found himself shaking so badly he couldn't even pour orange juice into a blender for his family's breakfast. He felt like his world was falling around him and he was afraid of losing his family, his job, and his mind. But that was the day Jason met the Potter. Not the cartoon God on nursery walls or the religious God preached about in many churches. That day Jason began a journey with the Potter to learn Who He really is and why He created man, and this journey is compiled in his new devotional *The Potter's Hands: A 366 Day Journey to Knowing God*. The Potter's Hands tackles questions such as: If the Potter is so good, then why did He create me to hurt and struggle? Why am I so cracked and flawed? Why does He fill me with so much pain and many more? The answer Jason found was simple: He is the Potter and we are the clay. He formed us for His glory, not our comfort. He decides our size and shape. He chooses what to pour into us, and He is the One Who determines where He places us. Our role in this is to trust Him as the Potter, the Savior, the Counselor, the Servant, the Commander, the Spirit, the Creator, the Father, the Rabbi, the Redeemer, the Healer, and the Shepherd. The heartbeat of *The Potter's Hands* is to remind readers that the clay can do nothing apart from the Potter's hands, but in the Potter's hands He can create a masterpiece for His glory. What more could we ask for? Come along for one year and walk with Him. Let the Potter reveal to you Who He really is.

A Handbook to the Exegesis of the New Testament Stanley E. Porter,2022-02-07 This handbook provides a substantial theoretical and practical guide to the multi-faceted discipline of exegesis of the New Testament. After an introduction to exegesis and a bibliographic essay on the basic tools, the volume has two major parts. The first focuses on method and includes essays on the major approaches to exegesis, including textual criticism, language, genre, and backgrounds. The second part applies exegetical method to the various literary units of the New Testament. Most exegetical handbooks are either too short and brief, thereby failing to cover the requisite current topics in sufficient depth, or too technically difficult, failing to provide a useful methodology. This coordinated volume offers succinct and well-informed essays with plenty of bibliography, written by experts in their respective fields. The handbook will serve well as a textbook as well as a reference book to the major tools and topics in the area. This publication has also been published in paperback; please click here for details.

The Church That Is Left Behind Kobus Swart,2008-11 A significant pillar of twentieth-century dispensationalism is the postponement doctrine of the kingdom of God. This indiscriminate futurism has caused great damage and robbed the gospel of its power in the lives of believers for years. John the Baptist and Jesus both clearly identified the kingdom with the era of the Holy Spirit. At no time anywhere in Scripture was the coming of the kingdom made conditional on a Jewish response or event. What more effective strategy could the enemy use than to have Christians believe they should be in passive waiting mode? Has our failure to proclaim a full and accurate gospel of the kingdom left nations untouched, still plagued by disease, famine, and corruption, despite decades of evangelism? An eschatology of victory awaits a victorious church that engages with the Holy Spirit in this present apostolic season. Creation has been waiting in eager expectation for the

manifestation of the sons of God What are the sons waiting for Are you ready to respond In this book Kobus Swart resolutely confronts the erroneous doctrinal stronghold of eschatology For centuries the church has been imprisoned and restrained in fulfilling its governmental mandate because of inaccurate interpretations of the end times This is an invaluable resource in identifying and unveiling deceptive eschatological ideologies and presenting a more accurate understanding of the end of the age Thamo Naidoo River of Life Ministries Pietermaritzburg South Africa Kobus Swart has been in full time ministry since 1974 and is the founder of the Bizweni Community Church in Somerset West near Cape Town South Africa where he and his family live From this apostolic resource base he leads a ministry team serving believers both locally and in other nations

Bloodless Atonement? Benjamin J. Burkholder, 2017-06-27 Does the Messiah have to die to pay for his people's sins Is the cross of Jesus an atoning sacrifice In recent decades a burgeoning number of theologians have answered the aforementioned questions in the negative In fact some like Rene Girard have gone so far as to assert that seeing the cross as an atoning sacrifice undermines the very essence of the New Testament Gospels While Girard and others following in a similar vein have offered provocative alterations to soteriology that no longer need Jesus's death to acquire forgiveness from God does a bloodless atonement have biblical support Does a nonviolent understanding of the atonement harmonize with the Gospels This particular volume answers these questions with a fresh look at the Synoptic portraits of the Last Supper accounts In them Jesus expounds upon the significance of his death by using the Passover symbols of bread and wine More importantly in these passages in the Gospels we find the fullest articulation of how Jesus's death benefits his followers Holding a wealth of dense theological riches these passages provide theological parameters that can inform contemporary soteriological development especially that which appeals to the New Testament for its basis Conversant with both biblical studies and contemporary theology the work seeks to bring the best of both fields into conversation in productive new ways
