Exploring Family Theories:

Exploring Family Theories Suzanne R. Smith, 2009 An army deserter Jean Gabin pitches up in Le Havre looking for a new identity and passage to foreign parts His progress is halted when he falls in love with an idealistic young woman Michelle Morgan Directed by Marcel Carne

Exploring Family Theories Suzanne R. Smith, Raeann R. Hamon, 2021 Introduction Why do you do that Why does our family insist on doing things that way Questions about people's behaviors are the essence of social science inquiry The focus may be on individuals families social groups communities or cultures To engage in the process of social science inquiry you need two things research and theory Before we enter into a discussion of social science theory specifically family theory we first must have a discussion about theory in general

Families as Complex Systems Ana Teixeira de Melo, 2025-06-30 This book presents an innovative framework for conceptualising families as complex systems and for understanding and supporting positive change adaptation and resilience The development of this framework was based on a qualitative and abductive research process targeting change and resilience processes in multi challenged families The theoretical novelty of this book is mostly expressed in the notion of Love Force a relational force emerging from the coupling processes between individuals with potential transformative effects on them their interactions and environments This book introduces a new vocabulary for understanding the complexity of families as complex systems and their change and resilience processes Love Force is presented as a supreme expression of the complexity of families and human bonds It elaborates on the complexity of the family bonds on the relation of Love Force to change and resilience and its contributions to the conceptualisation of the Potential for Family Change Raising important theoretical and methodological challenges and questions it presents a guide for future interdisciplinary research in the domains of complexity and family sciences and advances in practice As such it will be of interest to anyone interested in the complexity of human relations and to complexity scientists as much as family theorists researchers and practitioners

Sourcebook of Family Theories and Methods Pauline Boss, William J. Doherty, Ralph LaRossa, Walter R.

Schumm, Suzanne K. Steinmetz, 1993-03-31 Origins We call this book on theoretical orientations and methodological strategies in family studies a sourcebook because it details the social and personal roots i e sources from which these orientations and strategies flow Thus an appropriate way to preface this book is to talk first of its roots its beginnings In the mid 1980s there emerged in some quarters the sense that it was time for family studies to take stock of itself A goal was thus set to write a book that like Janus would face both backward and forward a book that would give readers both a perspective on the past and a map for the future There were precedents for such a project The Handbook of Marriage and the Family edited by Harold Christensen and published in 1964 the two Contemporary Theories about the Family volumes edited by Wesley Burr Reuben Hill F Ivan Nye and Ira Reiss published in 1979 and the Handbook of Marriage and the Family edited by Marvin Sussman and Suzanne Steinmetz then in production **The SAGE Handbook of Family Business** Leif

Melin, Mattias Nordqvist, Pramodita Sharma, 2013-11-15 The SAGE Handbook of Family Business captures the conceptual map and state of the art thinking on family business an area experiencing rapid global growth in research and education since the last three decades Edited by the leading figures in family business studies with contributions and editorial board support from the most prominent scholars in the field this Handbook reflects on the development and current status of family enterprise research in terms of applied theories methods topics investigated and perspectives on the field s future The SAGE Handbook of Family Business is divided into following six sections allowing for ease of navigation while gaining a multi dimensional perspective and understanding of the field Part I Theoretical perspectives in family business studies Part II Major issues in family business studies Part III Entrepreneurial and managerial aspects in family business studies Part IV Behavioral and organizational aspects in family business studies Part V Methods in use in family business studies Part VI The future of the field of family business studies By including critical reflections and presenting possible alternative perspectives and theories this Handbook contributes to the framing of future research on family enterprises around the world It is an invaluable resource for current and future scholars interested in understanding the unique dynamics of family enterprises under the rubric of entrepreneurship strategic management organization theory accounting marketing or other related areas

Sourcebook of Family Theory and Research Vern L. Bengtson, 2005 Now available in paperback for classroom use This comprehensive text provides a rich source of perspectives on theorising about the family for scholars researchers and students Another of the book s strengths is the emphasis on multimethod approaches in family research The book covers an impressive range of topics and issues marital happiness adjustment of children in divorce marriages gay marriage sibling ties ethnic families of colour stepfamilies aggression culture work and family religion and social policy to name a few In summary this superb volume is highly recommended and amply reflects the many contemporary perspectives on the family Philip Siebler Monash University Victoria Sponsored by the National Council on Family Relations the Sourcebook of Family Theory and Research is the reference work on theory and methods for family scholars and students around the world This volume

provides a diverse eclectic and paradoxically mature approach to theorizing and demonstrates how the development of theory is crucial to the future of family research The Sourcebook reflects an interactive approach that focuses on the process of theory building and designing research thereby engaging readers in doing theory rather than simply reading about it An accompanying website offers additional participation and interaction in the process of doing theory and making science Editors Vern L Bengtson Alan C Acock Katherine R Allen Peggye Dilworth Anderson and David M Klein have brought together a prominent group of diverse contributors ranging in race and ethnicity age and seniority and gender and sexual orientation The Sourcebook begins with a section that sets the context for future family research The subsequent sections explore changing family patterns changing family interactions within and across generations and families and larger social forces A concluding section discusses issues of teaching family theories and research Key Features Focuses on the process rather than the outcomes of family theory and research methods Emphasizes the value of multi methods approaches in family research by integrating theory development with the development of research methods Differs from many other publications on family research by describing the development of new ideas rather than just summarizing existing findings The interactive Web site and the special feature boxes within the chapters engage readers with theory and methodology Boxed features include Case Studies Spotlights on Theory Spotlights on Methods and a Discussion and Extension sections Represents a Who's Who of family researchers with contributions from many of the best researchers in the family realm The Sourcebook will be an excellent addition to any academic library It is an authoritative reference for scholars and researchers in Human Development and Family Studies Sociology Social Work and Psychology In addition the Sourcebook can also be used in graduate courses on family theory and methodology
