Exploring Hebrews A Devotional Commentary:

Exploring Hebrews George R. Knight, 2003 **Exploring Hebrews** Ashley Day, 2013-02-06 Nobody knows for certain who wrote the letter to the Hebrews Many scholars such as Arthur Pink and the early Catholics believe Paul was the author Others claim it was written by Timothy or Barnabas Some even suggest that the writers were Aquila and Priscilla Still others such as Martin Luther and R C Lenski believe that Apollos wrote it But despite the learned theories which claim to prove the authors identity none succeeds and the fact remains that despite two thousand years of scholarship nobody knows who actually penned these immortal words Even if we knew the authors identity the knowledge would not help us very much It would not change one word of the letter nor make it more effective Exploring Hebrews does not waste time following rabbit trails but instead concentrates on what the letter itself has to say Every verse is covered and carefully explained Our goal is to learn bearing in mind that although God has not revealed the identity of the human author of Hebrews the letter was clearly written under divine inspiration All Scripture is God breathed 2 Timothy 3 16 and The prophecy came not in old time by the will of man but holy men of God spoke as they were moved by the Holy Ghost 2 Peter 1 21 Exploring Hebrews John Phillips, 2002-10-01 John Phillips writes with enthusiasm and clarity cutting through the confusion and heretical dangers associated with Bible interpretation Moodymagazine *EXPLORING EPHESIANS A Devotional Commentary* Ashley Day, 2012-02 In the year AD 62 the Apostle Paul was a prisoner in Rome He had been arrested in Jerusalem on a false charge of taking Greeks into the temple Knowing he would not receive a fair trial in Jerusalem he had exercised his right as a Roman citizen and appealed to Caesar Eventually after many adventures he arrived in Rome and awaited his hearing before Nero During this waiting period he wrote four marvelous letters letters which have enriched the lives of countless people down through the centuries All four letters were recognized by the Fathers as inspired by God and were incorporated in the Scriptures This book concentrates on Paul s letter to the Ephesians The original recipients have long since left this world but God s Word is still alive and we shall examine the letter verse by verse with a view to understanding what God is saying to us today *The A to Z of the Seventh-Day Adventists* Gary Land, 2009-07-29 Covering the Millerite movement of the 1830s and 1840s sabbatarian Adventism prior to organization of the denomination and the Seventh day Adventist Church since its organization in 1861 63 this volume provides a comprehensive history of the denomination The first major element of the book is a chronology of Adventist history that begins with William Miller s conclusion in 1818 that the Second Advent of Jesus would occur about 1843 and extends through the Science and Theology Conferences of 2002 04 The interpretive introduction that follows places the emergence of Adventism within the context of the Second Great Awakening describes the development of sabbatarian Adventism from its early opposition to church organization to its highly institutionalized and bureaucratically structured contemporary form and examines the denomination s geographical expansion from a small North American sect to a global church The dictionary entries that constitute the bulk of the volume address individuals

organizations institutions and doctrines that have been important in the history of the church including dissident movements and individuals who have emerged as critics of the denomination and its beliefs Second there are entries on the development and current situation of Adventism in many individual countries Finally thematic entries on such subjects as art music literature health care and women address other elements important to understanding church life The dictionary entries are followed by a bibliography of scholarly and popular works published by the denomination commercial and academic presses and individuals and organizations *The a to Z of the Seventh-Day Adventists* Gary Land,2009-07 Covering the Millerite movement of the 1830s and 1840s sabbatarian Adventism prior to organization of the denomination and the Seventh day Adventist Church since its organization in 1861 63 this volume provides a comprehensive history of the denomination

Joseph Bates George R. Knight,2004 This biography by historian George Knight makes use of previously unavailable sources letters and logbooks to shed new light on the first theologian and real founder of the Seventh day Adventist Church

Historical Dictionary of the Seventh-Day Adventists Gary Land,2014-10-23 Seventh day Adventism was born as a radical millenarian sect in nineteenth century America It has since spread across the world achieving far more success in Latin America Africa and Asia than in its native land In what seems a paradox Adventist expectation of Christ s imminent return has led the denomination to develop extensive educational publishing and health systems Increasingly established within a variety of societies Adventism over time has modified its views on many issues and accommodated itself to the delay of the Second Advent In the process it has become a multicultural religion that nonetheless reflects the dominant influence of its American origins This second edition of *Historical Dictionary of the Seventh Day Adventists* covers its history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 600 cross referenced entries on key people cinema politics and government sports and critics of Ellen White This book is an excellent access point for students researchers and anyone wanting to know more about Seventh day Adventism **Thru the Bible:**

Genesis through Revelation J. Vernon McGee,1984-01-04 Radio messages from J Vernon McGee delighted and enthralled listeners for years with simple straightforward language and clear understanding of the Scripture Now enjoy his personable yet scholarly style in this 60 volume set of commentaries that takes you from Genesis to Revelation with new understanding and insight Each volume includes introductory sections detailed outlines and a thorough paragraph by paragraph discussion of the text A great choice for pastors and even better choice for the average Bible reader and student Organizing for

Mission and Growth George R. Knight,2006 The twentieth century brought new problems racial conflict that led to the establishment of regional conferences and the call for Black unions and congregational rumblings that continue to the present As the church contemplates a third cycle of restructuring the author wonders whether it will be flexible enough to change again **Thru the Bible Vol. 51: The Epistles (Hebrews 1-7)** J. Vernon McGee,1996-01-03 Radio messages from J Vernon McGee delighted and enthralled listeners for years with simple straightforward language and clear understanding

of the Scripture Now enjoy his personable yet scholarly style in a 60 volume set of commentaries that takes you from Genesis to Revelation with new understanding and insight Each volume includes introductory sections detailed outlines and a thorough paragraph by paragraph discussion of the text A great choice for pastors and even better choice for the average Bible reader and student Very affordable in a size that can go anywhere it s available as a complete 60 volume series in Old Testament or New Testament sets or individually **Exploring Ecclesiastes and Song of Solomon** George R.

