McKinion, Thomas C. Oden, 2014-02-19 For the early church fathers the prophecy of Isaiah was not a compendium of Jewish history or theology but an announcement of the coming Messiah fulfilled in the life and ministry of Jesus of Nazareth In this ACCS volume readers will find commentary on Isaiah 1-39 ranging from East to West and from the first through the eighth centuries **The Spirit and the Lake of Fire** Rustin Umstattd, 2017-06-28 The Holy Spirit and the Lake of Fire What does the Spirit have to do with God's final judgment The Holy Spirit and God's judgment upon sin are not two topics that are often connected but to understand the full work of the Spirit they need to be It is not enough to view judgment as the work of just the Father and the Son but in full Trinitarian fashion it must be understood as the work of all three persons of the Trinity In The Spirit and the Lake of Fire Rustin Umstattd establishes the Spirit's role in judgment by connecting several symbols that are used for both the Spirit and judgment such as fire God's breath and God's arm Furthermore by examining Augustine's position that the Spirit is the mutual love of the Father and the Son and Luther's position that God's wrath is the underside of his love Umstattd demonstrates how one comes to the conclusion that the Spirit is operative in God's judgment upon sin

**Introduction to the Hebrew Bible, Third Edition - Prophecy** John J. Collins, 2019-04-15 John J Collins's Introduction to the Hebrew Bible is one of the most popular introductory textbooks in colleges and seminary classrooms Enriched by decades of classroom teaching it is aimed explicitly at motivated students regardless of their previous exposure to the Bible

or faith commitments The third edition is presented in a new and engaging format with new maps and images An index has been added to the volume for the first time In order to enhance classroom use Collins s major text has now been divided into four volumes one for each major part of the Hebrew Bible This volume based on the new third edition focuses on prophecy in the Hebrew Bible Here Collins explores the major and minor prophets and the messages they delivered within each of their historical contexts The volume also contains the introduction to Collins s major text and is now available with even more student friendly features including charts maps photographs chapter summaries and bibliographies for further reading Collins presents the current state of historical archaeological and literary understandings of the biblical text and engages the student in questions of significance and interpretation for the contemporary world **Lament in the Letter of James**

Grant Flynn,2025-08-14 In *Lament in the Letter of James* Grant Flynn presents the first book length study of lament in James After exploring the contours and development of Old Testament lament Flynn examines the lament material in James including a reference to an act of lament allusions to Old Testament laments and exhortations to lament The author then proposes that the choice to use Job as a model of perseverance implies that Job s lament shaped perseverance informs James s understanding of the virtue By rereading the epistle s opening call to consider trials as pure joy with this Joban perseverance in mind Flynn concludes that James envisions an ongoing cycle of lament and joy that reflects both the pain of human suffering and the hope of eschatological perfection *Friend or Foe? The Figure of Babylon in the Book of Jeremiah* MT John Hill,2021-09-06 This work presents a literary interpretation of Babylon in the book of Jeremiah MT It moves beyond historical critical approaches which have long dominated Jeremiah research and shows that metaphor is central to a synchronic reading of the book The study shows that Babylon is a multi layered metaphor at one level it is the archetypal enemy of both Judah and its God at another level it is metaphorically identified with Judah The study also explores the idea of the unended exile and shows how this idea so central to post exilic Judaism is also found in the book of Jeremiah MT

**Isaiah 1-39** Jeff Fisher,2024-05-14 This volume of the Reformation Commentary on Scripture guides readers through a wealth of early modern commentary on the first 39 chapters of Isaiah Preachers scholars and students will hear from familiar voices and discover lesser known figures from a diversity of theological traditions much of which appears here for the first time in English **Reconsidering the Book of the Four** Nicholas R. Werse,2019-05-20 Although many scholars recognize literary similarities between Hosea Amos Micah and Zephaniah defining the compositional relationship between these texts remains a matter of debate Following the scholarly trajectory of exploring the compositional relationship between the Twelve prophets several scholars argue that these four prophetic texts formed a precursory collection to the Book of the Twelve Yet even among advocates for this Book of the Four there remain differences in defining the form and function of the collection By reexamining the literary parallels between these texts Werse shows how different methodological convictions have led to the diverse composition models in the field today Through careful consideration of emerging insights in the study of

