## **Issues In American Christianity Primary Sources With Introductions:**

Issues in American Christianity Keith Hardman,1993-01-01      **Christian America?** Daryl C. Cornett,2011-11-01

Throughout her history America has possessed a rich religious component largely comprised of different traditions of the Christian faith This tide of personal religious devotion connected to government observances and policies has ebbed and flowed through time but it has always been a part of American identity one that is full of social and political debate As such Christian America presents a hearty point counterpoint discussion about the nature of the relationship Christianity has had to American politics and culture throughout the country s existence aiming to determine which of these four differing opinions is most appropriate David Barton WallBuilders supports the idea that America is distinctly Christian based on centuries of authoritative government declarations Jonathan D Sassi College of Staten Island believes America is distinctly secular based on the nation s religiously eclectic and secular beginning particularly the emphasis on the complete separation of church and state William D Henard The Southern Baptist Theological Seminary sees America as essentially Christian making his case for the nation s crucial faith component while exploring varied interpretations of comments like one made in 2009 by President Barack Obama Although we have a very large Christian population we do not consider ourselves a Christian nation Daryl C Cornett the book s editor argues that America is partly Christian a nation that was shaped by a blend of religious and non religious tendencies He writes After the Civil War steady decline in religious adherence was the impetus for evangelicals to mythologize American history and pine for a return to a golden age of Christian faith and virtue at its founding that never existed

**The Literature of Theology** David R. Stewart,2003-01-01 This updated reference guide directs students to over five hundred significant theological resources across a wide area of theological research It details bibliographic sources for encyclopedias dictionaries and electronic resources in biblical studies historical studies theology and practical theology

Within the Market Strife Kevin E. Schmiesing,2004-01-01 From populism and progressivism to the New Deal and post World War II conservatism Catholic economists and social thinkers have confronted the same problems as other Americans Within the Market Strife recounts the history of American Catholic views on economic issues and places those views firmly wihtin the context of their time

**Introduction to the History of Christianity in the United States** Nancy

Koester,2015-08-15 The history of Christianity in the United States is a fascinating and lively story In this revised and expanded account Nancy Koester introduces students to the major events and movements that influenced the tradition This comprehensive and highly accessible overview of Christian history in the United States from colonial times to the present is informed by both classical and recent scholarship and is written for the nonspecialist Extensive primary sources images questions and other features make this one of the most engaging and lively introductions on the market

*Models of Evangelism* Priscilla Pope-Levison,2020-10-27 Many sincere Christians dismiss evangelism due to enduring evangelistic caricatures This book helps readers move beyond those caricatures to consider thoughtfully and practically how they can

engage in evangelism whether it is through one on one conversations social media social justice or the liturgy of worship services At once biblical theological historical and practical this book by a seasoned scholar offers an engaging well researched and well organized presentation and analysis of eight models of evangelism Covering a breadth of approaches from personal evangelism to media evangelism and everything in between Priscilla Pope Levison encourages readers to take a deeper look at evangelism and discover a model that captures their attention Each chapter introduces and assesses a model biblically theologically historically and practically allowing for easy comparison across the board The book also includes end of chapter study questions to further help readers interact with each model American Church History Henry Warner Bowden, Paul Charles Kemeny, 1998 This volume provides an introduction to the diverse role that Christianity has played in American history The multiperspectival approach of the volume reflects not only the pluralistic nature of Christianity's role in American culture but also the breadth of interpretive methods used in the study of American religious history The 32 essays of American Church History underscore Christianity's multiformed influence in American history The general introduction to the volume includes guidelines on how to use the work as a resource The 32 essays are clustered around five main themes religion and culture religion and ethnicity religious thought mainstream religion and alternative in religion Each of the five major sections includes a general introduction to the theme Introductions to each of the essays highlight both the interpretive significance of the particular essay as well as the importance of the topic in American religious history Brief but substantial bibliographic essays for each main section and essay provide useful guides to students and scholars interested in pursuing further research on a particular topic **Wesleyan-Holiness Churches in Australia** Glen O'Brien, 2018-04-17 Most Wesleyan Holiness churches started in the US developing out of the Methodist roots of the nineteenth century Holiness Movement The American origins of the Holiness movement have been charted in some depth but there is currently little detail on how it developed outside of the US This book seeks to redress this imbalance by giving a history of North American Wesleyan Holiness churches in Australia from their establishment in the years following the Second World War as well as of The Salvation Army which has nineteenth century British origins It traces the way some of these churches moved from marginalised sects to established denominations while others remained small and isolated Looking at The Church of God Anderson The Church of God Cleveland The Church of the Nazarene The Salvation Army and The Wesleyan Methodist Church in Australia the book argues two main points Firstly it shows that rather than being American imperialism at work these religious expressions were a creative partnership between like minded evangelical Christians from two modern nations sharing a general cultural similarity and set of religious convictions Secondly it demonstrates that it was those churches that showed the most willingness to be theologically flexible even dialling down some of their Wesleyan distinctiveness that had the most success This is the first book to chart the fascinating development of Holiness churches in Australia As such it will be of keen interest to scholars of Wesleyans and Methodists as well as religious history and the sociology of religion more

