Exploring Acts John Phillips, 2001-09-01 John Phillips writes with enthusiasm and clarity cutting through the confusion and heretical dangers associated with Bible interpretation Moody Magazine      The Ministry We Need Jeremy A. Rogers, Jordan N. Rogers, Tony A. Rogers, 2022-05-26 What would cause the apostle Paul to testify that I am innocent of the blood of all Godly qualities characterized his ministry and outside of Christ's there is no greater ministry example All ministers struggle and we all know those who toil in frustration alongside us in the Lord's field You may be amid deep struggle now worn tattered scarred ready to quit you have lost the focus and the joy of your calling Most of us in ministry have known those who have either left the ministry or shipwrecked their faith Quite possibly this is you What we need to do is put our hands to the plow focus on our calling and the path before us and determine to finish well Drawing on Paul's example from Acts 20:17-38 the authors prescribe ministry principles touching on a wide range of pastoral and preaching insights Some have a ministry they should not want some desire a ministry they think they want but this book seeks to identify the ministry we need      Conflict Management and the Apostle Paul Scot McKnight, Greg Mamula, 2018-05-22 Churches often find themselves in the middle of conflict These conflicts can exist between people within the church between the leaders and congregation or even between churches themselves Leaders often turn to Scripture for guidance in resolving these conflicts However the Bible does not outline or even discuss conflict management In fact various biblical figures from ancient Israelite kings to New Testament apostles all uniquely approach conflict Does the Bible have a theory of conflict management In Conflict Management and the Apostle Paul the authors explore how Paul approached conflicts with his close associates like Barnabas and Peter and with his mission churches like those in Galatia and Corinth Conflict Management and the Apostle Paul distinctively sketches how various theories of conflict management used today shed light on Paul's own approaches to conflict while also evaluating the conflicts themselves The authors in this volume are pastors and church workers who themselves bring their own experiences with conflict into play as they seek wisdom from the New Testament

Acts 1-12: Dr. Matthew N. O. Sadiku, 2016-09-30 Every serious student of the Bible desires to understand the text discover the biblical principles and apply the truths to his/her life This commentary is designed to help students pastors and Bible teachers understand the book of Acts in a simple manner Working from the popular New International Version NIV the author provides helpful commentary on the text verse by verse This verse by verse commentary is different from others in two respects First it is brief while some commentaries are unnecessarily wordy and verbose Second it is Pentecostal in outlook This implies that we generally adhere to the doctrine of biblical inerrancy and adopt a literalist approach to the interpretation of the Bible The Gospel of Luke along with Acts forms a two volume history The book of Acts fills the gap between the Gospels and the Epistles Acts is evidently an important book for the church since it teaches the nature growth and purpose of the church      Paul of Tarsus: Apostle to the Gentiles ,      **Kingdom Rhetoric** T. Michael W.

Halcomb,2013-09-01 This book written to honor Ben Witherington III is a collaborative effort from the New Testament department at Asbury Theological Seminary Essays are offered by five New Testament faculty and five New Testament students who have completed or are currently in the process of completing the PhD program It is our hope that readers of this volume which is divided into five sections and covers the breadth of the New Testament canon will be encouraged in their own explorations and research of the New Testament much as Ben and his works have encouraged us For those who know Ben they will know the last year or so has been quite a difficult one for him and his family On Wednesday January 11 2012 Christy Ann the daughter of Ben and Ann passed on unexpectedly Today there exists a scholarship fund in Christy s name The Christy Ann Witherington Scholarship Fund at Asbury Theological Seminary and readers should be aware that 100 percent of the proceeds from this book will go to that scholarship fund to assist female students in Asbury s biblical studies program Contributors David R Bauer Joseph R Dongell T Michael W Halcomb Craig S Keener Robert Brian Kidwell Susann Liubinskas Fredrick J Long Jason A Myers Judith Odor Ruth Anne Reese     **The Lord's Day in Scripture** Rodney D. Nelson,2019-09-18 What is the Christian Lord s Day Why is it of continued importance What does it represent These and other questions will be addressed in *The Lord s Day in Scripture* The Lord s Day is the scriptural name for the Christian day of worship on the first day of the week The Lord s Day is the Lord s Day the day of which the Lord Jesus Christ took possession by his resurrection on the first day of the week The day of Christ s resurrection was prophesied in the Old Testament to be on the third day fulfilled in the New Testament on the first day of the week and celebrated as the Lord s Day Therefore the time of the resurrection is directly connected to the event of the resurrection The Lord s Day in Scripture establishes the scriptural basis for the Lord s Day It seeks to help each Christian appreciate worship fellowship and meaning in church through a better understanding of what the Lord s Day is and is not     *Exalting Jesus in 1 & 2 Thessalonians* Mark Howell,2015-02-01 *Exalting Jesus in 1 & 2 Thessalonians* is one volume in Christ Centered Exposition Commentary series This series affirms that the Bible is a Christ centered book containing a unified story of redemptive history of which Jesus is the hero It s presented as sermons divided into chapters that conclude with a Reflect Discuss section making this series ideal for small group study personal devotion and even sermon preparation It s not academic but rather presents an easy reading practical and friendly commentary The series is projected to be 48 volumes     *Exploring Ephesians & Philippians* John Phillips,2002-03 John Phillips writes with enthusiasm and clarity cutting through the confusion and heretical dangers associated with Bible interpretation Moody magazine     *A Biblical Theology of Christian Discipleship* Johnny Turner,2021-06-11 *A Biblical Theology of Christian Discipleship* is a spiritual resource that examines the biblical and theological doctrines to do ministry amid challenges and oppositions The role of the church is to persuade individuals to establish a philosophy of authentic discipleship This book challenges the church to walk humbly before God as genuine disciples The primary focus is to carefully follow Christ s mandate of the Great Commission in Matthew 28 18 20 Go and

