The Isaiah Effect Gregg Braden, 2001-07-10 A Groundbreaking Interpretation of Prayer Quantum Science and Prophecy Only one document was discovered completely intact among the 25 000 fragments of papyrus parchment and hammered copper known as the Dead Sea Scrolls the Great Isaiah Scroll Nearly one thousand years older than existing copies of the Old Testament's Book of Isaiah the twenty two foot long parchment was still rolled and sealed in its original earthen vase when it was discovered in 1946 The completeness of the Isaiah Scroll offers unprecedented insight into the power of an ancient mystery a lost mode of prayer that modern science is just beginning to understand Displayed today in Jerusalem's Shrine of the Book Museum the Great Isaiah Scroll is believed to be so precious by modern scholars that it s withdrawn into a vault beneath the building's floor in the event of a natural or man made disaster In The Isaiah Effect the dazzling new work from the author of Awakening to Zero Point and Walking Between the Worlds scientist and visionary Gregg Braden offers a radical departure from traditional interpretations of Isaiah s text Weaving state of the art research with his extensive knowledge of the ancient Essenes the creators of the scroll texts Braden invites us on a journey where science and miracles are merged into a new wisdom and lead to a startling conclusion He suggests that Isaiah the first Old Testament prophet left precise instructions to the people of the future describing an unconventional mode of prayer Using principles recognized only recently in quantum physics Braden demonstrates how Isaiah s nonreligious nondenominational form of prayer transcends time and distance to bring healing to our bodies and peace to the nations of our modern world **Journey Into Truth** Kent Sayler, 2010-09-20 This book chronicles the amazing spiritual journey made by the author after a series of misfortunes took him from a happy life into an abyss filled with grief and aching loss He thus began questioning everything about life faith truth and God In frustrated desperation he started a five year quest for answers to the melancholy and pain The author writes of powerful hidden knowledge discovered during his fight back to wholeness Through these secrets he ultimately attained a deep genuine sense of peace joy and purpose The book shares personal details of his significant insight filled journey as well as the hidden formula for happiness that he uncovered along the way His references to long lost ancient wisdom make it easy for readers to quickly find their own pathway to profound peace and joy They are also led to discover the means by which they can personally experience a life of true contentment coming to understand their life s unique purpose and thereby achieving deep personal fulfillment The Spontaneous Healing of Belief Gregg Braden, 2009-12 Braden explores the miracles that open the door to a powerful new way of seeing the world and the science that tells why miracles are possible Quantum God Michelle Langenberg, 2013-07-10 If Quantum God were a Who God would not be the judgmental biased and sometimes malicious Old Man in the Sky many of us grew up with but rather the All where everything is possible and pulsating with potential If Quantum God were a What God might be the fabric that connects every idea every desire every personality and everything in a pulsating energetic ever Becoming Whole If Quantum God were a Where God

could be the Higgs Boson God Particle upon which angels dance or an everywhere with ever burgeoning dimensions well beyond our comprehension of the universe as we know it If Quantum God were a Why God would exist because creativity cannot be contained or restrained but seeks free flowing expression expanding in waves and ripples of idea become event Yet Quantum God may be most like a Howthe how behind everything we know and laws we can only guess at the how that lays the groundwork for miracles as commonplace occurrences and composes a theme from the frequency or vibration of joy Quantum God How Life Really Works sheds light on the misconceptions that limit us and offers insights that can free us to be the true powers we really are seemingly magical beings who create with godlike abilities When we understand the invisible workings of the universe we stop being victims of creative laws we dont understand These laws rule our lives whether we comprehend them or not What could we do if we understood them Is there anything we could not do Miracles are the way life is meant to work Quantum God tells about how we shortchange ourselves our true creative potential how our hopes and dreams fears and feelings of inadequacy create our experiences how to rise out of depression victimhood and blame to find joy and peace how to believe in ourselves and live with confidence and optimism You are now what you think you are but youre actually so much more You can become whatever you believe is possible Learn how to redefine yourself **Nineteenth Century and After** ,1883 Winning Your Infinite Freedom - Complete Series 2006-2011 Robert C.
