Exploring Revelation:

Exploring Revelation John Phillips, 2001-09-01 John Phillips writes with enthusiasm and clarity cutting through the confusion and heretical dangers associated with Bible interpretation Moody Magazine [Exploring Revelation](#) Bill Shade, 2019-07-24 Revelation the final book in the English Bible speaks to the days in which we live as no other book can It lays before the reader those imminent events which must surely take place leading to the ultimate triumph of God and the full establishment of Christ's Millennial Kingdom on earth But the victory is not without the most violent turbulent destructive and deadly universal conflict the world has ever known and it is that conflict that the book of Revelation describes in vivid detail No modern fiction or IMAX production can equal what is described to us here Yet at the same time we see God's infinite grace and love extended and His redemption to every believing soul and the horrors of the conflict are more than compensated for by the glories of all God has prepared for those who love Him The book of Revelation is not hard to understand it is hard to believe because what we see and read goes beyond anything we have ever experienced But if we will believe it it offers the greatest glimpse into the future we can find anywhere and great guidance and hope for God's believing children [Exploring Revelation](#) John Phillips, 1981 *All Things New* Gene L. Green, Stephen T. Pardue, K. K. Yeo, 2019-09-30 The Christian faith presents a distinctive vision of last things that God in Christ aims to reconcile the world to himself and through his Spirit and a new people to set all things to right This good news is for all nations and peoples but for too long the Christian doctrine of eschatology has focused on debates and arguments rooted solely in the Western church In *All Things New* leading theologians and biblical scholars from Africa Asia Latin America and North America offer readers a glimpse of how Christians around the globe are perceiving and describing the Christian hope The result is a remarkably refreshing and distinctive vision of eschatology guaranteed to raise new questions and add new insights to the global church's vision of the eschaton **The View from Mount Calvary** John Phillips, 2005-12-23 Without Jesus the Bible makes no sense And without his atoning death on the cross the Bible makes no difference In *The View from Mount Calvary* renowned Bible commentator John Phillips surveys the entire Bible and shows how its many sections books and subjects all revolve around the death of Jesus on Mt Calvary Recommended reading especially during the Easter season *The View from Mount Calvary* will deepen readers appreciation of the finished work of Christ *You Can Understand the Book of Revelation* Skip Heitzig, 2020-04-14 Do You Want to Know What the Future Holds The final book of the Bible is both fascinating and controversial It leaves some awed and others uncomfortable So many find its mysteries hard to fathom what does it all mean If you would like to know more than just bits and pieces of God's plans for the future Pastor Skip Heitzig is your guide to gaining a fuller understanding of the book of Revelation You will explore everything from the rapture to Christ's eternal kingdom and gain a deeper appreciation for the majesty and power of God examine all the key events that will take place in the last days discover how God's plans for the future apply to you right now learn how to be ready for Christ's return As you

study Bible prophecy and learn how God's plans will unfold you'll find yourself living in greater anticipation of all that is to come

Revelations and Story Gerhard Sauter, John Barton, 2018-02-06 This title was first published in 2000 From the work of Hegel and Schelling to the dialectical theology of Barth Bultmann and Gogarten Revelation has developed a long rich tradition of diverse thought as well as many misunderstandings Meaning first and foremost God's encounter with those to whom God wishes to communicate God's own self Revelation seeks to be recounted and communicated to others As a theological expression Revelation aims to direct our attention to the modes and areas in which we have a basis for expecting encounter with God through stories nature the world as creation From a rediscovered emphasis on story narrative theology has emerged a concept the English speaking world has welcomed for its neutrality between history and imaginative fiction and stress on narrative rather than doctrinal dimension of biblical text This volume brings into relationship a concern with theology of revelation and an interest in the theology of story or narrative theology

Jesus Our Lord John Phillips, 2007-01-01 This companion volume to the best selling *The View From Mount Calvary* shows readers how we are never far from encountering the lordship of Christ no matter where we are in our biblical reading Respected teacher John Phillips guides readers illustrating how the Bible provides a window through which we encounter Jesus our Lord and discusses the many biblical events stories and prophecies that reflect his lordship

The Four Horsemen of the Apocalypse Mark Hitchcock, 2010-04-28 The image of the four horsemen of the Apocalypse in Revelation 6:1-8 is one of the most vivid and powerful in all the writings of the prophets Their presence speaks of a coming day of horror the first four judgments of the tribulation White red black and pale they will wreak destruction around the world Prophecy expert Mark Hitchcock takes an in depth look at the horsemen and shows how today's events point toward the prophecy about them Signs all around us indicate that the four horsemen of the Apocalypse may be ready to mount up and gallop across the earth **T H U N D E R I N G H O O F B E A T S B R I N G W A R F A M I N E A N D P L A G U E** The image of the four horsemen of the Apocalypse in Revelation 6:1-8 is one of the most vivid and powerful in all the writings of the prophets Their presence speaks of a coming day of horror the first four judgments of the Tribulation White red black and pale they will wreak destruction around the world Prophecy expert Mark Hitchcock takes an in depth look at the horsemen and shows how today's events point toward the prophecy about them Signs all around us indicate that the four horsemen of the Apocalypse may be ready to mount up and gallop across the earth Mark Hitchcock packs a wealth of information on biblical prophecy into an excellent quick read I highly recommend Mark as a faithful guide to understanding current events in light of God's wonderful plan of prophecy **TIM LAHAYE** author educator minister *Story Behind the Book* The four horsemen of the Apocalypse in Revelation 6:1-8 is one of the most vivid powerful visions in all of the Scriptures The apostle John saw a vision of four horses white red black and pale galloping across the world in the end times leaving unbelievable destruction in their wake The chilling imagery of that vision has gripped believers for over two thousand years The purpose of the book is to take an in depth look at these four

