THAXTER, 2019 *An Island Garden* Celia Thaxter, 2015-06-25 Excerpt from *An Island Garden* At the Isles of Shoals among the ledges of the largest island Appledore lies the small garden which in the following pages I have endeavored to describe. Ever since I could remember anything flowers have been like dear friends to me comforters inspirers powers to uplift and to cheer. A lonely child living on the lighthouse island ten miles away from the mainland every blade of grass that sprang out of the ground every humblest weed was precious in my sight and I began a little garden when not more than five years old. From this year after year the larger one which has given so much pleasure to so many people has grown. The first small bed at the lighthouse island contained only Marigolds pot Marigolds fire-colored blossoms which were the joy of my heart and the delight of my eyes. Vallier, 1994 An examination of Celia Thaxter's career and personal life detailing her poetry, diverse roles, and decline in popularity. During the

last quarter of the nineteenth century Celia Thaxter was the most popular of America's woman poets surpassing in importance many others whose names are better known today Yet Celia's fame began to wane even before her death in 1894 Perhaps as Jane Vallier suggests in this study of Thaxter's life adverse financial circumstances forced the poet to try her hand as a folklorist juvenile author freelance journalist dramatic actress naturalist and illustrator as well In this the first extensive literary biography of Celia Thaxter author Vallier explains the meaning and symbolism of Thaxter's poetry and describes how Celia's unhappy marriage and her life on the Isles of Shoals off the coast of New Hampshire colored her poetry and prose Included in this reprint of the original 1982 edition is a new introduction with additional photographs fifty three of Thaxter's poems plus a reprint of A Memorable Murder the story of the killing of two women on Smuttynose Island in 1873 and first published in Atlantic Monthly