Knight,2006 Ecclesiastes and Song of Solomon are often overlooked scriptural jewels This devotional commentary will help uncover new facets in these books It will present the reader with an abundance of material about biblical writing style poetry marital customs original language and practical application for today These things make it truly a devotional commentary good for many purposes **Exploring Mark** George R. Knight,2004 It was the worst of times The believers faced the

atrocities of an emperor gone mad They were burned alive Torn apart Amid Roman horror Mark decided the church needed some good news No one had ever written a Gospel before Later Gospels enhance the picture but Mark set the mold Other Gospels focus more on Jesus teaching but in Mark the Man of Action marches rapidly through the Jewish milieu of first century Palestine all the way to the cross And now George Knight brings Mark s world down to ours with a user friendly devotional commentary that goes behind the scenes and with a new translation unfolds the rich tapestry of Mark for contemporary Christians Mark s Jesus demanded secrecy on the part of His disciples But He also said Whatever is hidden is meant to be disclosed Mark 4 22 NIV In this commentary Mark s secrets about Jesus are revealed to enlarge the searching mind and bless the seeking heart Book jacket **Exploring the Letters of John & Jude** George R. Knight,2009 The letters

of John and Jude are a wake up call False teachers had infiltrated the church and introduced secular reasoning in place of apostolic teachings John and Jude wrote to their congregations not only to warn the faithful against the impostors but to emphasize true spirituality in the face of error and apostasy Its no surprise then that these four letters are of the utmost relevance to Christians today Johns first and second letters deal with issues central to a genuine Christian faith and life while the third provides a snapshot of the dynamics of at least one congregation in the A D 90s Jude confronts many of the same issues in his letter including the immorality that results from a denial of Christ This user friendly devotional commentary divides the entire text of these four letters into bite sized passages using a new translation by the author Each passage is followed by the exegetical meaning as well as the practical application for the lives of twenty first century believers Small study groups and individuals alike will benefit from this format and better understand Gods timely and very personal message **Reading Ellen White** George R. Knight,1997 **A Search for Identity** George R. Knight,2000 Der Autor geht

author Each passage is followed by an explanation that reveals themes and patterns moving from exegesis to practical application in the lives of twenty first century believers The format will prove helpful for church study groups midweek meetings equipping the reader to understand better God s message of transforming grace today **Spes Christiana 2020-01** Reinder Bruinsma,2021-02-26 Spes Christiana is the journal of the European Adventist Society of Theology and Religious Studies EASTRS It contains articles from all subdisciplines of theology Biblical Studies Church History Systematic Theology Practical Theology and Mission Studies as well as auxiliary disciplines Major fields and themes of publication include all that are either related to Adventism in Europe or researched by European Adventist scholars The Judgment and Assurance Woodrow W. Whidden,2011-02 src http://www.youtube.com/v/WCj_wojf4SQ rel 0 Many people are tormented by a lack of genuine Christian assurance simply because of theological and practical misunderstandings Woodrow W Whidden II addresses common questions and misunderstandings as he explores the Seventh day Adventist doctrines of grace law salvation judgment and final events His findings reveal biblical teachings that will inspire a deep refreshing sense of the assurance of salvation as he explores such issues as How can believers know with certainty that they are saved Does the Bible teach a cosmic pre Advent investigative judgment based on works Who will survive the latter rain the close of probation and the time of trouble What do believers do with failure backsliding and the fear of judgment Are Ellen G White s writings a help or a stumbling block when understanding salvation This powerful and comprehensive book will help believers become assured and balanced Christians able to understand and explain the biblical teachings on judgment and assurance

Exploring Thessalonians George R. Knight,2012 The letters of Paul to the Thessalonian believers not only provide insight into the challenges faced by one of the early Christian churches but also allow a glimpse into the great pastoral heart of the stalwart evangelist Yes he endured beatings stoning and imprisonment on his missionary journeys and even rejoiced that he was found worthy to suffer for his Lord Yet in the midst of his own trials he longed to nurture and encourage those converts who were experiencing persecution as well Intertwined among such familiar themes as the Second Advent the resurrection of believers church discipline and the man of lawlessness Paul s recurring emphasis is how to live while waiting for Jesus to return It may come as a surprise to Christians steeped in a postmodern culture but holiness separation from the ways of the world and commitment to the ways of God and the requisite dependence upon God s power are commanded This user friendly devotional commentary divides the text of these two letters into short passages followed by exegetical explanation and practical application Though these messages were penned nearly 2 000 years ago the apostle s words are just as relevant to Christians now as they were to the fledgling church in the first century Book jacket