generally     **Seasons of Refreshing** Keith J. Hardman, 2006-03-01 Now at last a full length treatment of revivals in America from the earliest settlement to the present Instead of focusing narrowly on an isolated period or specific evangelist Seasons of Refreshing traces the entire development of modern mass evangelism and the spiritual awakenings associated with it After a brief review of the church s growth from Pentecost to the Puritans the author leads us on an errand in the wilderness and examines the early harvests under Stoddard Frelinghuysen Edwards Whitefield and the Wesleys Finney Moody Sunday all forming an unbroken chain leading up to the present activities of Billy Graham and Luis Palau     *Wisconsin Lutheran Quarterly*, 1994     **Contemporary Theology: An Introduction, Revised Edition** Kirk R. MacGregor, 2020-07-28

Accessible and comprehensive Contemporary Theology An Introduction by professor and author Kirk R MacGregor provides a chronological survey of the major thinkers and schools of thought in modern theology in a manner that is both approachable and intriguing Unique among introductions to contemporary theology MacGregor includes Evangelical perspectives alongside mainline and liberal developments The influence of philosophy and the recent Christian philosophical renaissance on theology Global contributions Recent developments in exegetical theology The implications of theological shifts on ethics and church life Contemporary Theology An Introduction is noteworthy for making complex thought understandable and for tracing the landscape of modern theology in a well organized and easy to follow manner

American Religious History Gary Scott Smith, 2020-12-07 A mix of thematic essays reference entries and primary source documents covering the role of religion in American history and life from the colonial era to the present Often controversial religion has been an important force in shaping American culture Religious convictions strongly influenced colonial and state governments as well as the United States as a new republic Religious teachings values and practices deeply affected political structures and policies economic ideology and practice educational institutions and instruction social norms and customs marriage and family life By analyzing religion s interaction with American culture and prominent religious leaders and ideologies this reference helps readers to better understand many fascinating often controversial religious leaders ideas events and topics The work is organized in three volumes devoted to particular periods Volume one includes a chronology highlighting key events related to religion in American history and an introduction that overviews religion in America during the period covered by the volume and roughly 10 essays that explore significant themes These essays are followed by approximately 120 alphabetically arranged reference entries providing objective fundamental information about topics related to religion in America Each volume presents nearly 50 primary source documents each introduced by a contextualizing headnote A selected general bibliography closes volume three     **The Routledge Sourcebook of Religion and the American Civil War** Robert R. Mathisen, 2014-10-24 In recent years the intersection of religion and the American Civil War has been the focus of a growing area of scholarship However primary sources on this subject are housed in many different archives and libraries scattered across the U S and are often difficult to find The Routledge Sourcebook of Religion

and the American Civil War collects these sources into a single convenient volume the most comprehensive collection of primary source material on religion and the Civil War ever brought together With chapters organized both chronologically and thematically and highlighting the experiences of soldiers women African Americans chaplains clergy and civilians this sourcebook provides a rich array of resources for scholars and students that highlights how religion was woven throughout the events of the war Sources collected here include Sermons Song lyrics Newspaper articles Letters Diary entries Poetry Excerpts from books and memoirs Artwork and photographs Introductions by the editor accompany each chapter and individual document contextualizing the sources and showing how they relate to the overall picture of religion and the war Beginning students of American history and seasoned scholars of the Civil War alike will greatly benefit from having easy access to the full texts of original documents that illustrate the vital role of religion in the country's most critical conflict

