## Exploring Ot Vol 3 Psalms:

**Psalms : Volume 3 (Baker Commentary on the Old Testament Wisdom and Psalms)** John Goldingay, 2008-11-01  
John Goldingay's three volume commentary on the book of Psalms is now complete with this third volume. This work combines literary, historical, grammatical and theological insights in a widely accessible manner. One of today's foremost experts on biblical theology, Goldingay covers Psalms 90-150 with his own translation of each passage followed by interpretive comments and discussion of the theological implications. The book of Psalms is the literary sanctuary, a holy place where humans share their joys and struggles with brutal honesty in God's presence, writes Tremper Longman III, editor of the Baker Commentary on the Old Testament Wisdom and Psalms series. Pastors, seminary students, scholars and Bible study leaders will enjoy this enriching volume. Goldingay's Psalms commentary is also available as a three volume set. **Psalms** Stephen B. Dawes, 2010. Many students are unfamiliar with the Old Testament and struggle to access it with the exception of the Psalms which are more familiar through their use in Christian worship and yet offer insights into the world of the Old Testament. This book introduces the readers to the Psalms and the mainstream scholarship on the Psalms. *Dictionary of the Old Testament: Wisdom, Poetry & Writings* Tremper Longman III, Peter Enns, 2008-06-06. Tremper Longman III and Peter E. Enns edit this collection of 148 articles by over 90 contributors on Job, Psalms, Proverbs, Ecclesiastes, Song of Songs, Lamentations, Ruth and Esther. Exploring the Old Testament Vol 3 Ernest Lucas, 2003-10-23. The Psalms and Wisdom Literature is one of six textbooks covering the Old and New Testaments, all written by authors who have extensive experience of teaching students in their first two years of university level study. This book offers an exploratory approach that enables students to engage with the text for themselves and not simply to be passive learners. It provides activities and challenges at introductory and intermediate levels, the key background information needed to work at the required level and ideas for further theological thought and reading. Students will discover the kind of literature they are dealing with, the major questions in the scholarly study of these books, the structure and purpose of the books, the major themes and theology of each book, issues for today arising from each area of study. A study of the prophets that will serve admirably as a textbook for a class or a resource for individual study. I recommend this book highly to all who want to learn more about this important part of Hebrew Scriptures. Tremper Longman III, Robert H. Gundry, Professor of Biblical Studies, Westmont College. I have found the range of topics treated by Lucas enormously impressive. From all the usual introductory topics through to detailed guidelines for interpretation, students will find here admirable summaries of the main scholarly views together with sensible comments to help evaluate them. I know of no other textbook on the Psalms and Writings that will service its intended readership so helpfully. Professor H. G. M. Williamson, Regius Professor of Hebrew, University of Oxford. Comments on Exploring the Old Testament: The Prophets. It fulfils superbly its aim of making the prophets accessible to the student reader. Professor Robert P. Gordon, University of Cambridge.
