## Explanations Of Spiritist Phenomena:

**Explanations of Spiritist Phenomena** A. T. Schofield, 2005-12 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work *The Spiritist Fallacy* René Guénon, 2003 The Spiritual Fallacy though packed with arcane facts is unique in revealing how one the greatest metaphysicians of our age interprets the phenomena real or alleged of spiritualism The doctrinal expositions that accompany his astonishing account offer extraordinarily prescient insight into many deviations and psychological afflictions of the modern mind and will be a valuable to psychological practitioners and spiritual counselors as to historians of esoteric history It also offers a profound corrective to the many brands of New Age therapy that all too unwittingly invoke many of the same elements whose nefarious origins Guenon so clearly described many years ago **The Spiritualist Movement** Christopher M. Moreman, 2013-08-27 At once controversial and intriguing Spiritualism has spread from the United States to become a global movement Bringing together perspectives from within the movement and without this unique collection treats readers to insights about Spiritualism s history belief and practice Based on the belief that the dead can communicate with the living through mediums Spiritualism touches concepts as timelessly fascinating as human mortality and the continuing existence of the soul beyond bodily death This comprehensive work will help readers parse the mysteries of this uniquely American religion through three thematically organized volumes Spiritualism in the U S and Globally Evidence and Beliefs and Cultural and Social Issues Drawing on fields as diverse as psychology sociology religious studies anthropology history ethnic and gender studies literature and art this broad based collection frames Spiritualism through the views of a team of international scholars Among the many things that separate Spiritualism from mainstream religions is the involvement of women in central leadership roles Such cultural and political elements of the movement are one aspect of this study Of equal interest to believers and skeptics alike will be the work of scholars who have devoted themselves to examining the claim that communication through mediums proves the existence of life after death *THE HIDDEN HISTORY OF SPIRITISM: FROM MAGNETISM TO THE SPIRITUAL WORLD* DUKE SOUZA, This book uncovers the hidden origins of Spiritism tracing its evolution from mesmerist practices to the establishment of communication with the beyond It offers a captivating journey through forgotten theories concealed experiences and enigmatic figures that shaped modern spiritual thought A must read for those seeking to understand the deep roots of mediumistic phenomena and its historical progression **The Practitioner**, 1920 **The Law of psychic phenomena** Thomson Jay Hudson, 1904 **In the Morningland** John S. Stuart-Glennie, 1873 **Legitimizing Scientific Knowledge** Francis Remedios, 2003-01-01 The first book to provide an in depth examination of Steve Fuller s politically oriented social epistemology Legitimizing Scientific Knowledge compares

Fuller's social epistemology with other interest oriented and truth oriented social epistemologies The result is a carefully argued in depth analysis of the work of a groundbreaking philosopher of science "Dr. Fritz" The Phenomenon of the Millenium William Moreira, 2001 This book is the most profound in explaining and proving to our material world the existence of the spiritual world and its relation to our lives Dr Fritz is the most incredible example of the existence of the spiritual world related to ours In this book we can feel the author's connection in trying to help us in our incertitude of life after death He took more than 3 000 photos 180 photos are in the book of incredible healing surgeries done by the power of the spiritual fluid affecting our bodies Dr Fritz phenomenon is alive and happening in Rio de Janeiro at this present moment as of the time this book is being printed The author left October 8 2001 to Rio de Janeiro to have a cancerous melanoma surgery done by this spiritual phenomenon without anesthesia or any modern concept The medium Rubens de Faria Jr is presently working on this phenomena The religious leaders know about it but try to cover this great contact because of controversial ideals of archaic beliefs not following men's evolution *Experimental Spiritism. The Mediums' Book; Or, Guide for Mediums and for Evocations ... Translated ... by Anna Blackwell* ,1876 **Conjuring Science** Sofie Lachapelle, 2015-10-07 Conjuring Science explores the history of magic shows and scientific entertainment It follows the frictions and connections of magic and science as they occurred in the world of popular entertainment in France from the mid eighteenth to the early twentieth century It situates conjurers within the broader culture of science and argues that stage magic formed an important popular conduit for science and scientific enthusiasm during this period From the scientific recreations of the fairs to the grand illusions of the theatre stage and the development of early cinema conjurers used and were inspired by scientific and technological innovations to create illusions provoke a sense of wonder and often even instruct their audience In their hands science took on many meanings and served different purposes it was a set of pleasant facts and recreational demonstrations upon which to draw it was the knowledge presented in various scientific lectures accompanied by optical projections at magic shows it was the techniques necessary to create illusions and effects on stage and later on at the cinema and it was a way to separate conjuring from the deceit of mediums mystical showmen and quacks in order to gain a better standing within an increasingly scientifically minded society **Index-catalogue of the Library of the Surgeon-general's Office, United States Army National Library of Medicine (U.S.)**, 1911 Modern Occultism in Late Imperial Russia Julia Mannherz, 2012-10-15 Modern Occultism in Late Imperial Russia traces the history of occult thought and practice from its origins in private salons to its popularity in turn of the century mass culture In lucid prose Julia Mannherz examines the ferocious public debates of the 1870s on higher dimensional mathematics and the workings of seance phenomena discusses the world of cheap instruction manuals and popular occult journals and looks at haunted houses which brought together the rural settings and the urban masses that obsessed over them In addition Mannherz looks at reactions of Russian Orthodox theologians to the occult In spite of its prominence the role of the occult in turn of the century Russian culture has been largely ignored if not actively

written out of histories of the modern state For specialists and students of Russian history culture and science as well as those generally interested in the occult Mannherz s fascinating study remedies this gap and returns the occult to its rightful place in the popular imagination of late nineteenth and early twentieth century Russian society

**ORIGINS OF SPIRITISM: FROM ALLAN KARDEC TO THE SPIRITIST HOUSES OF THE 21ST CENTURY** DUKE SOUZA, This book embarks on a deep journey into the origins of Spiritism retracing the steps of Allan Kardec and the formation of a philosophical and moral doctrine that transcended the 19th century Grounded in historical documents essential texts and modern reflections it maps the development of Spiritist thought from its codification to its modern day expression in Spiritist centers around the world A compelling invitation to serious study understanding of core principles and contemplation of its relevance in contemporary spiritual life