Issues in Contemporary Christian Thought Duane Olson, Olson's clear and concise overview roots contemporary questions firmly in Christian responses to the Enlightenment He discusses the range of contemporary opinions their rationales and what's at stake Olson illustrates these alternate frameworks as they play out in central concerns over the being of God in relation to the universe how to understand the figure of Christ today and the distinctively new notions of being human Specifically geared to the novice theologian in college or seminary settings Olson's text includes Reflection Research Questions Suggestions for Further Reading and a Glossary

**Readings in Christianity** Robert E. Van Voorst, 1997 This book is designed to facilitate the study of Christianity by providing the most notable and instructive readings available The anthology also sets these readings in the context of the religious tradition itself

**Themelios, Volume 37, Issue 3** D. A. Carson, 2015-01-27 Themelios is an international evangelical peer reviewed theological journal that expounds and defends the historic Christian faith Themelios is published three times a year online at The Gospel Coalition <http://thegospelcoalition.org/themelios> and in print by Wipf and Stock Its primary audience is theological students and pastors though scholars read it as well Themelios began in 1975 and was operated by RTSF UCCF in the UK and it became a digital journal operated by The Gospel Coalition in 2008 The editorial team draws participants from across the globe as editors essayists and reviewers General Editor D A Carson Trinity Evangelical Divinity School Managing Editor Brian Tabb Bethlehem College and Seminary Consulting Editor Michael J Ovey Oak Hill Theological College Administrator Andrew David Naselli Bethlehem College and Seminary Book Review Editors Jerry Hwang Singapore Bible College Alan Thompson Sydney Missionary Nathan A Finn Southeastern Baptist Theological Seminary Hans Madueme Covenant College Dane Ortlund Crossway Jason Sexton Golden Gate Baptist Seminary Editorial Board Gerald Bray Beeson Divinity School Lee Gatiss Wales Evangelical School of Theology Paul Helseth University of Northwestern St Paul Paul House Beeson Divinity School Ken Magnuson The Southern Baptist Theological Seminary Jonathan Pennington The Southern Baptist Theological Seminary James Robson Wycliffe Hall Mark D Thompson Moore Theological College Paul Williamson Moore Theological