mysterious horsemen and show how their approach seems to be developing before our eyes signaling the advent of that terrible seven years known as the Great Tribulation The four horsemen are symbolic of great movements that will mark the onset of that climactic era in history [Christoph Schwöbel](#) Judith Wolfe, Margaret McKerron, 2025-06-30 Christoph Schwöbel shaped a generation of theologians with his vision of the Trinity as an eternal conversation which addresses all humans and draws them into conversation with each other and God This volume continues Schwöbel's theology through essays engaging his central topics of conversation Trinity tradition the arts religion and society **The Complete Reference Guide to Bible Prophecy** Ron Rhodes, 2024-09-03 The Ultimate Bible Prophecy Resource In a world gripped by growing conflict and chaos it's hard to know where to turn for reliable guidance But God didn't leave us empty handed His gift of Bible prophecy offers hope for the future and purpose in the present The Complete Reference Guide to Bible Prophecy is your all in one resource for understanding Bible prophecy and the end times With his signature clarity and conversational tone Dr Ron Rhodes makes complex topics simple providing you with a composite survey of the end times from the rapture to eternity concise overviews of all the major prophetic viewpoints topics trends and commonly debated issues visual charts fast facts historical insights helpful quotes linguistic observations answers to FAQs and many other engaging features throughout every chapter This authoritative work is sure to become your go to prophecy guide for years to come Equipped with this invaluable resource you will become more inspired than ever in the hope wisdom and encouragement God provides through Bible prophecy *Exploring Revelation* Terry Roberts, 2025-06-23 In *Exploring Revelation* Dr Terry Roberts takes his reader on a journey of exploration through the prophetic masterpiece penned by the Apostle John The only book of the Bible with a stated blessing on those who read it and heed it Revelation reaches from the first century AD into the present and beyond with uncanny predictions of future events But Revelation is more than future prediction It paints a striking portrait of Jesus as the Lord of History triumphing over the dark forces of the present evil age It also depicts Jesus standing amid the golden lampstands His Church with words of encouragement and challenge for the present day believer Thus Revelation not only informs us about the future but more importantly it strengthens our faith and enhances our effectiveness for God in the here and now *Exploring Revelation* is a devotional commentary to be read alongside the book of Revelation [Ethical Exploration in a Multifaith Society](#) Catherine Shelley, 2017-03-24 This book considers the theory and application of ethics for a multifaith society Much ethics taught in the UK has been dominated by Christian ethics their relation to secularism and by the Enlightenment's reaction against theology as a basis for ethical thought In contrast to these perspectives this book brings secular and theological ethics into dialogue considering the degree to which secular ethics has common roots with theological perspectives from various traditions The book assesses the application of ethical and theological principles in today's multifaith society Aiming to enhance ethical understanding and awareness across divergent worldviews identifying at what points divergence does occur the author examines topics such as reason and ethics in theology natural law

utilitarianism and deontology and differences of approach to interpreting religious scriptures The focus on ethical methods is illustrated through topical concerns in religion and ethics for example sexuality marriage and education and religion in relation to global ethics and human rights **Like a Bride Adorned** Lynn R. Assistant Secretary of Defense (Public Affairs),1984 **Exploring Revelation** Ashley Day,2005-10-06 As significant current events unfold all around us and voices are heard everywhere saying look here and look there it is important that we keep our feet firmly grounded on the Word of God Outside God s Word there is no stability and it is easy to be alarmed or sidetracked by spectacular forecasts that have very little substance to them Our primary task as Christians is to know what God s Word says about the last days and to refuse any information that may be hearsay and which cannot be reconciled with the Scriptures Anyone could write a book about last things and many do but it s wise to take much of what is written with a pinch of salt However when as in the case of Revelation the author is God Himself it is necessary that the facts be well affirmed And in the opening verses John takes pains to impress upon his readers the accuracy and reliability of what he is about to write The information did not originate with him It came from God the Father to God the Son and was then communicated to John by an angel Although our English Bibles record the title of this book as *The Revelation of John* it is not about John nor his revelation It is about Jesus Christ in His role as ruler conqueror and controller of all things spiritual and temporal When Jesus said to His disciples All power is given unto me in Heaven and on earth that is precisely

what He meant namely ALL power total control over all things My prayer is that this commentary will help to clarify the immense scope of this book of Revelation to the minds of those who read it Biblical Eschatology, Second Edition Jonathan Menn, 2018-03-07 Biblical Eschatology provides what is not found in any other single volume on eschatology it analyzes all the major eschatological passages including the Olivet Discourse and the book of Revelation issues including the second coming of Christ the millennium the rapture and Antichrist and positions including all the major views of the millennium in a clear but not superficial way The book concludes with a chapter showing how eschatology is relevant for our lives Biblical Eschatology makes understanding eschatology easier by including chapters on how to interpret prophecy and apocalyptic literature by showing the history of eschatological thought and by placing eschatology in the context of the Bible's overall story line and structure Clarity and understanding are enhanced by the use of comparative tables and appendices Subject and Scripture indexes are included The book interacts with the best of Evangelical and Reformed scholarship and the extensive bibliography which includes the web addresses of many online resources provides an excellent source for the reader's further study This is a perfect resource for intelligent Christians including pastors students and teachers who desire to understand eschatology and to see how it fits together with the rest of the Bible
