Israel The Dynamics Of Change And Continuity:

Israel David Levi-Faur, Gabriel Sheffer, David Vogel, 2014-02-04 These essays examine changes in Israel's political, social and economic institutions and describe how Israeli culture and institutions are resisting convergence. They are in four categories: political institutions and organizations, political economy, ethnicity and religion, and public policy. Special Issue Israel: the Dynamics of Change and Continuity Dāwid Lēwî-Faur, 1999. The Oxford Handbook of Israeli Politics and Society Reuven Y. Hazan, Alan Dowty, Menachem Hofnung, Gideon Rahat, 2021. Few countries receive as much attention as Israel and are at the same time as misunderstood. The Oxford Handbook of Israeli Politics and Society brings together leading Israeli and international figures to offer the most wide-ranging treatment available of an intriguing country. It serves as a comprehensive reference for the growing field of Israel studies and is also a significant resource for students and scholars of comparative politics, recognizing that in many ways Israel is not unique but rather a test case of democracy in deeply divided societies and states engaged in intense conflict. The handbook presents an overview of the historical development of Israeli democracy through chapters examining the country's history, contemporary society, political institutions, international relations, and most pressing political issues. It outlines the most relevant developments over time while not shying away from the strife both in and around Israel. It presents opposed narratives in full force, enabling readers to make their own judgments.

Israel: the First Hundred Years Efraim Karsh, 2014-02-25. The Zionist Movement was born in the wake of Jewish emancipation in Western Europe and at a time of increased persecution in Eastern Europe. This volume addresses the intellectual, social, and political ramifications of Jewish settlement in Eretz Israel before the creation of the State of Israel.

Understanding Israel Joel Peters, Rob Geist, Pinfold, 2018-10-11. The State of Israel is an unlikely powerhouse in a troubled region. Since 1948, Israel has retained its status as a democratic state without interruption. An investor-friendly environment and skilled workforce have led to a thriving economy, whilst the Israel Defense Forces are one of the most powerful armed forces in the world. Yet Israel is also blighted by a plethora of foreign, domestic, and security challenges, some of which threaten the very fabric of the state. The cost of living continues to soar, political corruption appears endemic, and the conflict with the Palestinians divides domestic opinion and sours Israeli foreign relations. Thus, contemporary Israel remains perplexing, resisting any straightforward categorizations or generalizations. This book provides a comprehensive, multi-disciplinary analysis of the external and internal threats, opportunities, and issues facing contemporary Israel. The book comprises sixteen chapters written by recognized authorities in the field of Israeli Studies. Together, the chapters offer a detailed overview of Israel, while separately they provide stand-alone coverage of specific topics under discussion. Part I examines the Israeli Political System, such as the Knesset, political parties, and extra-parliamentary politics. Part II addresses issues in Israeli society, including the Israeli economy, the divides between Jews and Arabs, religious and secular Israelis, and the struggle for gender equality. Part III focuses on security, geopolitical, and foreign policy challenges, looking at relations

between Israel and the Jewish Diaspora Israeli foreign policy borders and settlements and regional security threats By filling an important gap in the study of contemporary Israel this book is of interest to multiple audiences most notably students and scholars of Israeli politics the Middle East and comparative politics

An Institutional Framework for Policymaking Matt Evans,2008-01-01 Dr Matt Evans utilizes previous characterizations of institutions to analyze the framework affecting policymaking and the tools used for policy implementation In examining the effect of institutional change on public policy this book compares the implementation of population dispersal policy in Israel over two fifteen year periods

Israel Clive Jones,Emma C. Murphy,2005-07-25 Often regarded as the only true manifestation of political pluralism in the contemporary Middle East the state of Israel has dominated the history and politics of the region for over fifty years Yet despite its position as a regional superpower Israel continues to struggle with the whole issue of its own identity the complexities of which have exposed deep clefs throughout Israeli society that threaten to undermine the collective ideal of a viable Jewish polity in the Middle East The authors explore the complex challenges facing Israel and the extent to which its present state structures and institutions can adapt and accommodate themselves to the diversity of security threats that it now faces This book will be of interest to those who wish to understand the dynamics that have shaped and continue to shape the state of Israel and the extent to which these have influenced its search for security in the modern Middle East