make disciples More importantly the book describes how the church can effectively use different methods and principles to better prepare believers for Christ **Exploring Romans** John Phillips,2002-03-01 John Phillips writes with enthusiasm and clarity cutting through the confusion and heretical dangers associated with Bible interpretation Moody Magazine

**Boundaries of Freedom** Lee Thai,2019-01-10 Are our pains and sufferings preordained and fixed by God or are they the consequences of man s actions Can the immutable Lord ever change his mind in response to our prayers This dilemma of God s sovereignty and man s free will has been a quandary for the church for nearly two thousand years Previous solutions Calvinism Arminianism Molinism and Open Theism have not been successful in deciphering the enigma The problem is now resolved by exposing the fallacies in man s claim that he is given no other choice but to do whatever the Lord foreknew and foreordained Using the analogy of the dual nature of light the quantum proposal affirms that man has alternative options that were created and foreknown by God within his predetermined boundaries From Adam s fall in Genesis to Paul s ministry in the New Testament alternative possibilities have always been offered Men are free to choose among the given options and must live with the consequences whether good or evil This groundbreaking work is a must read for all Christians who struggle with the dilemma of divine sovereignty and human s responsibility Exploring Galatians John Phillips,2004 John Phillips writes with enthusiasm and clarity cutting through the confusion and heretical dangers associated with Bible interpretation Moody Magazine *Acts 13-28: Dr. Matthew N. O. Sadiku*,2016-09-30 Every serious student of the Bible desires to understand the text discover the biblical principles and apply the truths to his her life This commentary is designed to help students pastors and Bible teachers understand Acts in a simple manner Working from the popular New International Version NIV the author provides helpful commentary on the text verse by verse This verse by verse commentary is different from others in two respects First it is brief while some commentaries are unnecessarily wordy and verbose Second it is Pentecostal in outlook This implies that we generally adhere to the doctrine of biblical inerrancy and adopt a literalist approach to the interpretation of the Bible The gospel of Luke along with Acts forms a two volume history The book of Acts fills the gap between the gospels and the epistles Acts is evidently an important book for the church since it teaches much about the nature growth and purpose of the church **Exploring the Pastoral Epistles** John Phillips,2003-04 John Phillips writes with enthusiasm and clarity cutting through the confusion and heretical dangers associated with Bible interpretation Moody Magazine *Deacons: The diakon-word group in the New Testament and the ministry of the deacon* Gert Breed,2023-04 Deacons The diakon words in the New Testament and the ministry of the deacon offers an in depth analysis of the concept of deacon in the New Testament and its significance for present day congregational practices The essence and content of the service of the deacon within the community of God forms the focus of the study Significant passages in the New Testament are considered in fine exegetical manner to determine the guidelines offered within the context of these NT texts In this way different perspectives are highlighted that enrich the overall understanding of the concept of deacon

Obviously this challenges some of the views held on this topic that even influence the way several churches organise their diaconal service and suggests some novel ideas related to the topic. Certain focal points are described for instance the centrality of the covenant and Kingdom in exercising diaconal service or the interrelatedness of koinonia, diakonia and worship. This book offers a rich and responsible study of the concept of deacons in congregations both on theoretical and practical levels. Prof Dr Jan van der Watt
