Fakers Paul Meier, Danny Korem, 1981-01-01 Exploding the Myths, 1967 **Except for Palestine** Marc Lamont Hill, Mitchell Plitnick, 2021-02-16 A bold call for the American Left to extend their politics to the issues of Israel Palestine from a New York Times bestselling author and an expert on U S policy in the region In this major work of daring criticism and analysis scholar and political commentator Marc Lamont Hill and Israel Palestine expert Mitchell Plitnick spotlight how holding fast to one sided and unwaveringly pro Israel policies reflects the truth bending grip of authoritarianism on both Israel and the United States Except for Palestine deftly argues that progressives and liberals who oppose regressive policies on immigration racial justice gender equality LGBTQ rights and other issues must extend these core principles to the oppression of Palestinians In doing so the authors take seriously the political concerns and well being of both Israelis and Palestinians demonstrating the extent to which U S policy has made peace harder to attain They also unravel the conflation of advocacy for Palestinian rights with anti-Semitism and hatred of Israel Hill and Plitnick provide a timely and essential intervention by examining multiple dimensions of the Israeli Palestinian conversation including Israel s growing disdain for democracy the effects of occupation on Palestine the siege of Gaza diminishing American funding for Palestinian relief and the campaign to stigmatize any critique of Israeli occupation Except for Palestine is a searing polemic and a cri de coeur for elected officials activists and everyday citizens alike to align their beliefs and politics with their values **Exploding the Myths of Climate Change** Clifford R Holliday, 2021-01-13 This is a book of mythology Since ancient times mankind has built these systems of myths to explain the complicated world he didn t understand The systems were deeply ingrained in the minds of the populations The Greeks attributed a season of poor crops to a disturbance caused by the displeasure of Ceres

Everything that happened adversely to these people was the fault of some divinity of the mythology Similarly a complex set of tales has been constructed to support the idea of human caused climate change by the true believers This now politically correct mythology supporting its ridiculous claims and dicta has come from the distortion of science This distortion was achieved mainly by the media and those with other objectives e g Green New Deal Almost anything wrong in our world is attributed to a disturbance of the human caused climate change mythology droughts floods storms fires extinctions diseases etc This book will separate the many climate change myths from the truths The book describes climate change lists alleged results of climate change compares the allegations to real life It also includes a discussion of causation versus correlation the thermodynamic properties of air and water and similar myths that have been perpetrated throughout history The true believers of climate change may come to concern you too
