## **Exploring Colossians And Philemon:**

*Exploring Colossians & Philemon* John Phillips, 2002 John Phillips writes with enthusiasm and clarity cutting through the confusion and heretical dangers associated with Bible interpretation Moody Magazine **Colossians and Philemon** Marianne Meyers Thompson, 2005-11-02 Colossians and Philemon have traditionally been overshadowed by other New Testament texts thought to express Pauline theology more clearly In this notable commentary however Marianne Meyers Thompson shows how these two epistles provide a unique formulation of the gospel in terms of creation and reconciliation rather than justification by faith In Colossians she finds an overarching narrative of the Bible's grand creation redemption story and an important emphasis on the relationship between creation and Christology while her exploration of Philemon casts brighter light on the significance of Paul's familial metaphors for the church and the meaning of new humanity in Christ Throughout her work on these two epistles Thompson continually connects her insights to theological concerns making this volume an excellent addition to the Two Horizons series **Exploring Colossians: Living the New Reality** Roy R.

Jeal, 2024-11-22 In this comprehensive sociorhetorical interpretation of Colossians Roy R Jeal explores the letter's portrayal of the grand vision that extends from the realm of God before the creation of the cosmos to the new reality and new culture of the life of fullness in Christ The commentary analyzes the pictures the text evokes in the human visual imagination identifies the persuasive modes of discourse in the letter and evaluates the range of textures that interweave to produce the dynamic rhetorical argument of Colossians Demands to conform to empty deceitful philosophy human tradition and the elements of the world rather than to Christ are irrelevant for believers who have been transferred from darkness to the light of the Son of God's kingdom The rhetoric of the letter moves believers to ideologies of living in the body of Christ where orderly behavior guided by love contrasts with the chaotic self-indulgent divisive uncertainties of Mediterranean existence