The Peace Business Markus Bouillon,2004-02-26 Markus Bouillon s book makes an important and original contribution to the literature on the Middle East peace process It is based on extensive and imaginative research and it is packed with new and fascinating material Bouillon places the behaviour of the elites under an uncompromising lens His work serves as a useful corrective to the conventional wisdom by highlighting the negative effects of the peace process for all but the elites in Israel Jordan and the Palestinian territories

Avi Shlaim Oxford University The first full length authoritative account of the various dimensions of business in the context of Arab Israeli peace an empirically dense and nuanced analysis James Piscatori Oxford University

H V Evatt and the Establishment of Israel Daniel Mandel,2004-08-02 This book provides a valuable study of Evatt the Zionist as well as illuminating a fascinating political figure

Lyndon B. Johnson and the Politics of Arms Sales to Israel Abraham Ben-Zvi,2004 This book seeks to reconstruct and elucidate the processes behind the decisions made by the Johnson Administration during the years 1965 68 to sell Israel M 48 tanks A 4 Skyhawk planes and F 4 Phantom planes

Intra-Jewish Conflict in Israel Sami Shalom Chetrit,2009-10-16 This is the first book in English to examine the Mizrahi Jews Jews from the Muslim world in Israel focussing in particular on social and political movements such as the Black Panthers and SHAS The book analyses the ongoing cultural encounter between Zionism and Israel on one side and Mizrahi Jews on the other It charts the relations and political struggle between Ashkenazi Zionists and the Mizrahim in Israel from post war relocation through to the present day The author examines the Mizrahi political struggle and resistance from early immigration in the 1950s to formative events such as the 1959 Wadi As Salib rebellion in Haifa the 1970s Black Panther

movement uprising the Ballot Rebellion of 1977 the evolution and rise of the SHAS political party as a Mizrahi Collective in the 1980s and up to the new radical Mizrahi movements of the 1990s and present day It examines a new Mizrahi discourse which has influenced Israeli culture and academia and the nature of the political system itself in Israel This book will be of great interest to those involved in Middle East Studies and Politics Jewish and Israeli Studies and Race and Ethnic Studies

The Israeli Supreme Court and the Human Rights Revolution Assaf Meydani,2011-07-25 This book explains the reciprocal relations between the Supreme Court and the Israeli political system It is based on a unique approach that contends that the non governability of the political system and an alternative political culture are two key formal and informal variables affecting the behavior of several political players within the Israeli arena The analysis illustrates the usefulness of such a model for analyzing long term socio political processes and explaining the actions of the players Until this model changes significantly the decisions of the High Court of Justice express the values of the state and enable Israel to remain a nation that upholds human rights The Court s decisions determine the normative educational direction and reflect Israel s democratic character with regard to the values of human rights

The New Israel Gershon Shafir,2018-02-13 *The New Israel Peacemaking and Liberalization* argues that the ongoing Israeli Palestinian peace process will be expedited by increased economic liberalization Israel has undergone dramatic economic change in the 1990s shifting from a strongly protectionist state centered economy to a more international neoliberal one The book maintains that these fundamental changes have in turn transformed Israeli society as a whole resulting in a significant moderation of attitudes toward the Palestinian people and Palestinian nationalism The New Israel contains contributions from both established Israeli sociologists and promising young scholars *The New Israel Peacemaking and Liberalization* is an insightful commentary on one of the most crucial international issues of our time

Politics and Violence in Israel/Palestine Lev Luis Grinberg,2009-09-10 This book narrates the political developments in Israel Palestine since the ascent to power of Yitzhak Rabin in 1992 through to the present It includes the developments of the peace process and conflict with Hezbollah and Hamas and how hopes for a settlement have been dashed by the ongoing violence

Neoliberalism as a State Project Asa Maron,Michael Shalev,2017-04-14 This book explores the politics institutional dynamics and outcomes of neoliberal restructuring in Israel It puts forward a bold proposition that the very creation of a neoliberal political economy may be largely a state project Correspondingly it argues that key political conflicts surrounding the realization of this project may occur within the state Neoliberal restructuring and the institutionalization of permanent austerity are dependent on reconfigured power relations between state actors and are manifested in a new institutional architecture of the state This architecture in turn is the context in which efforts to change social and employment policies play themselves out The volume frames the coming of neoliberalism in Israel as a set of concrete and far reaching changes in the power and modes of operation of the key players in the political economy These changes undermined and neutralized veto players and enabled

