Isaac Bashevis Singer His Work And His World:

Isaac Bashevis Singer: His Work and his World Hugh Denman, 2021-12-28 A quarter of a century after Isaac Bashevis Singer was awarded the Nobel Prize for Literature it is time to take stock of his achievement Penetrating studies of his fictional and autobiographical works by leading scholars in the field reveal that for all the acclaim he has received on the basis of the English versions of his works no adequate evaluation of Bashevis's significance can be made without careful examination of the original Yiddish texts Critical readings assess inter alia his themes and motifs the impact of Kabbalah on his work reflections of society in his original Polish homeland as well as his place within the context of contemporary Jewish American letters and the canon of modern Yiddish and Hebrew writing **Cultures of Creativity** Ulf Larsson, 2001 Enth lt S 177 180 Freedom and resources Basel Institute for Immunology **Moments of Magical Realism in US Ethnic Literatures** Lyn Di Iorio Sandín, R. Perez, 2012-12-06 A collection of essays that explores magical realism as a momentary interruption of realism in US ethnic literature showing how these moments of magic realism serve to memorialize address and redress traumatic ethnic histories Vegetarianism and Veganism in Literature from the Ancients to the Twenty-First Century Theophilus Savvas, 2024-04-22 Vegetarianism and Veganism in Literature from the Ancients to the Twenty First Century re assesses both canonical and less well known literary texts to illuminate how vegetarianism and veganism can be understood as literary phenomena as well as dietary and cultural practices. It offers a broad historical span ranging from ancient thinkers and writers such as Pythagoras and Ovid to contemporary novelists including Ruth L Ozeki and Jonathan Franzen The expansive historical scope is complemented by a cross cultural focus which emphasises that the philosophy behind these diets has developed through a dialogic relationship between east and west The book demonstrates also the way in which carnivorism has functioned as an ideology one which has underpinned actions harmful to both human and non human animals Encyclopedia of American Literature Manly, Inc., 2013-06 Susan Clair Imbarrato Carol Berkin The Hidden Isaac Bashevis Singer Seth Brett Barney Lisa Paddock Matthew J Bruccoli George Parker Anderson Judith S L. Wolitz, 2013-12-06 Nobel Prize winning author Isaac Bashevis Singer stands virtually alone among prominent writers for being more widely known through translations of his work than through the original texts Yet readers and critics of the Yiddish originals have long pointed out that the English versions are generally shortened often shorn of much description and religious matter and their perspectives and denouements are significantly altered In short they turn the Yiddish author into a Jewish American English writer detached from of his Eastern European Jewish literary and cultural roots By contrast this collection of essays by leading Yiddish scholars seeks to recover the authentic voice and vision of the writer known to his Yiddish readers as Yitskhok Bashevis The essays are grouped around four themes The Yiddish language and the Yiddish cultural experience in Bashevis s writings Thematic approaches to the study of Bashevis s literature Bashevis s interface with other times and cultures Interpretations of Bashevis's autobiographical writings A special feature of this volume is the

inclusion of Joseph Sherman's new faithful translation of a chapter from Bashevis's Yiddish underworld novel Yarme and **Olga Tokarczuk** Lidia Wiśniewska, Jakub Lipski, 2023-03-14 Filling a significant gap in contemporary criticism of Keyle recent prose fiction this book offers a provocative analysis of the work of Nobel Laureate Olga Tokarczuk situating her output in comparative contexts The chapters making up the volume range from myth critical focused readings to interdisciplinary and intercultural perspectives Tokarczuk s fiction is explored as mythopoeic and heterotopian experimentation as well as being read alongside other arts and other authors of various national and linguistic backgrounds This wide ranging collection is the first monograph on Tokarczuk in English Nobel Prize Laureates in Literature Thomson Gale (Firm), 2007 A biographical bibliographical guide to the writers who have received the Nobel Prize in Literature Provides entries for each Nobel Prize laureate Entries also include the Nobel Prize in Literature presentation speech for the corresponding year and the banguet speech given by the Nobel Prize laureate Humanities ,1988 May God Avenge Their Blood Rachmil Bryks, 2020-05-20 May God Avenge Their Blood a Holocaust Memoir Triptych presents three memoirs by the Yiddish writer Rachmil Bryks 1912 1974 In Those Who Didn t Survive Bryks portrays inter war life in his shtetl Skar ysko Kamienna Poland with great flair and rich anthropological detail rendering a haunting collective portrait of an annihilated community The Fugitives vividly charts the confusion and terror of the early days of World War II in the industrial city of d and elsewhere In the final memoir From Agony to Life Bryks tells of his imprisonment in Auschwitz and other camps Taken together the triptych takes the reader on a wide ranging journey from Hasidic life before the Holocaust to the chaos of the early days of war and then to the horrors of Nazi captivity This translation by Yermiyahu Ahron Taub brings the extraordinary memoirs of an important Yiddish writer to English language readers for the first time Daughters of Valor Jay L. Halio, Ben Siegel, 1997 The essays in this book focus on a wide and representative variety of Jewish American women writers including Cynthia Ozick Anne Roiphe Erica Jong Pauline Kael Allegra Goodman Norma Rosen Adrienne Rich Lynn Sharon Schwartz and others In every instance the contributors have tried to deal not only with the Jewish content of their work but also with its literary quality and other major themes The Jewish Idea and Its Enemies Edward Alexander, 1988-01-01 This volume deals with the modern fate of the traditional conception of Jews as a covenanted people chosen to receive the Law whose ultimate purpose is contributing to the universal salvation of mankind The author shows how under the influence of liberalism rationalism relativism and other Enlightenment ideologies this idea was distorted denied inverted yet never entirely obliterated In his discussions of modern Jewish thinkers and writers and the ideological and political struggles of Zionism and the state of Israel against enemies from without and from within Alexander shows that the ancient idea of covenant is still alive today if only in the assumption that Jewish life can lead somewhere so long as Jews remember that it began somewhere Ranging from literary criticism and the history of ideas to journalism and politics the book is unified by a point of view unabashedly espousing the Jewish idea and challenging its enemies Counting the Miracles: Jewish Thought,

Mysticism, and the Arts from Late Antiquity to the Present Silvana Greco, Judith Olszowy-Schlanger, 2025-05-19 In honor of the writings of Giulio Busi scholar of Jewish culture the book investigates from a multidisciplinary perspective the extraordinary richness of Jewish culture in the Diaspora from antiquity to the latter part of the 20th century A number of rabbinic writings medieval manuscripts from the South of France visual gabbalah the Yiddish language artistic expressions as well as the philosophical and social traditions of some prominent twentieth century figures will be explored While the Jewish cultural tradition has always incorporated the cultural influences of the broader socio historical context in which it was embedded it has in turn been a source of inspiration for the intellectual lite of the majority society.
