## **Exploring The Pastoral Epistles An Expository Commentary:**

**Exploring the Pastoral Epistles** John Phillips, 2003-04 John Phillips writes with enthusiasm and clarity cutting through the confusion and heretical dangers associated with Bible interpretation Moody Magazine *Exploring the Epistles of John* John Phillips, 2003 John Phillips writes with enthusiasm and clarity cutting through the confusion and heretical dangers associated with Bible interpretation Moody Magazine *Enduring Truth* Aaron E. Lavender, 2016-09-15 Enduring Truth argues that faithfulness to Scripture is the solution to a crisis among African American preaching Though misinterpreting God's Word is not restricted to one race or culture author Aaron Lavender identifies three factors that have precipitated the decline of black preaching specifically racial segregation black liberation theology and prosperity theology The book's first chapter recounts the history of the crisis noting how discrimination in theological education led black ministers to liberal colleges and seminaries that prophetically confronted Jim Crow but taught the social gospel and other forms of theological error Such schools ultimately were harmful to the spiritual health of black churches Subsequent chapters discuss the role of biblical exegesis in preaching develop a theology of preaching and suggest preaching methods for the postmodern world Every biblical text has one meaning according to Lavender The preacher's job is to determine and communicate that meaning then show its relevance in the cultural context of his hearers Proof texting and relativism Lavender writes are two great enemies of biblical preaching While focused on the African American context this volume addresses topics relevant to all preachers Enduring Truth is suited both for ministry practitioners and preaching courses It will help readers elevate the Word of God over the worldly allures of any ministry setting **1 Timothy, Volume 3** Paul S. Jeon, 2017-12-22 1 Timothy is one of the more controversial documents in the New Testament For years critical scholars have rejected Pauline authorship highlighted the apparent misogynistic quality of the text and argued against any coherence in the letter Jeon takes a fresh look at the letter incorporating many recent advancements in NT scholarship In detail he demonstrates the macro and micro chiastic arrangement of the entire letter and explains how the presumed first century audience would have heard and responded to an oral performance of the letter In doing so Jeon offers a fresh challenge to more popular ways of misunderstanding the letter and points a way forward for appropriating the letter both in academia and in the church The Biblically-Driven Church: How Jesus Builds His Body Cliff McManis, 2016-09-20 How does a church grow Who builds the church What is the real honorable church anyway **Happiness** Randy Alcorn, 2024-06 Christians are supposed to be happy In fact we are supposed to radiate joy peace and contentment that is so unmistakable and so attractive that others are naturally drawn to us because they want what we have And yet in today's culture the vast majority of Christians are perceived as angry judgmental people who don't seem to derive any joy from life whatsoever So why aren't we happy Unfortunately many Christians are taught early on that God doesn't want us to be happy he wants us to be holy In fact many Christians are laboring under the false notion that God himself is not happy But nothing could be further from the truth God

does want us to be happy The Bible is filled with verses that prove that ours is a happy joy filled God who not only loves celebrations but also desperately wants his children to be happy Why else would He go to the lengths He did to ensure our eternal happiness in His presence We know that we will experience unimaginable joy and happiness in Heaven but that doesn't mean we can't also experience joy and happiness here on earth In Happiness noted theologian Randy Alcorn dispels centuries of misconceptions about happiness and provides indisputable proof that God not only wants us to be happy He commands it The most definitive study on the subject of happiness to date this book is a paradigm shifting wake up call for the church and Christians everywhere **Giving Is the Good Life** Randy Alcorn, 2019-09-03 ECPA 2020 Christian Book Award Finalist Wouldn't it be great if we could do what pleases God helps others and is best for us at the same time Can we live the good life without being selfish In Giving Is the Good Life bestselling author Randy Alcorn teaches life changing biblical principles of generosity and tells stories of people who have put those radical principles into practice Each story is a practical application that can help stimulate your imagination and expand your dreams of serving Jesus in fresh ways These real life models give you not just words to remember but footprints to follow Giving Is the Good Life reveals a grander view of God and generosity one that stretches far beyond our imagination and teaches us what the good life is really all about

**Insights on 1 & 2 Timothy, Titus** Charles R. Swindoll, 2010 The newest addition to this landmark series provides a wealth of colorful detailed and easy to understand insights into 1 and 2 Timothy and Titus Biblical Studies **God's Promise of Happiness** Randy Alcorn, 2015-10-01 Think God doesn't want you to be happy Think again We know that we will experience unimaginable joy and happiness in Heaven but that doesn't mean we can't also experience joy and happiness here on earth In God's Promise of Happiness bestselling author and noted theologian Randy Alcorn shares select passages and scripture from his latest hardcover release Happiness that provide insight wisdom and proof positive that God not only wants us to be happy he commands it **Persuading the Cretans** Aldred A. Genade, 2011-03-23 The Letter to Titus is often branded as incoherent its salutation inchoate Such premature conclusions are directly related to the authenticity debate that has marred analyses of the so called Pastoral Epistles From the corridors of academia echoes the cry to study the letters individually and independently of the authorship issue This book does exactly that It lays bare intricate and novel persuasive strategies strategies that belie the charge of incoherency In fact there is not one but three ways to describe the structure of this masterfully composed letter In Persuading the Cretans Aldred Genade does this utilizing a technique known as text generated persuasion analysis Careful thought has gone into the composition of the letter to communicate timeless truths relevant for generations of Christians This is first century outcomes based communication at its best and communicators preachers and scholars stand to benefit from the lessons in communication the author of Titus can teach us Exploring Acts John Phillips, 2001-09-01 John Phillips writes with enthusiasm and clarity cutting through the confusion and heretical dangers associated with Bible interpretation Moody Magazine **Exploring the New Testament Book by Book** John

approaches to interpretation and preaching Though homiletics and hermeneutics are the fields of the study the church remains the arena where the fruit of each discipline is observed most clearly as Dr Sackett instructed his students throughout his years of teaching     *The Coming Apostasy* Mark Hitchcock, Jeff Kinley, 2017 Are we on the verge of a great apostasy in the church For a time is coming when people will no longer listen to sound and wholesome teaching They will follow their own desires and will look for teachers who will tell them whatever their itching ears want to hear They will reject the truth and chase after myths 2 Timothy 4 3 4 Jesus Christ is coming back It is certainly a Christian s greatest hope during these difficult times The Bible warns us that the last days will be tumultuous wars and rumors of wars will spread Matthew 24 6 In our age the world seems to be spinning out of control creating fear confusion and uncertainty In addition to violence pestilence and epidemics the Bible predicts a great falling away from God in the end times Bible teachers call that the great apostasy Are we seeing evidence today in the church of this massive rejection of sound and wholesome teaching Bestselling authors Mark Hitchcock and Jeff Kinley team up to examine the evidence from the teachers of our time Are today s teachers allowing people to follow their own desires by telling them what they want to hear as the Bible clearly predicts Are major portions of the church ready to abandon sound and wholesome teaching Together Mark and Jeff explore alarming trends among today s church leaders and they are simply stunned by what they discover The great apostasy is coming but is it closer than we imagine What does that mean for the future Let Mark and Jeff be your steady guides to the difficult days ahead     **Deep Roots** Michael A.
