Understanding Forgiveness Dr John S Weekes, John S. Weekes, 2001-11-29 Forgiveness is a vital component in the lives of every individual living in an orderly and civilized community For the Christian it is as important as life itself since our heavenly Father not only charges us to forgive but makes it a condition of our own forgiveness It is therefore of vital importance that we all understand what forgiveness is how it works and how it affects our relationships with one another and with the one we call our Father which art in heaven In this little book Dr Weekes has compiled a useful and readable guide The following pages are dedicated to all those who lost their lives as a result of the terrorist acts on September eleventh in the year of our Lord two thousand and one The brave passengers and crew on those aircrafts the occupants in the Pentagon and the Twin Towers the fire fighters and all the rescuers who lost their lives May God be merciful to them and may their souls and the souls of all those who depart this life in the faith and fear of our Lord by the mercy of God rest in peace

Religious Influences on Health and Well-Being in the Elderly K.

Warner Schaie, PhD, Neal Krause, PhD, Alan Booth, PhD, 2004-06-15 What makes the book's approach so captivating is that each chapter is written by a different researcher in the study of religion and health. These researchers are responsible for significant portions of the existing literature and methodologies found in this field today. The versatility of the book warrants special mention. It is effective as a survey of work that has already been done on this topic. At the same time, it serves as a wellspring of ideas for new research. This work makes a valuable contribution to the present understanding of research on religion and health. It also serves as a road map to help chart directions for future endeavors in the field.

The Priority of Love Timothy Patrick Jackson, 2003 This book explores the relation between agape or Christian charity and social justice Timothy Jackson defines agape as the central virtue in Christian ethical thought and action and applies his insights to three concrete issues political violence forgiveness and abortion Taking his primary cue from the New Testament while drawing extensively from contemporary theology and philosophy Jackson identifies three features of Christian charity unconditional commitment to the good of others equal regard for others well being and passionate service open to self sacrifice for the sake of others Charity prescribed by Jesus for his disciples and named by Saint Paul as the greatest theological virtue is contrasted with various accounts of justice Jackson argues that agape is not trumped by justice or other goods Rather agape precedes justice without the work of love society would not produce persons capable of merit demerit and contract the elements of most modern conceptions of justice Jackson then considers the implications of his ideas for several questions the nature of God the relation between Christian love and political violence the place of forgiveness and the morality of abortion Arguing that agapic love is to be construed as a gift of grace as well as a divine commandment Jackson concludes that love is the eternal life that makes temporal existence possible and thus the first Christian virtue Though foremost a contribution to Christian ethics Jackson's arguments and the issues he takes up will find a broader readership
