Israel Past And Present:

Israel's Past in Present Research V. Philips Long, 1999-06-30 The debate over history writing and the scientific study of history is reaching an apex in the late twentieth century and shows no signs of abating in the near future The literature on the topic is prodigious The time is thus ripe for an anthology of essays of the sort that Professor Long has collected essays that trace the history of the issues that have fed into the debate The classic and contemporary essays presented here provide an overview and introduction to the topic bringing together the most essential of these in a handy compilation The book is organized in six sections 1 The State of Old Testament Historiography 2 Ancient Near Eastern Historiography 3 Ancient Israelite Historiography 4 Method in the Study of Ancient Israelite Historiography 5 The Historical Impulse in the Old Testament 6 The Future of Israel s Past Long s goal is to provide a context for Israelite history writing within the milieu of the ancient Near East expose the methodologies and assumptions of various approaches and perspectives on historiography and provide access to essays that examine the contribution of the Hebrew Scriptures themselves to the origins of history writing The final essay by Long points the way to future research and topics that will move the discussion forward into the next millennium Professor V Philips Long teaches Old Testament at Covenant Theological Seminary St Louis

Israel in the Past, the Present, and the Future, Or Lectures on the Restoration of the Jews Thomas Hutton (F.G.S., Captain, Bengal Army.), 1860 **Biblical History and Israel's Past** Megan Bishop Moore, Brad E. Kelle, 2011-05-17 Although scholars have for centuries primarily been interested in using the study of ancient Israel to explain illuminate and clarify the biblical story Megan Bishop Moore and Brad E Kelle describe how scholars today seek more and more to tell the story of the past on its own terms drawing from both biblical and extrabiblical sources to illuminate ancient Israel and its neighbors without privileging the biblical perspective **Biblical History and Israel s Past** provides a comprehensive survey of how study of the Old Testament and the history of Israel has changed since the middle of the twentieth century Moore and Kelle discuss significant trends in scholarship trace the development of ideas since the 1970s and summarize major scholars viewpoints issues and developments **Israel's Past** Bob Becking, 2021-10-04 How should one write a history of Ancient Israel In the last few decades a lively discussion has taken place on the historiography of ancient Israel Minimalists such as Philip Davies Thomas Thompson and Niels Peter Lemche challenged the usefulness of the Hebrew Bible as a source for constructing Israel s past Maximalists like Baruch Halpern and William Dever argued instead that the data from the Hebrew Bible should be trusted until otherwise proven Others among whom we can name Hans Barstad Rainer Albertz and Lester Grabbe took a third road The essays in this volume follow that third road by applying insights from the field of philosophy of history A dozen case studies from David to the earliest Samaritans demonstrate how difficult it is to write a history of ancient Israel without falling in the abyss of an ideology in one direction or another The matrix designed by Manfred Weippert to look at the past through five windows landscape climate archaeology epigraphy and only at the end the Hebrew Bible turned out

