The Agents Collection: Agents of the Apocalypse / Agents of Babylon David Jeremiah, 2016-09-01. This collection bundles two of respected author David Jeremiah's best-selling prophecy books into one e-book for a great value. **Agents of the Apocalypse**: Are we living in the end times? Is it possible that the players depicted in the book of Revelation could be out in force today? And if they are, would you know how to recognize them? In **Agents of the Apocalypse**, noted prophecy expert Dr. David Jeremiah does what no prophecy expert has done before. He explores the book of Revelation through the lens of its major players: the exiled, the martyrs, the elders, the victor, the king, the judge, the 144,000, the witnesses, the false prophet, and the beast. One by one, Dr. Jeremiah delves into their individual personalities and motives and the role that each plays in biblical prophecy. Then he provides readers with the critical clues and information needed to recognize their presence and power in the world today. The stage is set, and the curtain is about to rise on Earth's final act. Will you be ready? **Agents of Babylon**: In his 1 New York Times bestseller **Agents of the Apocalypse**, noted prophecy expert Dr. David Jeremiah explored the book of Revelation through the lens of its major players. Now, in the much anticipated follow-up **Agents of Babylon**, Dr. Jeremiah examines prophecy through the eyes of the characters in the book of Daniel, explains what the prophecies mean, and helps us understand how these prophetic visions and dreams apply to our lives today. Written in the same highly engaging half-dramatization, half-Bible teaching format as **Agents of the Apocalypse**, **Agents of Babylon** is not only an in-depth exploration of the characters and prophecies contained in the book of Daniel but also a dramatic retelling of Scripture that is sure to bring ancient prophecy to light like never before.

Coming Economic Armageddon David Jeremiah, 2025-05-01. Never before have we read such jarring headlines, distressing news analyses, or dire predictions concerning the world's financial future. The American housing market, or more sentimentally, the American dream, began to collapse in 2006, taking with it large chunks of the global financial system. Millions of jobs worldwide have vanished forever. Did Bible prophecy predict this catastrophe? Are there biblical clues to how soon, if ever, a viable long-term recovery can be sustained? Is the financial collapse just one of several signs that we are living in the final days of Earth's history? In **The Coming Economic Armageddon**, David Jeremiah says we can know the meaning behind what we see in the daily news and understand and prepare for living in the New Global Economy.