the ascendance of two state agencies the Ministry of Finance and the Central Bank which gained greatly augmented authority and autonomy These reconfigurations were set in motion by state initiatives that combined punctuated and incremental change The volume comprises case studies of changes in specific social and labor market policies revealing a close elective affinity between programmatic neoliberal changes on the one hand and on the other the proactive drive of the Ministry of Finance to enhance its control over public spending and policy design The book explores successful neoliberal reforms but also reforms that were blocked undermined or overturned by opposition emphasizing the importance of reformers capacity to translate temporary achievements into entrenched strategic advantages [Revisiting the Yom Kippur War](#) P.R. Kumaraswamy,2013-01-11 Looking at the political military and intelligence components of the Yom Kippur War this work offers interpretations of Israel s conflict with the Arabs The contributors Israeli academics some involved in the war make a contribution to the understanding of this part of Israel s history [Routledge Handbook on Contemporary Israel](#) Guy Ben-Porat,Yariv Feniger,Dani Filc,Paula Kabalo,Julia Mirsky,2022-07-29 This Handbook provides a comprehensive overview of contemporary Israel accounting for changes developments and contemporary debates The different chapters offer both a historical background and an updated analysis of politics economy society and culture Across five sections a multidisciplinary group of experts including sociologists political scientists historians and social scientists engage in a wide variety of topics through different perspectives and insights The book opens with a historical section outlining the formation of Israel and Jewish nationalism The second section examines contemporary institutions in Israel their developments and the contemporary challenges they face in light of social economic political and cultural changes The third section explores geopolitics and Israel s foreign relations exploring conflicts alliances and foreign policy with neighbors and powers The fourth section engages with Israel s internal divisions and schisms highlighting questions of identity and inequality while also outlining processes of integration and marginalization between groups The final section explores matters of culture through the social and demographic shifts in contemporary music poetry and cuisine along with the struggles for inclusion and the impact of globalization on Israeli culture The Routledge Handbook on Contemporary Israel is designed for academics along with undergraduate and postgraduate students taking courses on Israel Israeli politics and culture and society in modern Israel [Making Israel](#) Benny Morris,2010-04-23 Benny Morris is the founding father of the New Historians a group of Israeli scholars who have challenged long established perceptions about the origins of the Israeli Palestinian conflict Their research rigorously documented crimes and atrocities committed by the Israeli armed forces including rape torture and ethnic cleansing With Making Israel Morris brings together the first collection of translated articles on the New History by leading Zionist and revisionist Israeli historians providing Americans with a firsthand view of this important debate and enabling a better understanding of how the New Historians have influenced Israelis awareness of their own past The study of Israeli history society politics and economics over the past two decades has been marked by a fierce and sometimes highly

personal debate between traditionalists scholars who generally interpreted Israeli history and society within the Zionist ethos and revisionists scholars who challenged conventional Zionist narratives of Israeli history and society Making Israel brings together traditionalists and revisionists who openly and directly lay out their key insights about Israel s origins It also introduces multidisciplinary perspectives on Israel by historians and sociologists each bringing into the debate its own jargon its own epistemology and methodology and its own array of substantive issues This is essential reading for anybody who wants to understand the different interpretations of Israeli society and perhaps the central debate among students of modern Israel Zeev Maoz Professor of Political Science at the University of California Davis and Distinguished Fellow at the Interdisciplinary Center Herzliya Israel s new historians have done a great service to their country and to all who care about the Arab Israeli conflict By challenging myths reexamining evidence and asking truly important questions about the past they help to confront the present with honesty and realism This book provides a sampling of the best of what these courageous voices have to offer William B Quandt University of Virginia Benny Morris is Professor of Middle East history at Ben Gurion University in Beersheba Israel and is the author of Righteous Victims A History of the Zionist Arab Conflict 1881 1999

Political Transformations and Political Entrepreneurs A. Meydani, 2009-11-23 This book presents a theoretical framework based on the empirical context of the Israeli political system to evaluate under what conditions and in what ways can fundamental institutional changes occur in a democratic political system *Israel Studies* ,2010

Unveiling the Magic of Words: A Report on "**Israel The Dynamics Of Change And Continuity**"

In a global defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their ability to kindle emotions, provoke contemplation, and ignite transformative change is really awe-inspiring. Enter the realm of "**Israel The Dynamics Of Change And Continuity**," a mesmerizing literary masterpiece penned by a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve into the book's central themes, examine its distinctive writing style, and assess its profound affect on the souls of its readers.