College Stephen Witmer Pepperell Christian Fellowship Robert Yarbrough Covenant Seminary Themelios, Volume 40, Issue 2 D. A. Carson, 2016-04-22 Themelios is an international evangelical peer reviewed theological journal that expounds and defends the historic Christian faith Themelios is published three times a year online at The Gospel Coalition <http://thegospelcoalition.org/themelios> and in print by Wipf and Stock Its primary audience is theological students and pastors though scholars read it as well Themelios began in 1975 and was operated by RTSF UCCF in the UK and it became a digital journal operated by The Gospel Coalition in 2008 The editorial team draws participants from across the globe as editors essayists and reviewers General Editor D A Carson Trinity Evangelical Divinity School Managing Editor Brian Tabb Bethlehem College and Seminary Consulting Editor Michael J Ovey Oak Hill Theological College Administrator Andrew David Naselli Bethlehem College and Seminary Book Review Editors Jerry Hwang Singapore Bible College Alan Thompson Sydney Missionary Nathan A Finn Southeastern Baptist Theological Seminary Hans Madueme Covenant College Dane Ortlund Crossway Jason Sexton Golden Gate Baptist Seminary Editorial Board Gerald Bray Beeson Divinity School Lee Gatiss Wales Evangelical School of Theology Paul Helseth University of Northwestern St Paul Paul House Beeson Divinity School Ken Magnuson The Southern Baptist Theological Seminary Jonathan Pennington The Southern Baptist Theological Seminary James Robson Wycliffe Hall Mark D Thompson Moore Theological College Paul Williamson Moore Theological College Stephen Witmer Pepperell Christian Fellowship Robert Yarbrough Covenant Seminary Was America Founded as a Christian Nation? Revised Edition John Fea, 2016-10-01 John Fea offers a thoroughly researched evenhanded primer on whether America was founded to be a Christian nation as many evangelicals assert or a secular state as others contend He approaches the title s question from a historical perspective helping readers see past the emotional rhetoric of today to the recorded facts of our past This updated edition reports on the many issues that have arisen in recent years concerning religion s place in American society including the Supreme Court decision on same sex marriage contraception and the Affordable Care Act and state level restrictions on abortion and demonstrates how they lead us to the question of whether the United States was or is a Christian nation Fea relates the history of these and other developments pointing to the underlying questions of national religious identity inherent in each We live in a sound bite culture that makes it difficult to have any sustained dialogue on these historical issues Fea writes in his preface It is easy for those who argue that America is a Christian nation and those who do not to appear on radio or television programs quote from one of the founders or one of the nation s founding documents and sway people to their positions These kinds of arguments which can often be contentious do nothing to help us unravel a very complicated historical puzzle about the relationship between Christianity and America s founding **Constitutional Debates on Freedom of Religion** Gerald Long, John J. Patrick, 1999-11-30 Debates over the separation or accommodation of religion and government have divided Americans since the founding of our country and continue to echo in governmental chambers today as people argue sharply and heatedly about the exact meaning and correct

applications of First Amendment clauses on religious establishment and free exercise of religion Students can trace the history and development of these arguments as well as the reactions to them through this unique collection of over 70 primary documents Court cases and other documents bring to life the controversies surrounding the issues Explanatory introductions to documents aid users in understanding the various arguments put forth while illuminating the significance of each document Patrick and Long trace the origins and changes in the nature of the debates surrounding the issue of freedom of religion using carefully chosen court cases and other documents to reflect the fact that the Court's decision has not always ended public controversy about the relationships between church and state or religion and government Indeed especially in recent years the Court's decisions in some cases have exacerbated old tensions and generated new issues The focus throughout is on the connection between the U S Constitution and freedom of religion The introductory and explanatory text help readers understand the nature of the conflicts the issues being litigated the social and cultural pressures that shaped each debate and the manner in which the passions of individual government officials justices and our presidents affected the development of policies concerning freedom of religion     *Feminism and Christian Tradition* Mary-Paula Walsh, 1999-05-30 This annotated bibliography a volume in the Greenwood series Bibliographies and Indexes in Religious Studies provides access to the numerous writings from the 1960s through the 1990s on feminism and Christian tradition Major feminist theologians and sociologists are represented As a guide to further research this cross disciplinary approach presents themes and issues in both a historical and a topical framework An extensive overview of feminism in relation to the women's movement women's studies sociology and American religion introduces the literature and provides a historical context for the nearly one thousand entries that follow Cross referenced throughout the literature is presented in six thematic categories that include introductory and background materials feminism and the development of feminist theology topical literatures in feminist theology feminism and womanist theology religious leadership of women and responses and recent developments Separate author subject and title indexes complete the volume

## Embracing the Beat of Phrase: An Emotional Symphony within **Issues In American Christianity Primary Sources With Introductions**

In a world taken by monitors and the ceaseless chatter of quick conversation, the melodic splendor and mental symphony produced by the written term frequently fade in to the back ground, eclipsed by the constant noise and interruptions that permeate our lives. Nevertheless, nestled within the pages of **Issues In American Christianity Primary Sources With Introductions** a marvelous literary treasure full of organic emotions, lies an immersive symphony waiting to be embraced. Crafted by an outstanding musician of language, that interesting masterpiece conducts visitors on a mental journey, well unraveling the hidden tunes and profound influence resonating within each carefully constructed phrase. Within the depths of the emotional assessment, we can investigate the book is main harmonies, analyze its enthralling publishing design, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
