STUCK Bob Sorge ,2019-05-07 STUCK Help for the Troubled Home Jesus gave a supremely wise way to tackle the most troubling enemy of our marriages and almost nobody knows about it But you re not STUCK Discover how to regain harmony in your marriage Jesus way *In His Face* Bob Sorge,1994 It is one thing to suffer it is quite another to suffer profitably Bob shares this grippin book is a must for all who are currently suffering and should read for those whose time of trial is just around the corner Dr Judson Cornwall author international teacher **Interpreting The Times** Chuck D Pierce,2012-09-20 Have you ever noticed how often we use the word time in our everyday conversations Not only are we acutely aware of the passage of time but our speech is also littered with references to it We kill and waste time Time flies or sometimes it crawls We refer to time in countless expressions and figures of speech Chuck Pierce tackles the subject of time specifically as it relates to God and our relationship with Him addressing some transcendental questions such as how can we tell when we get out of step with God s timing Pierce moves readers from viewing time as a philosophy or a curse to seeing it as a real gift from God presenting a new reality of space time spirit and truth as they advance through the pages This book is for everyone who wants to take back their life take their place above the linear timeline and learn to live on earth influenced and empowered by an eternal God **Levite Praise** Cheryl Wilson-Bridges,2013-01-09 Levite Praise delves deeply into the Scriptures to help worship leaders and worshipers develop a full understanding of what it means to direct and take part in God s perfect model for praise and worship It addresses the differences of opinion on the topic and offers biblical counsel with regard to how praise and worship should be carried out and how its leadership should be organized **Essentials of Pentecostal Theology** Tony Richie,2020-01-20 Only a few decades past academia tended to scoff at the very idea of serious Pentecostal theology Today profound and variegated theological implications of this dynamic movement are the object of exploration and development across the entire spectrum of the Christian theological corpus Arguably an acute need has

arisen for identification and evaluation of the Pentecostal movement's original and ongoing theological essentials. What is Pentecostal theology really all about anyway? This volume realizes that Pentecostal theology is at its heart a working theology undergirding and energizing believers' worship of God in prayer and praise, in holy living and in witness to a personal experience of the risen Lord and Savior manifested in the continuing power of the Holy Spirit. Authentic implementation, if not explicit articulation of fervent Pentecostal theology, often occurs in the vitality of local churches, house fellowships, and various mission settings in America and around the world. Birthed in the fires of revival movements, essential Pentecostalism, including Pentecostal theology, continues to burn brightest wherever it is fueled most directly.