to be more helpful The conclusion of this research is that there are some stable pillars in the swamp of the past but it comes with the warning that the space between these pillars is large and cannot easily be filled *The Scattered Nation: Past, Present, and Future* C. Schwartz, 2022-01-13 Reprint of the original first published in 1866 **The Jews: their past, present and future** J. Alexander, 1870 Theology of the Oral Torah Jacob Neusner, 1999-04-10 In The Theology of the Oral Torah Neusner crafts the central conceptions of rabbinic Judaism into a rigorous coherent argument by setting forth four cogent principles that God formed creation in accord with a plan which the Torah reveals that the perfection of creation is signified by the conformity of human affairs to a few enduring paradigms that transcend change that Israel's condition public and personal is indicative of flaws in creation and that God will ultimately restore the perfection embodied in his plan for creation A masterful and original construction of theology of rabbinic Judaism Neusner's story of the Oral Torah is also remarkably familiar the emphasis is still on man's sin and God's response God's justice and mercy and the human mirroring of God through the possession of the power of will The Theology of the Oral Torah is part of Neusner's ongoing major project the construction of theology of rabbinic Judaism a project which rivals in its scope that of the great Maimonides or in Christian theology that of Thomas Aquinas's Summa *Handbook of Rabbinic Theology* Jacob Neusner, 2021-12-28 From his extensive and intensive study of the rabbinic literature Jacob Neusner shows how the rabbinic documents give expression to a very real if implicit theological system While the rabbinic literature is often seen as a collection of miscellaneous responses to questions arising from study of the Hebrew Bible and its application to contemporary life Neusner sees a system behind and embodied in the various writings He discusses the ways in which the divine thought and the human thinking that sought faithfully to interpret it actually came to expression and treats what he calls the grammar of the divine self expression in order to help us see the theological structure that it implies Then he shows how this implicit system is expressed in the rules for the life of the people that God has chosen as his own Citing passages from almost all of the mishnaic tractates Neusner shows how they fit into and give expression to the system This publication has also been published in paperback please click here for details Past, Present, Future Johannes de Moor, H.R. van Rooy, 2021-11-22 In the politico religious history of the Deuteronomists past present and future mingle in an often inextricable way Long obsolete traditions which had been unacceptable to the Davidic dynasty were rediscovered and adapted to the aims of the Deuteronomists Personages of the past were condemned and blackened in the light of the new ideology whereas others were glorified and embellished as heroes of faith because their ideas suited the historians This inevitably raises the question whether the Bible can be trusted as a source book for writing a history of Israel Apparently not say scholars like T L Thompson P R Davies and N P Lemche In this volume a number of authors take up this challenge stating that the radical rejection of the biblical testimony in favour of a history based mainly on archaeology is ill advised Several contributions to this volume draw instructive parallels between the process of re writing the history of South Africa and the work of the Deuteronomists **Notes on the Pentateuch** C. H.

Mackintosh,2015-01-03 Commentary on the Book of Deuteronomy **Israel in Exile** Rainer Albertz,2003 The period of Israel s Babylonian exile is one of the most enthralling eras of biblical history During this time Israel went through its deepest crisis and the foundation was laid for its most profound renewal The crisis provoked the creation of a wealth of literary works such as laments prophetic books and historical works all of which Albertz analyzes in detail through the methods of social history composition criticism and redaction criticism In addition Albertz draws on extrabiblical and archaeological evidence to illuminate the historical and social changes that affected the various exilic groups Thirty five years after Peter Ackroyd s classic *Exile and Restoration* Albertz offers a new generation of biblical scholars and students an equally important appraisal of recent scholarship on this period as well as his own innovative and insightful proposals about the social and literary developments that took place and the theological contribution that was made Includes chronological table map of the ancient Near East and passage index Publisher **Holman New Testament Commentary - Romans**

Evangelical Bible Doctrine Dr. Keith Sherlin,2015-12-10 Over twenty one faithful evangelical Bible teachers have joined together in this work to both honor the legacy of Dr Mal Couch as well as to promote a solid sacred and safe theological manual for the body of Christ Colleagues and friends of Dr Couch such as Dr Wayne House Dr Norman Geisler Dr Arnold Fruchtenbaum Dr Timothy Demy and more along with many of Mals students and disciples set forth in this work a biblical and practical theology The first half of the book covers all twelve of the major biblical doctrines of Christianity The last half covers some of the hottest theological topics and practical issues that present day believers ought to be aware of in order to properly defend the faith In chapter 25 you will meet many of the disciples in Christ that Mal taught over the years as they express their gratitude for this godly giant of the faith So if you are curious about what a holistic evangelical faith looks like and even curious as to how dispensationalism fits within orthodox evangelicalism this book will provide for you a solid resource for many years to come The Recapitulation of Israel Joel Kennedy,2008 Revised version of the author s thesis Ph D University of Aberdeen 2008

