[Baptist Bulletin](#) ,2000 *Living God's Word Workbook* J. Scott Duvall,J. Daniel Hays,2021-06-01 A Companion WORKBOOK to Help You Discover the Great Story of Scripture and Find Your Place in It. *Living God's Word* is your pathway to read the Bible as it was meant to be read as God's Great Story. This WORKBOOK is designed for use alongside the second edition of *Living God's Word*. While the textbook helps you see the big picture of what God is doing throughout the Bible, the WORKBOOK lets you reflect on and internalize what you are reading. Many Christians resolve to study the Bible more fervently but often struggle to grasp the progression of Scripture as a whole. They encounter various passages each week through unrelated readings, studies, and sermons, and it all feels disconnected. But once they see the Bible as God's Great Story, they begin to understand how it all fits together, and they start to see how their own lives fit into what God has done and is doing in the world. In *Living God's Word*, Second Edition, New Testament scholar J. Scott Duvall and Old Testament expert J. Daniel Hays help Christians consider how their lives can be integrated into the story of the Bible, thus enabling them to live faithfully in deep and important ways. *Living God's Word* explores the entire Bible through broad themes that trace the progression of God's redemptive plan. Each section deals with a certain portion of Scripture's story and includes Reading, listening, preparation, Explanation, Summary, Observations about theological significance, Connections to the Great Story, Written assignments for further study. These features combined with the authors' engaging style make *Living God's Word* an ideal book for those who want to understand the Bible better for introductory college courses, Sunday school electives, or small group study. When used alongside the textbook, this workbook is the ideal resource for anyone looking to

better understand how the entire Bible fits together as God's Great Story
