Explorations In Poe:

Explorations in Poe Devarakonda Ramakrishna, 1992-01-01 Explorations Into the World of Lewis and Clark V-3 of 3 Robert A. Saindon, 2003 Volume 3 of 3 This 3 volume anthology of 194 articles with 102 maps and illustrations published between 1974 and 1999 in *We Proceeded On* The quarterly journal of the Lewis and Clark Trail Heritage Foundation Contributors include Stephen Ambrose John Logan Allen and Paul Russell Cutright among other professional and amateur Lewis and Clark scholars Vol 1 ISBN 1582187622 Vol 2 ISBN 1582187649 Vol 3 1582187665 **The Humboldt Current** Aaron Sachs, 2007-07-31 A masterly and beautifully written account of the impact of Alexander von Humboldt on nineteenth century American history and culture The naturalist and explorer Alexander von Humboldt 1769 1859 achieved unparalleled fame in his own time Today however he and his enormous legacy to American thought are virtually unknown In *The Humboldt Current* Aaron Sachs traces Humboldt's pervasive influence on American history through examining the work of four explorers J N Reynolds Clarence King George Wallace and John Muir who embraced Humboldt's idea of a chain of connection uniting all peoples and all environments A skillful blend of narrative and interpretation that also discusses Humboldt's influence on Emerson Whitman Thoreau Melville and Poe *The Humboldt Current* offers a colorful passionate and superbly written reinterpretation of nineteenth century American history Handbook of the American Novel of the Nineteenth Century Christine Gerhardt, 2018-06-11 This handbook offers students and researchers a compact introduction to the nineteenth century American novel in the light of current debates theoretical concepts and critical methodologies The volume turns to the nineteenth century as a formative era in American literary history a time that saw both the rise of the novel as a genre and the emergence of an independent confident American culture A broad range of concise essays by European and American scholars demonstrates how some of America's most well known and influential novels responded to and participated in the radical transformations that characterized American culture between the early republic and the age of imperial expansion Part I consists of 7 systematic essays on key historical and critical frameworks including debates about race and citizenship transnationalism environmentalism and print culture as well as sentimentalism romance and the gothic realism and naturalism Part II provides 22 essays on individual novels each combining an introduction to relevant cultural contexts with a fresh close reading and the discussion of critical perspectives shaped by literary and cultural theory

The Peculiarity of Literature Jeffrey DeShell, 1997 If literature is to survive as literature it must be freed from its subjugation to other disciplines other concerns and other projects If Poe's fiction is to survive in any meaningful way it must be liberated from the critical tradition that sees nothing in it but confirmation of its own theories *The Critical History of Edgar Allan Poe's The Narrative of Arthur Gordon Pym* Ronald C. Harvey, 2015-12-22 *The Critical History of Edgar Allan Poe's The Narrative of Arthur Gordon Pym* A Dialogue with Unreason traces the complex scattered criticism of Poe's most anomalous work as it has steadily grown in prominence to a central position in the study of Poe and American literature The

winding route the criticism of Pym has charted as convoluted as the narrative itself has been a history of disagreement at almost every level at which critics and scholars read texts including the nature and genre of the work the seriousness or levity of the author's intent and its stature as a work of genius hackwork or something in between The unique set of thematic and narrative problems the work poses has eluded every hermeneutic structure brought against it so far consistently undermining the very reading strategies it seems to invite The only comprehensive critical history and bibliography of Pym this study fills a large hole Poe scholars have long felt as it analyzes the ways in which critics and critical camps have attempted to confront rationalize contain or evade its novel and disturbing features In the process the criticism is correlated with the popular reception and the international response Because literary history has entangled no author with his work more than Poe ultimately this book is as much a study of Poe as of Pym At every point therefore this study embeds the critical response to Pym in the history of Poe studies in general as well as in the larger context of American literary theory and history Includes bibliography and index

Poe's Pym Richard Kopley, 1992 The interpreter's dream text as one critic called Edgar Allan Poe's *The Narrative of Arthur Gordon Pym* has prompted critical approaches almost as varied as the experiences it chronicles This is the first book to deal exclusively with Pym Poe's longest fictional work and in many ways his most ambitious Here leading Poe scholars provide solutions and interpretations for many challenging enigmas in this mysterious novel The product of a decade of research and planning Poe's Pym offers a factual basis for some of the most fantastic elements in the novel and uncovers surprising connections between Poe's text and exploration literature nautical lore Arthurian narrative nineteenth century journalism *Moby Dick* and other writings Representing a rich cross section of current modes of literary study from source study to psychoanalytic criticism to new historicism these sixteen essays probe issues such as literary influence the limits of language racism the holocaust prolonged mourning and the structure of the human mind Poe's Pym will be an invaluable resource for students of both contemporary criticism and nineteenth century American culture Contributors John Barth Susan F Beegel J Lasley Dameron Grace Farrell Alexander Hammond David H Hirsch John T Irwin J Gerald Kennedy David Ketterer Joan Tyler Mead Joseph J Moldenhauer Carol Peirce Burton R Pollin Alexander G Rose III John Carlos Rowe G R Thompson Bruce I Weiner