deuteronism and scribalism Werse provides an innovative composition model explaining how these four texts came to function as a collection in the wake of the traumatic destruction of Jerusalem This volume explores a historic function of these prophetic voices by examining the editorial process that drew them together **Give Me Children Or I Shall Die** Laurel W. Koepf-Taylor,2013-11-01 In the subsistence agricultural social context of the Hebrew Bible children were necessary for communal survival In such an economy children s labor contributes to the family s livelihood from a young age rather than simply preparing the child for future adult work Ethnographic research shows that this interdependent family life contrasts significantly with that of privileged modern Westerners for whom children are dependents This text seeks to look beyond the dominant cultural constructions of childhood in the modern West and the moral rhetoric that accompanies them so as to uncover what biblical texts intend to communicate when they utilize children as literary tropes in their own social cultural and historical context **A History of Prophecy in Israel, Revised and Enlarged** Joseph Blenkinsopp,1996-10-01 This revised and enlarged edition of a classic in Old Testament scholarship reflects the most up to date research on the prophetic books and offers substantially expanded discussions of important new insight on Isaiah and the other prophets

*Yahweh's Council* Ellen White,2014-04-28 Ellen White explores the depiction of the divine council under the authority of Yahweh in the type scenes of the Hebrew Bible She proposes criteria for determining a Council of Yahweh type scene and membership requirements Following these criteria the Council of Yahweh texts are Isaiah 6 1 Kings 22 Job 1 2 Zechariah 3 and Daniel 7 After determining a cast of characters the author explores the structure of the council and realizes that the structure contains three tiers with two divisions on tiers 2 and 3 The first tier belongs to the chief god the second tier is called the Councilors and the two divisions are Judicial Officials and Advisors The third tier is the Agents and the two divisions on this tier are the Court Officers and Commissioned Characters who play a role relating to the council but are not themselves members of the council are also analyzed Finally Ellen White evaluates the potential for conceptual evolution especially in relationship to monotheism and the participation of human beings within the Council of Yahweh [Jeremiah 48 as Christian Scripture](#) Julie Woods,2011-07-28 An insightful contribution to Old Testament studies showing how the seemingly bloodthirsty oracle of Jeremiah 48 nevertheless contains a positive Christian reading In this sophisticated study Julie Woods identifies some salient features of Jeremiah s Moab oracle by means of a careful analysis and comparison of both the Septuagint and the Masoretic Text of Jeremiah 48 She also explores the implications of links between the Moab oracles in Jeremiah 48 and Isaiah 15 16 The focus then moves to theological hermeneutics via an examination of some recent Christian interpretations of the oracle from Walter Brueggemann Ronald Clements Terence Fretheim Douglas Jones and Patrick Miller Building on the observations of these scholars and the conclusions reached from her own textual analyses Woods provides an innovative Christian reading of the oracle including two imaginative film scripts to bring the text to life Perhaps one of the more surprising proposals is that Easter is the ultimate horizon of Jeremiah 48 **The Physically Disabled in Ancient**

**Israel According to the Old Testament and Ancient Near Eastern Sources** Michael D Fiorello, 2014-09-01 In a unique way this study probes the linguistic sociological religious and theological issues associated with being physically disabled in the ancient Near East By examining the law collections societal conventions and religious obligations towards individuals who were physically disabled Fiorello gives us an understanding of the world a disabled person would enter He explores the connection between the literal use of disability language and the metaphorical use of this language made in biblical prophetic literature as a prophetic critique of Israel s dysfunctional relationship with God COMMENDATIONS In this well researched volume Michael Fiorello has made a significant contribution to the study of disability in the Bible in the context of its ancient Near Eastern world Fiorello s work needs to be taken seriously in the church the academy and the world Richard E Averbeck Trinity Evangelical Divinity School USA

**Still Selling the Righteous** Graham R. Hamborg, 2012-05-24 This redaction critical study interprets the reasons for judgment in Amos 2 6 16 in the literary context of each of the redactional compositions which it is argued underlie the Amos text It is proposed that the Amos text is both a theological work and a tractate of social criticism In earlier redactional compositions the dominant reasons for judgment concern mistreatment of the weak In the later redactional compositions these are overshadowed in terms of length of text by more theological reasons for judgment however these strengthen rather than weaken the force of the older reasons for judgment *Experiencing God in Everything and Nothingness* Annette Potgieter, Khagan M. Delport, 2024-05-03 COVID 19 has impacted the way we see the world and the way we view spirituality in times of crisis people turn or return to religion or spirituality Most of the South African population identifies as Christian This brings to the fore what is meant by spirituality in a country crippled by the remains of apartheid structure rampant corruption poverty and various systemic problems Overall there is a lack of scholarship investigating spirituality and spirituality studies from the global South This book aims to bridge the gap New avenues are investigated of thinking about God in difficult circumstances as ideologies of hope and prosperity are reshaped This book links text and context spirituality and material culture self and society the analogue and the digital contemplation and action saying and unsaying in short the question of experiencing God in both everything and nothingness comes under the scope of this book