Israel's Last Prophet David L. Turner,2015-08-01 Jesus words of indictment and judgment in the Gospel according to Matthew have fueled centuries of Christian anti Judaism But what did those words originally mean within Matthew s narrative David L Turner examines how Matthew has taken up Deuteronomic themes of prophetic rejection and judgment and woven them throughout the Gospel culminating in Matthew 23 32 Matthew was engaged in a heated intramural dispute with other Jewish groups Turner argues The legacy of Christian anti Jewish violence reflects a gross misunderstanding of Matthew by generations who have failed to recognize the author s worldview and allusions Time and History Joseph Pathrapankal,2005-05-16 Jesus of Nazareth inaugurated his earthly ministry with an announcement of the fulfilment of time as well as the nearness of the kingdom of God The Good News he preached came as a

challenge to start a new way of living in our historical process In fact time and history are the most important parameters of human life The ongoing flow of time is what we call history and the entire historical process of the world is at the same time salvation history Humans are the makers of history and they are also being formed and transformed by this history The Church in continuing the saving mission of Christ tries to become the sacrament of God's presence in history and imparts to the world at large its healing and saving power It is from the Bible that we have to derive a comprehensive and holistic meaning of time and history and it is this salubrious understanding that should be the source of inspiration for all in approaching and celebrating the challenge of time and history in our times The various studies in this Time and History Biblical and Theological Studies try to throw light on some of the forgotten dimensions of time and history and invite men and women towards a more meaningful commitment to our historical process **Judaism: The Basics** Jacob

Neusner,2006-11-22 The oldest of the world's major faiths Judaism as practiced today represents a tradition that goes back nearly 6 000 years Accessible and wide ranging Judaism The Basics is a must have resource covering the stories beliefs and expressions of that tradition Key topics covered include the Torah Israel the state and its people Passover Reform Judaism Orthodox Judaism and Zionism the impact of the Holocaust With a glossary of terms and extensive suggestions for further reading Judaism The Basics is an essential guide through the rich intricacies of the Jewish faith and people **Neusner on**

Judaism Jacob Neusner,2017-11-28 Jacob Neusner has published more than 1000 books and articles scholarly and academic popular and journalistic and is one of the most published humanities scholars in the world Over a period of fifty years he has made significant insightful and challenging contributions to the study of Rabbinic Judaism particularly in the disciplines covered in the three volumes which make up Neusner on Judaism the study of history volume 1 literature volume 2 and religion and theology volume 3 These unique volumes of selective writings by Jacob Neusner with new introductions by the author offer scholars an invaluable resource in the field of Judaic Studies *Hosea's God* Mason D. Lancaster,2023-08-11

The book of Hosea is a labyrinth of juxtaposed images for God and God's people with such disparate metaphors as God the devouring lion and God the reviving dew In Hosea's God A Metaphorical Theology Mason D Lancaster demonstrates that recent advances in metaphor theory help untangle these divergent portrayals of God He analyzes fifteen metaphor clusters in Hosea 4:14 individually then discerns patterns and reversals between the clusters Finally respecting the ancient value for emphasizing individual aspects of a depiction over a homogenized picture of the whole the book identifies five characteristics of God prominent among the metaphors of Hosea Based on this analysis Lancaster asserts that Hosea's metaphorical depiction of Yahweh ultimately derives from the primacy of Yahweh's fidelity to Israel *God (in) Acts* Christine H.

Aarflot,2020-06-26 The Acts of the Apostles reveals a God at work However what do God's actions reveal about God's character This question drives the present study whose ultimate goal is to discover what portrayal Acts constructs of God through God's actions Aarflot demonstrates how Jesus's ascension and the development of the gentile mission prove key to

Acts distinctive portrayal of God The study explores what happens to the characterization of God when Jesus's character comes to resemble God through the ascension noting in particular the effect of ambiguous language that might refer to either God or Jesus on the portrayal of God It also considers how Acts depicts God through actions in Israel's past in relation to the narrative present This is done by looking at how God is characterized at decisive moments of Acts plot The resulting observations are ultimately synthesized in a final chapter presenting the portrayal of God in Acts The results of the study have implications for the discussion of the impact of Christology on theology and furthers the discussion of God in the New Testament by delineating a constant yet developing image of God and solidifies previous research's observations on the centrality of God's actions to Acts narrative

Israel Past And Present Introduction

In today's digital age, the availability of Israel Past And Present books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Israel Past And Present books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Israel Past And Present books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Israel Past And Present versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Israel Past And Present books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Israel Past And Present books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Israel Past And Present books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both

public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Israel Past And Present books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Israel Past And Present books and manuals for download and embark on your journey of knowledge?
